--------------	----------------------	---	--------------

Motion to table by Joseph Klosky due to the lack of documentation, Mr. Fawcett explained he has not yet acquired the required architectural drawings. He and the Committee discussed the fact that the Committee does have the power to change the ARCC Guidelines and that they must follow the County rules but maybe more stringent. Mr. Fawcett did not want the added expense of the drawings if the permit would not be approved due to the size of garage he proposed. The Committee still feels that the application is incomplete. They would like to table it to give Mr. Fawcett additional time instead of denying it. Second by Hurrol Brinker, motion carried unanimously.
