Requested Action by BOT

Review recommended pay and classification plan and matching retirement contribution and approve Resolution 2022-17

Background and Summary Information

Beginning in FY17, BBRD adopted a formal pay and classification plan based on a representative employee pay survey and an internal comparative worth review. In early 2019, staff updated the previous salary survey. The FY22 pay and classification plan updated the BBRD's personnel system for compliance with the new Florida minimum wages of \$6.98 for tipped employees and \$10.00 for non-tipped employees starting October 1, 2021, and an additional \$1.00 an hour each subsequent year until 2026 when the annual increase returns to the CPI.

A formal pay and benefits study was conducted by Evergreen Solutions and completed in 2022. A final report of this study was presented to the BOT at its regular meeting on June 9, 2022. The report identified that BBRD's current employee compensation rates and benefits were generally below that of what the market is currently supporting.

The FY23 Adopted Budget was adopted by the BOT at its regular meeting on June 28, 2022. The FY23 Adopted Budget includes a maximum of a 5.0% increase per employee to be split between a cost of living increase and a merit increase in the amount of \$94,396 for all eligible employees and a compression adjustment in the amount of \$100,000. The FY23 Adopted Budget also includes \$43,149 to address the state mandated minimum wage increase.

The BOT encourages additional retirement savings by its employees through the provision of a 401(a) Defined Contribution Plan and a 457 Deferred Compensation Plan for all full time employees, and provides a limited dollar for dollar matching contribution for eligible employees that participate in these plans. A BBRD matching contribution of 4% would correspond to an estimated \$65,316 if all eligible employees participated and contributed the maximum matching amount.

The Community Manager recommends the BOT approve resolution #2022-17 thereby adopting the FY23 Employee Pay and Classification Plan effective September 26, 2022, with a maximum of a 5.0% combined COLA and merit increase, for all eligible employees, a state mandated minimum wage increase, and a compression adjustment; and approving a matching retirement contribution of up to 4% for eligible employees for FY23 to be effective September 26, 2022.

Requested Action by BOT

Renew Liability & Workers' Compensation Insurance coverage to Florida Insurance Alliance {Egis} for FY23 {year 2 of 2-year rate guarantee}.

Background and Summary Information

The BOT changed general liability and workers' compensation insurance companies in FY22 from Florida Municipal Insurance Trust (FMIT) to Florida Insurance Alliance, represented by Egis. At the time, Egis guaranteed the liability insurance rate for a two-year period. As with private homeowners' insurance, BBRD's liability insurance premiums are based on the history of claims, amount of coverage, and overall industry trends.

Likewise, BBRD's workers' compensation insurance premiums are based on experience, types of work performed by employees, and industry trends. Specifically, experience is rated based on the "modifier" of the three prior years' experience. A modifier of 1.00 is average. Please note, the increased experience modifier is from the claims activity on the expiring FMIT policy, thus an increase in premium from \$22,303.01 to \$28,430.50 (a difference of \$6,127.49).

BBRD's modifier has changed per the following

	FY23 Budget	FIA
Base Policy		
Property	N/A	69,141
		incl plus
Pier	N/A	flood
General Liability	N/A	26,895
Liquor Liability	N/A	Incl w/GL
Errors & Omissions/Public		
Officials Liability	N/A	17,215
Crime	N/A	750
Auto & Auto Physical Damage	N/A	10,850
Cyber Liability	N/A	incl
Tees and Greens Coverage	N/A	incl
Liability Sub-total	130,032	124,851
Workers Compensation	24,270	28,431
Base Policy Total	154,302	153,282
Total Cost	154,302	153,282
Difference from Budget	N/A	1,020

Staff recommends the BOT renew liability and workers' compensation insurance coverage to Florida Insurance Alliance in the amount of \$153,282. After the FY22 Audit is completed, staff will prepare a budget amendment for consideration by the BOT moving the surplus \$1,020 from the various accounts to R&M/Capital Contingency.

About FIA

Florida Insurance Alliance (“FIA”), authorized and regulated by the Florida Office of Insurance Regulation, is a non-assessable, governmental insurance Trust. FIA was created in September 2011 at a time when a large number of Special Taxing Districts were having difficulty obtaining insurance.

Primarily, this was due to financial stability concerns and a perception that these small to mid-sized Districts had a disproportionate exposure to claims. Even districts that were claims free for years could not obtain coverage. FIA was created to fill this void with the goal of providing affordable insurance coverage to Special Taxing Districts. Today, FIA proudly serves and protects nearly 1,000 public entity members.

Competitive Advantage

FIA allows qualifying Public Entities to achieve broad, tailored coverages with a cost-effective insurance program. Additional program benefits include:

- Insure-to-value property limits with no coinsurance penalties
- First dollar coverage for “alleged” public official ethics violations
- Proactive in-house claims management and loss control department
- Complimentary risk management services including on-site loss control, property schedule verification and contract reviews
- Online Risk Management Education & Training portal
- Online HR & Benefits Support portal
- HR Hotline
- Safety Partners Matching Grant Program

How are FIA Members Protected?

FIA employs a conservative approach to risk management. Liability risk retained by FIA is fully funded prior to the policy term through member premiums. The remainder of the risk is transferred to reinsurers. FIA’s primary reinsurers, Lloyds of London and Hudson Insurance Company, both have AM Best A XV (Excellent) ratings and surplus of \$2Billion or greater.

In the event of catastrophic property losses due to a Named Storm (i.e., hurricane), the program bears no risk as all losses are passed on to the reinsurers. FIA purchases property reinsurance to withstand the 1,000-year storm event (probability of exceedance .1%). This level of protection is statistically 2 to 3 times safer than competitors and industry norms.

What Are Members Responsible For?

As a non-assessable Trust, our members are only responsible for two items:

- Annual Premiums
- Individual Member Deductibles

FIA Bylaws prohibit any assessments or other fees.

Additional information regarding FIA and our member services can be found at www.fia360.org.

Florida law permits you to make certain decisions regarding Uninsured Motorists Coverage provided under your policy. This document describes this coverage and various options available.

You should read this document carefully and contact us or your agent if you have any questions regarding Uninsured Motorists Coverage and your options with respect to this coverage.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Uninsured Motorists Coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting therefrom. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the policy. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the bodily injury limits are less than your damages.

Florida law requires that automobile liability policies include Uninsured Motorists Coverage at limits equal to the Liability Coverage in your policy, unless you select a lower limit offered by the company or reject Uninsured Motorists Coverage entirely.

Please indicate by initialing below whether you entirely reject Uninsured Motorists Coverage or whether you select this coverage at limits lower than the Liability Coverage of your policy.

☐	I reject Uninsured Motorists Coverage entirely.
☒	I reject Combined Single Limit for Liability Coverage and I select a lower limit of \$100,000.

I understand and agree that selection of any of the above options applies to my liability insurance policy and future renewals or replacements of such policy which are issued at the same Liability limits. If I decide to select another option at some future time, I must let the Insurer or my agent know in writing.

Requested Action by BOT

Selection of Employee Health and Principal Insurance Plans

Background and Summary Information

Health Insurance

Participating employees have been insured for medical coverage under Health First policies since October 2017. Due to Obamacare regulations, one or more “affordable” plans must be offered, which is defined as not greater than 9.61 percent of an employee's W-2 taxable (Box 1) income. Four years ago, the BOT adopted two “affordable” plans in addition to a traditional health insurance plan. For FY23, BBRD is only offering one “affordable” policy which, if adopted, will keep BBRD in compliance with Obamacare regulations.

The following are the plans, costs, and comparison to the FY23 Budget. Annual costs and savings assume all employees choose the same plan as they currently have unless they have otherwise so indicated. Of note, of the 35 anticipated full-time employees for FY23, staff believes only 29 will elect coverage (assuming a certain number of new employees elect coverage). Turnover of the remaining 6 employees and/or qualifying events resulting in additional elections of coverage would increase costs to BBRD beyond the figures provided within this agenda memo.

FY20 saw an increase to 85% coverage for employee-only insurance and 35% coverage for dependent coverage. This year, achieving our goal of BBRD paying 90% of the healthcare premium for employees.

Staff recommends the selection of Florida Blue due to its low deductibles and very competitive premiums.

Requested Action by BOT

Review and Approval of FY 2022/23 Certificate to Non-Ad Valorem Assessment Roll and Resolution 2022-18

Background and Summary Information

The Board of Trustees has previously entered into written agreements with the Brevard County Property Appraiser and Brevard County Tax Collector for the collection of its non-ad valorem assessment; and pursuant to Section 197.3632(5)(a), Florida Statutes, and Rule 12D-18.006, Florida Administrative Code, the Chair of the Board of Trustees, or his or her designee, is required to certify a non-ad valorem assessment roll on compatible electronic medium to the Tax Collector by September 15 of each year; and requires that the non-ad valorem assessment for each parcel shall be posted on the assessment roll.

FY2022/23 Budgeted Assessments differs from the total of the FY 2022/23 Non-Ad Valorem Assessment Roll because of the decrease in the assessable lots from 4868 to 4863

Staff recommends the BOT approve Resolution 2022-18 and authorize the Chairman to sign the Certificate to Non-Ad Valorem Assessment Roll for FY 2022/23.
