Trustees,

Please see attached for the revised bid from the alternate vendor for the pool lifts. You will notice instead of 3 same units, they are proposing a different unit for Pool #1 due to the pool lip. Although Matt and I still have reservations about the electrician pulling the permit and installing the grounding, I will be recommending this bid tonight as the significant cost savings outweighs the installation problems (and additional costs) we will incur.

Stephanie,

Please post this email and attachment on [www.bbrd.org](http://www.bbrd.org) next to tonight's agenda packet.

Sincerely,

*John W. Coffey*, ICMA-CM
