Requested Action by BOT

Consider limitation of Assessment Rate via Interlocal Agreement.

Background and Summary Information

The collection of the District's assessment moved from an in-house monthly collection method to the Uniform Method of Tax Collection authorized by Section 418.304 (4)(e)1, Florida Statutes and Section 197.3632, Florida Statutes in 2009.

On April 9, 2019, the Brevard County Board of County Commissioners considered a proposal by District 3 Commissioner John Tobia to consider revoking the District's authority to collect its assessment via the Uniform Method of Tax Collection. The County Commission took no formal action; however, Commissioner Tobia advised that he would continue to evaluate the matter. Thereafter, on April 18, 2019, Community Manager John W. Coffey, Finance Manager Charles Henley, and General Counsel Repperger met with Commissioner Tobia to discuss the issue, at which time Commissioner Tobia advised that if the District's assessment rate increase exceeded the Department of Revenue CPI percentage, he would consider taking further action. The BBRD Board of Trustees were informed of Commissioner Tobia's position (in a workshop held on April 23, 2019) prior to its formal adoption of the FY20 Assessment Rate Resolution, which occurred on June 25, 2019.

On May 19, 2020, prior to the Board of Trustees' adoption of the FY21 Assessment Rate Resolution on June 23, 2020, Commissioner Tobia presented a Resolution to the Board of County Commissioners calling for a referendum election on November 3, 2020 on whether to revoke BBRD's ability to utilize the Uniform Method of Tax Collection. The resolution calling for the referendum election was unanimously approved by the Board of County Commissioners. Approval by a majority of the registered electors of the District on November 3, 2020 is required to effectuate the proposed amendment to BBRD's Charter (via Brevard County Ordinance). The legality of the proposed Charter amendment without a special act of the Florida Legislature (given the specific legislative authorization of BBRD to use the Uniform Method of Tax Collection as provided in Section 418.304 (4)(e)1, Florida Statutes) is in question and would very-likely subject the Ordinance to a post-election legal challenge if the referendum is passed.

On August 13, 2020, Commissioner Tobia advised General Counsel Repperger of the adoption of the resolution calling for the referendum election passed by the Commission on May 19, 2020. The Board of Trustees was informed of the referendum election at its regular meeting on August 14, 2020. After the meeting, Commissioner Tobia advised General Counsel Repperger and Community Manager John W. Coffey that he would be willing to propose that the County Commission rescind the resolution calling for the referendum election and direct the Supervisor of Elections not to count the referendum question vote (if approved by the County Commission) if the Board of Trustees agrees to limit

future assessment increases to no greater than the applicable CPI percentage via an interlocal agreement. General Counsel Repperger and the County Attorney's Office are currently negotiating/drafting the terms of a draft proposed interlocal agreement for consideration. If approved by the Board of Trustees, the interlocal agreement would be presented to the Board of County Commissioners for consideration.

It should be noted that, because of the ballot language deadline of August 17, 2020, the referendum question will appear on the November 3, 2020 ballot even if the County Commission rescinds the resolution calling for the referendum election. However, if the resolution is rescinded, the referendum question results will not be tabulated. The deadline for Brevard County's rescission of the resolution is currently being examined.

Requested Action by BOT

Assessment of current conditions and consideration of further re-openings based on the conditions-based re-opening timeline.

Background and Summary Information

On May 8, 2020 the BOT reviewed the proposed conditions-based re-opening timeline and reached a consensus to re-open the beach, keep the pools closed, and revisit this issue at each meeting going forward. On May 26, 2020 the BOT approved the remainder of Phase 1 re-opening effective June 8, 2020.

On June 12, 2020, the BOT voted to move into Phase 2 with the following specific re-opening dates and conditions:

Monday, June 15th

- Pool #1 capacity will increase to 54 including staff
- Pool #3 capacity will increase to 27 people including staff

Wednesday, June 17th

- Group exercise programs will re-start at Pool #3
 - Lap swimmers 9-10am
 - Hydrotherapy 10:15-11:15am
 - Aquatic Exercise 11:30am-12:30pm

Friday, June 19th

- The Lounge will re-open with a capacity of 40 people including staff (hours of operations to be determined). Music, live entertainment, and street dances are still prohibited. Only prepackaged snack food will be available.

Monday, June 22nd

- Pool #1 Pavilion (capacity of 18) and Picnic areas (capacity of 29) will be open to use by reservation with the Calendar Coordinator
- The Administration Building will re-open to the public Monday through Thursday with an hour closure each day (Noon to 1pm) to clean and sanitize common areas
- Building D/E will re-open for residents' use (by reservations only) with a capacity of 35 people, including staff

Friday, June 26th

- The 19th Hole will re-open with a capacity of 34 people including staff. The kitchen will remain closed, however, a daily snack special and grab and go items will be available (hours of operations to be determined). Pasta Night continues to be suspended.

On Friday, June 26th the state suspended the operations of bars and night clubs, thereby closing BBRD's Lounge and

19th Hole indefinitely.

Friday, August 14th

- Trustee Henderson questioned if the Golf Course could go back to 8-minute tee times (from the current Phase 2 16-minute tee times). Staff will provide the BOT with a memo from Golf Operations Manager Cruz prior to the August 25th meeting summarizing the issues so the Trustees can consider how to proceed.

The following information (in italic) was contained within the May 8, 2020 agenda memo.

Due to the impact of the Coronavirus pandemic, Chairman Klosky and staff incrementally closed amenities and buildings starting on March 16th in accordance with state and federal guidelines and executive orders. Staff developed the attached conditions-based re-opening timeline that is based on the 3-phase re-opening guidance from the White House last month and being followed loosely by Governor DeSantis. Readers should infer any specific dates and should understand the proposed timeline is not meant to be rigidly implemented but was developed to provide a transparent means of the multi-steps staff will take in re-opening specific amenities and buildings.

The likelihood of subsequent spikes in infections in Florida and/or Brevard County may necessitate the temporary reversal of openings (i.e. restricting or closing specific amenities/buildings that were in one of the early phases of re-opening. Additionally, the public should not confuse BBRD phases with elements of phases identified by national, state or local leaders. While the four-phase proposal for BBRD is built upon the White House's three-phase proposal, the overwhelming number of residents who fall within the "vulnerable population" category requires a more cautious and graduated approach in re-opening to ensure maximum personal protection from the spread of the virus to staff and the public. Hence, staff developed the attached conditions-based timeline for re-openings in an attempt to provide maximum use of facilities while following guidelines to ensure the safety of residents, guests and staff.

Lastly, the reader should clearly understand that staff will not under any circumstances make the decision to re-open specific amenities/buildings without direct BOT approval in a public meeting. Most people understand the diverse range of opinions in BBRD regarding closures and re-opening and it is simply poor public policy for staff to make a decision (which will be poorly received by one side or the other in this issue) and then flood the individual Trustees with complaints and attend the next scheduled BOT meeting to seek a reversal of staff's actions. The BOT by pre-approving all re-openings will allow the public to participate in the initial decision-making process rather than seek to the BOT to later reverse a decision by staff.

A Conditions Based “Reopening BBRD” Timeline

The following BBRD re-opening timeline is conditions based. No specific dates are included or inferred. BBRD phases shall not occur before the corresponding State of Florida phase and may begin well after the similarly number State phase due to the demographical nature of BBRD residents. The following is meant to communicate the planned re-opening of BBRD facilities to the public. In the case of resurgence of coronavirus infections in Brevard County, closures and/or limitations of services/amenities will be in reverse order. Implementation of specific elements may be staggered depending upon conditions and staff. The Community Manager will not implement any of the phased openings without explicit BOT consent at a public meeting.

Phase 1

- Assumes continuation of 6 feet social distancing in groups of 10 or more
- The public will be given 3-7 days’ notice of re-opening which shall only occur on a Monday, Tuesday, Wednesday or Thursday.

Requested Action by BOT

Discussion and consensus on specifics of prior action of tabling large upcoming projects.

Background and Summary Information

On Friday, August 14, 2020, the BOT learned of a referendum County Commissioner Tobia requested back in May 2020 (and was approved by the Brevard County Board of County Commissioners) that would ask BBRD voters if they wish to remove the collection of the annual assessment from the tax bill and that would prohibit BBRD from liening properties for non-payment of the assessment. In response to this discovery the following motion was made and approved by the BOT.

Mr. Loveland made a motion to table dog park workshop on 8/27/2020 or any large project coming up. Second by Ms. Henderson. Motion passed unanimously (4-0, Trustee Compton was absent).

On Monday, August 17, 2020, Community Manager Coffey sought clarification of the motion from Trustee Loveland (see attached email) and subsequently instructed staff to cease solicitation of quotes for any project that was not already awarded a contract by the BOT. On Tuesday, August 18, 2020, Trustee Henderson requested this item be placed on the agenda for discussion.

Subject: Re: meaning behind your motion

Any new projects, not currently under way and funded in this years budget. Any non necessary improvements that are outside of the current budget or any new amenities that will has cost associated with it that has not already been approved by the board. That would include, Dog Park, Exercise equipment for the walking trail, new Pool Tables, Diving Boards or Other expenses that are not covered in the current budget.. the Table timeline is for the duration of time until the referendum is pulled, failed or in the event it passes, until a revised budget is completed to reflect appropriate projections of revenue loss due to decreased collections.

Randy,

A resident asked me what you meant about "table all large project..." that was part of your motion last Friday that the BOT approved. I told him I did not know but I would ask you.

The Consumer Price Index (CPI) is a measure of the average change in prices over time in a fixed market basket of goods and services. The Bureau of Labor Statistics publishes CPIs for two population groups: (1) a CPI for All Urban Consumers (CPI-U) which covers approximately 93 percent of the total population and (2) a CPI for Urban Wage Earners and Clerical Workers (CPI-W) which covers 29 percent of the total population. The CPI-U includes, in addition to wage earners and clerical workers, groups such as professional, managerial, and technical workers, the self-employed, short-term workers, the unemployed, and retirees and others not in the labor force.

Review and Approval of FY 2020/21 Certificate to Non-Ad Valorem Assessment Roll and Resolution 2020-10

Background and Summary Information

The Board of Trustees has previously entered into written agreements with the Brevard County Property Appraiser and Brevard County Tax Collector for the collection of its non-ad valorem assessment; and pursuant to Section 197.3632(5)(a), Florida Statutes, and Rule 12D-18.006, Florida Administrative Code, the Chair of the Board of Trustees, or his or her designee, is required to certify a non-ad valorem assessment roll on compatible electronic medium to the Tax Collector by September 15 of each year; and requires that the non-ad valorem assessment for each parcel shall be posted on the assessment roll.

FY2020/21 Budgeted Assessments differs from the total of the FY 2020/21 Non-Ad Valorem Assessment Roll because of the decrease in the assessable lots from 4875 to 4868

Staff recommends the BOT approve Resolution 2020-10 and authorize Chairman Klosky to sign the Certificate to Non-Ad Valorem Assessment Roll for FY 2020/21.

Selection of Employee Health and Ancillary Insurance Plans

Background and Summary Information

Health Insurance

Participating employees have been insured for medical coverage under Health First policies since October 2017 (prior two fiscal years were covered under United Health Care). Due to Obamacare regulations, one or more "affordable" plans must be offered which is defined as not greater than 9.86 percent of an employee's W-2 taxable (Box 1) income. Two years ago, the BOT adopted two "affordable" plans in addition to a traditional health insurance plan. For FY21 both the Obamacare plans and the standard plan will meet this criteria if the BOT approves the recommended renewals.(which will keep BBRD in compliance with Obamacare regulations).

Following are the plans, costs, and comparison to the FY21 Budget. Annual costs and savings assume all employees choose the same plan as they currently have unless they have otherwise so indicated. Of note, of the 34 anticipated full-time employees for FY21, staff believes only 27 will elect coverage (assuming laid off employees return and resume previous coverage). Turnover of the remaining 7 employees and/or qualifying events resulting in additional elections of coverage would increase costs to BBRD beyond the figures provided within this agenda memo. Of note, in FY15 only 67% of eligible employees elected health insurance coverage where a projected 79% of eligible employees are expected to elect coverage in FY21.

* Four employees were budgeted for an Obamacare policy coverage; therefore, total annual cost to BBRD is lower than the calculation from left to right in this row.								
** Obamacare required the employer-paid premium percentage be set at a maximum of 9.86% of the lowest-paid employee eligible for health insurance benefits (which for FY21 would be 81% for the 6600 plan, and 70% for the 2500 plan).								
*** Number of employees electing dependent coverage is not included in the total summation as an employee with dependent coverage is considered one coverage (as an employee cannot obtain dependent coverage without employee coverage).								

From FY14 through FY17, BBRD covered only 75% of employee-only coverage and 0% of dependent coverage. To address employee morale (often the increase in the employee's portion of the annual increase in premiums cost out-stripped the 3% maximum annual increase in pay), in FY18, the BOT endorsed a plan proposed by the Community Manager to gradually increase BBRD's percentage of premiums over the next several years to 90% for employee-only coverage and 50% for dependent coverage. Due to the potential long-term negative financial impact of the referendum placed on the November ballot by the Brevard County Board of County Commissioners, staff recommends pausing the gradual increasing of employer premium contributions for FY21 at 85% coverage for employee-only insurance and 35% coverage for dependent coverage.

19	82.5	25.0
20	85.0	35.0

Therefore, staff recommends the BOT adopt the following plans for FY21 at 85.0% employer-paid premiums at an estimated cost of \$298,913.20:

- Renewal POS HFHP VC5 6105
- Renewal HFHP HDHMO 2500/80 Copay 6003 (Obamacare affordable plan)
- Renewal HFHP HDHMO 6600 w/Copay 6020 (Obamacare affordable plan)

Dental Insurance

The FY21 Budget was based on 32 participating employees. Current information indicates BBRD can expect a maximum of 32 employees electing coverage in FY21.

	Renewal Increase %	Monthly per emp. Premium	Monthly per emp. BBRD Cost (75%)	# Emp.	Annual BBRD Total Cost	Monthly Employee Cost (25%)	Budget minus Renewal Rate
FY 21 Budget	2.0%	27.22	20.42	32	7,839.00	6.81	N/A
Principle Voluntary (FY20)	N/A	26.64	19.98	32	7,672.32	6.66	N/A
Principle Voluntary (recommended renewal)	0.0%	26.64	19.98	32	7,672.32	6.66	166.68
UNUM Passive PPO	35.6%	36.12	27.09	32	10,402.56	9.03	(2,563.56)

Readers who may compare FY20 costs to the recommended renewal should note the increased cost is due to the increase number of employees electing coverage (from 25 in FY20 to 32 in FY21). Hence, staff recommends the BOT award contract for dental insurance to Principal (PPO plan) at a cost of \$7,672.32 to BBRD.

Group Life and AD&D Insurance

BBRD currently offers 100% paid life insurance in the amount of \$10,000 to each full-time employee through Principal.

	Renewal Increase	Monthly BBRD Cost (100%)	Annual BBRD Total Cost	Budget minus Renewal Rate
FY 21 Budget	N/A	116.08	1,393.00	N/A
Principal (renewal - no change from FY20)	0.0%	95.54	1,146.48	246.52

Principal was selected by the BOT last year with a two-year rate guarantee. Hence, staff recommends the BOT award contract for Group Life and AD&D Insurance to Principal at an annual cost of \$1,146.48.

Vision Insurance

BBRD currently offers an optional 100% employee-paid vision plan with Principal.

	Renewal Increase %	Monthly Premium
Principal VSP Choice in- network (FY20)	N/A	6.10
Principal VSP Choice in- network (recommended renewal)	0.0%	6.10
FLA Blue Davis Vision	3.3%	6.30

Due to no increase in cost, staff recommends the BOT award contract for employee paid vision insurance to Principal for the VSP Choice plan at no cost to BBRD.

Supplemental Short-term Disability Insurance

BBRD currently offers an optional 100% employee-paid short-term disability insurance.

Supplemental Short-term Disability Insurance	
(Cost per \$10 of weekly benefit)	
	55-59 Age*
Principal (Renewal - no change from FY20)	0.4700
* Age bracket shown as a example of costs. Actual costs based on age and income.	

Due to no increase in cost, staff recommends the BOT award contract for voluntary short-term disability insurance to Principal at zero cost to BBRD.

Supplemental Life and Accidental Death & Dismemberment (AD&D) Insurance

BBRD currently offers an optional 100% employee paid supplemental life and accidental death & dismemberment (AD&D) insurance from Principal based on age and coverage.

Supplemental Life and AD&D Insurance	
(Cost per \$1,000 of coverage)	
	55-59 Age*
Principal (renewal - no change from FY20)	0.9640
* Age bracket shown as an example of costs. Actual costs based on age.	

Due to no increase in cost, staff recommends the BOT award contract to Principal for supplemental life and accidental death & dismemberment (AD&D) insurance at zero cost to BBRD.

Summary

A summary of BBRD costs as compared to the FY21 Budget is provided to the right.

Assumed within the previously recommended motions is the ultimate transfer of excess budgeted funds into the FY21 R&M/Capital Contingency budget.
