## Name the Facilities Contest Winners

The "Name the Facilities" Contest (non-BOT appointed) selection group met on Thursday, April 2, 2020, to review the contest entries. A total of 56 entries were made. Of those, 8 did not follow the contest rules and 1 voted to keep the existing names. This left 47 valid entries to consider.

The selection group felt that one entry captured the spirit of our area and provided names that would be easy to remember. The winning entry is as follows: A-**Atlantis**, C-**Columbia**, D-**Discovery**, and E-**Endeavor** in honor of the space shuttles.

Since one person captured the top spot, the selection group has decided to award runner up prizes to other names considered for an individual facility.

Aloha, was chosen for the "A" building as being warm and welcoming.

Coastal, was chosen for the "C" building as being appropriate for our location by the coast.

Double Eagle, was chosen for "D" and "E". These meeting rooms are at the golf course and this is a golf term. Double Eagle applies to both rooms. If only one side is to be used, it could be referred to as the D or E side of the Double Eagle meeting room.

(the above information was taken from an email from Mr. G. Baldwin to Trustee Compton dated April 5, 2020)

The BOT will consider these names at their April 21st meeting (closed to the public but on-line viewing and remote participation instructions will be in next week's *Peek*).

### ARCC Meetings now in Bldg. D/E

Due to the need for proper social distancing, the ARCC will meeting in Building D/E (instead of the Administration Building Conference Room) until further notice. Specific dates and times can be found at the top of page two of the *Peek*.

### 4th Annual Peek Reader Appreciation Raffle

Readers are invited to call the Administration Office at 772.664.3141 or email Office of the District Clerk Administrative Assistant Mel Goldie ([mgoldie@bbrd.org](mailto:mgoldie@bbrd.org)) to submit their name and phone number to be entered into a drawing for free Frangipani (Plumeria rubra) plants. Contestants must state what they appreciate about BBRD. Deadline to enter is May 14th. Winners and what they appreciate will be listed in the *Peek* in early June.

The plants are easy to grow and prefer full sun. They can tolerate partial shade but become "leggy" requiring pruning. They flower in spring and fall and drop their leaves in winter. A hard freeze will damage or kill them. The free plants range in size from 6-18 inches tall and originated from plants in the Community Manager's back yard. The free plants will be delivered to the winners' homes starting the following week or whenever convenient.

### **All CVO Events through the month of April are canceled**

Wishing all our Residents and their Families good health and stay safe! Social distancing is a MUST!

***“Human beings do not live in the objective world alone, nor alone in the world of social activity as ordinarily understood, but are very much at the mercy of the particular language which has become the medium of expression for their society.”***

- Edward Sapir

### **Recipes to try while you are home from Kathy Mendes, Food & Beverage Manager**

Kathy was given the weekend off from developing another tasty recipe so she could enjoy a leisurely Easter Weekend. In lieu of more restaurant quality recipes from Kathy I thought you would enjoy a sampling of some of the favorite recipes/directions from other Department Managers and local dignitaries!

#### Resident Relations/Human Resources Manager Rich Armington’s “Famous Fried Chicken”

- Take a box of Banquet Fried Chicken out of the freezer.
- Pre-heat your oven to 350 degrees Fahrenheit.
- Put the chicken on a baking sheet and cook until its hot and crispy (usually bout 50 minutes). Rich says to enjoy a few pre-dinner cocktails while the chicken is heating and the time goes by faster).
- Take the chicken out, place on a paper plate and enjoy!

(Rich says: “If you want to accessorize your meal have your spouse heat up some mac and cheese and canned green beans and you will then have a well balanced meal.”)

#### Golf Operations Manager Ernie Cruz’s favorite Latin meal

Whatever his Mom is fixing on his way home from work.

#### Property Services Manager Matt Goetz’s favorite item to grill on the weekend

Does not really matter what it is as long as there is plenty of cold beer in the cooler next to the grill.

#### Harley B. Coffey’s favorite food (designer of BBRD Admin. Bldg.’s landscaping/irrigation system and miniature golf course)

Nutro™ Ultra™ senior dog food and whatever is on John’s dinner plate.

#### BOT Chairman Klosky’s favorite restaurant

Wherever someone is taking him and paying for the meal.

#### Former Trustee Frank “The Baker” Cavaliere’s favorite snack

Donuts....just kidding! Everyone knows bakeries do not make donuts. Frank says “Cannoli’s can be eaten anytime of the day.”

I hope these “recipes and directions” have put a smile on your face. With all the uncertainty in the world and our community right now we need to remember to still have fun and laugh whenever possible. As for my wife and I, as long as we have each other, our health, a roof over our heads, food in the refrigerator/panty, and our four legged friends everything else is icing on the cake. Hence, no matter how long shut downs last or social distancing is required we need to remember we are all in this together. So let’s make sure we check on that special neighbor we have, that we try to be extra patient with each other and be thankful for all we have. If you look hard enough you will find someone who has a worse situation in life and you just might be able to bring a ray of sunshine into her/his life.
