1. Residents, guests and visitors must follow instructions of the Pool Host and/or District employees while at District facilities. The District's "Rules for Swimming Pool Use", as posted at each pool are illustrative of the District's rules for use of the Pools and are not meant to be viewed as a definitive and/or exhaustive list of rules.
2. Direction given by the Pool Host and any other District employee must be adhered to by members and guests in the pools, pool-side areas, and dressing/rest room facilities. Failure to do so may result in a suspension of their social membership privileges or Kids' Swim badge.
3. District employees reserve the right to refuse use of the swimming pool to any person or group for a violation of any of these rules.
4. Only approved items are allowed in the pools. A current management approved list of items allowed in the pool is available at each pool.
5. Proper ID, as required by the District, must be presented in order to gain access to the pool areas.
6. The Pool Host or other District employee has the authority to check bags or coolers for prohibited items before access is granted into the pool area.
7. There is no lifeguard on duty at any of the District's pools; swim at your own risk.
8. Normal hours for use are as posted.
9. Children under 12 years of age must be accompanied by a parent, guardian or family member over 18 years old while in the swimming pool area, including Kids' Swim events.
10. Children under 6 years of age and guests that have physical issues that decrease their personal safety (i.e. elderly, physically or mentally disabled, etc.) in the pool, are not permitted in the pool without immediate and constant supervision of parent, guardian, or family member over 18 years old, including Kids' Swim events.
11. It is a violation of Florida law to bring into pool areas or otherwise use glass bottles, containers, or other glass products.
