Publicly award and recognize Mr. Patrick Diamond for receiving an Innovative Service Award

Background and Summary Information

On Monday, July 29th, the BBRD Leadership Team (Community Manager and Department Managers) reviewed a recommended award for his innovative service related to the painting of the concrete around the Veteran's Monument. The vote was 7-0 in favor of the award.

The following is the nomination made by Community Manager Coffey, ICMA-CM

Employee's Name: Patrick Diamond -Building Tech II

Category: Innovation Award

Historically, BBRD has lacked sufficient resources to power wash all the flat concrete in the common areas. Periodically, staff would power wash concrete areas based upon resident complaints as time permits. In 2018, Pat Diamond volunteered to paint the concrete pad in the around the Veterans' Monument in a red, white and blue manner that would honor the United States flag. Additionally, the painting of this area would decrease the frequency of power washing. Mr. Diamond's supervisor authorized this action and Mr. Diamond contacted Sherwin Williams regarding the proper grade of paint. Thanks to Mr. Diamond's efforts, BBRD was able to secure a savings of approximately \$160 in that Sherwin Williams donated the paint as part of their program which provides donated paint to eligible projects that honor the military and veterans.

Upon the completion of the conversion of the Veterans' Monument area irrigation system from Brevard County potable water to lake water, Mr. Diamond once again volunteered to re-paint the concrete due to minor imperfections inflicted during the irrigation and landscaping work. Mr. Diamond's self-starting initiative and innovation are testaments to his work ethos and are worthy of recognition under this program. I nominate him for a \$500.00 Innovation Award.

Requested Action by BOT

Publicly award and recognize Ms. Sally Biondolillo for receiving an Extraordinary Service Award.

Background and Summary Information

On Monday, July 29th, the BBRD Leadership Team (Community Manager and Department Managers) reviewed a recommended award for Ms. Biondolillo's extraordinary service due to her outstanding performance under challenging and threatening circumstances. The vote was 7-0 in favor of the award.

The following is the nomination made by Community Manager Coffey, ICMA-CM.

*Employee's Name: Sally Biondolillo – DOR/ARCC Administrative Assistant
Category: Extraordinary Service Award*

Ms. Biondolillo's service as a DOR/ARCC Administrative Assistant is outstanding especially given that she is typically the first person who deals with the angry and difficult residents to come into the office about DOR and ARCC issues. She handles all the attacks with great restraint knowing the violations are usually valid while trying to help the resident abate the problem. Whether referring residents to potential contractors or telling them about the CVO's Helping Hands Program she is professional and a great ambassador for BBRD. Ms. Biondolillo is the liaison for the ARCC settling many disputes when an ARCC permit is denied. With the influx of new homes being built in BBRD and the increase of new builders she spends countless hours making sure the new home packages are correct for review by the ARCC. Her dedication to upholding BBRD's DOR in the face of such opposition is a testament to her work ethos and is worthy of recognition under this program. I nominate Ms. Biondolillo for a \$500.00 Extraordinary Service Award.

It is your responsibility to provide current information regarding your address, telephone number, insurance beneficiaries, change in dependents, marital status, etc. Please notify the Resident Relations Office to note any changes in your address, phone number, emergency contact information, marital status, number of dependents, etc. Changes in exemptions for tax purposes will only be made upon the receipt of a completed W-4 form.

Mr. Henderson made a motion to approve the Treasurer's Report for July 11, 2019 as read. Second by Mr. Diana. Motion passed unanimously.

Audience Participation

Mr. Ed Keeley commented on his opposition to beginning work on a new building when there are projects that currently need attending.

Ms. Jeanne Osborne was also opposed to the multi-purpose building agenda item. She requested the Board consider having a building study done before deciding to construct a new building.

Mr. Frank Cavaliere discussed the benefits of having a multi-purpose building readily available with a kitchen and rooms to hold multiple events at once. He urged the Board to consider the needs of the future residents rather than doing nothing.

Ms. Nancy Eisele agreed that a survey regarding what the community needs are should be completed before we move forward with a new building project.

Unfinished Business

Multi-Function Building Behind Shopping Center

Mr. Wheaton discussed the negative aspects to expanding the Lounge such as parking limitations and aging sewer systems. He proposed the Board revisit the multi-purpose building that was discussed last year as a design and build contract where the engineer firm clearly states what is available for a set amount of money. He requested the Board consider the design and build contract for a 7,000 square foot building with a proposed 5-year loan in order to hold functions every night of the week.

BAREFOOT BAY RECREATION DISTRICT

Mr. Loveland stated he is not for or against the idea but is not thrilled about revising a budget that was just approved. He stated that we should look at our infrastructure first since there is ample issues that need to be addressed. Mr. Loveland suggested a facility use study.

Mr. Diana agreed that we should wait for the parking study to come back before we consider constructing a new building.

Ms. Henderson stated that she is not in favor of building on the limited green space in that area. She agrees we should wait for the results of the parking study before committing to a new building.

Mr. Diana made a motion to table the topic of the multi-function building until we have a study completed regarding facility use. Second by Ms. Henderson. Motion passed unanimously.

New Business

DOR Violations

Case# 18-001022 803 Beech Court

Article III, Section 4-B, Pets (3 large dogs)

Mr. Wheaton made a motion to refer Case# 18-001022 to General Counsel Repperger for legal action, equitable or other appropriate action with failure to comply. If the BOT brings any such action to enforce the DOR, the charge for such action shall be charged to the Respondents account and shall constitute as a lien. Second by Mr. Diana. Motion passed unanimously.

Mr. Diana requested General Counsel Repperger reach out to the resident to see if we can come to an amicable solution.

Discussion Regarding How to Proceed with Shopping Center Roof Replacement

Mr. Coffey informed the Board that an elevated truss system was installed in the shopping center in 2014. Per the Dude Solutions report, we were informed that the roof needs replacing. He provided four options for the Board to consider. Mr. Coffey recommended approval for TLC to design a construction and replacement plan for the roof, so we are not at the mercy of the roofer's plans.

Mr. Diana made a motion that the BOT pursue Option #1 and have staff place a proposal from TLC on the next available agenda for development of construction drawings to remove the pitch roof and install a new flat roof with metal elevations on both buildings. Second by Ms. Henderson. Mr. Wheaton opposed. Motion carried 4-1.

Request for Qualifications (RFQ) Pool Construction and Consultation Services

On May 24, 2019, BBRD released a Request for Proposal (RFP) for the relocation of the Pool #1 pit and heater building and the replacement of the Pool #2 Pit. No bids were received by the deadline. Last month, Trustee Henderson placed an item on the agenda to discuss issuing a Request for Qualifications (RFQ) for current and future pool construction services. Board consensus was to approve the RFQ and select the RFQ Committee per BBRD Policy.

Mr. Diana made a motion have Mr. Loveland fill the Trustee seat on the RFQ Committee. Second by Ms. Henderson. Motion carried unanimously.

Mr. Coffey stated that the committee will consist of voting members Randy Loveland, Roger Compton and Matt Goetz. Mr. Coffey and Mr. Klosky will be the non-voting members. The RFQ will be released on July 15, 2019 and deadline to submit bids August 15, 2019. The RFQ opening will take place on August 16, 2019 at 10am in the Administration Conference Room.

Discussion of Acquisition of Specific Vacant Lots with Tax Deeds Owned by Brevard County

Mr. Coffey reported that 12 vacant lots were recently discovered with tax deeds owned by Brevard County as potential lots to be purchased to promote new construction. The lots have liens placed on the properties for lawn violations which resulted in BBRD having to cut the grass. Mr. Rich Armington presented his plan to acquire the lots.

1. Purchase one County held certificate more than two years old.
2. Approximately 7 days after purchase call for Tax Deed sale.
3. At Tax Deed sale BBRD will bid the minimum to acquire all other tax deeds and take possession of the properties.
4. Once BBRD owns the properties they will be placed on Govdeals.com our website for all properties we auction.

Mr. Wheaton made a motion to move forward with Mr. Armington's plan. Second by Mr. Diana. Motion carried unanimously

Shopping Center Building 2 Space 3 (old Doctor's Office) Lease Proposal

Mr. Coffey presented the lease proposal from Ralph Taylor, RN, MSN, MHA CNOR the Chief Nursing Officer/Chief Operating Officer of the Sebastian River Medical Center made the following proposal through our listing agent at Coldwell Banker Commercial with respect to the Shopping Center Building 2, Space 3 which was formally a doctor's office.

1. A 36-month lease with and annual Base Rent of \$10/sf rental rate along with the existing \$1.61/sf cam fee and the \$1.24 real estate tax fee.
2. An option to renew.
3. The right to make minor revisions including cabinet, countertop and floor repair and replacement.

Mr. Diana made a motion to accept a 36-month lease with annual Base Rent of \$10/sf rental rate along with the existing \$1.61/sf cam fee and the \$1.24 real estate tax fee. Second by Ms. Henderson. Motion carried unanimously.

Budget Amendment

Beginning in 2017, the BOT has included partial funding in the annual Budget for a second position via the contract with Special District Services, Inc. (SDS). The contract with SDS has not yet been amended so a budget of \$10,000 for July and August is available for redistribution to address unplanned expenditures. Additionally, due to unforeseen problems with the Golf-Pro Shop carpet, staff recommends executing that project immediately rather than waiting for the start of FY20 on October 1st. Mr. Coffey presented a list of projects that need addressing.

Ms. Benzio read the resolution:

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE BAREFOOT BAY RECREATION DISTRICT AMENDING RESOLUTION 2018-06; AMENDING THE BUDGET.

Mr. Diana made a motion to approve resolution 2019-05 amending the FY19 Budget and authorize staff to procure the listed projects. Second by Mr. Loveland. Motion carried unanimously.

Requested Action by BOT

Withdraw April 12, 2019 award of contract for canopy to Tripod Aluminum, award a new contract for construction of a canopy, and direction to staff to execute the required budget transfer from R&M/Capital Contingency.

Background and Summary Information

On April 12, 2019 the BOT awarded a contract for the construction of a canopy at Pool #2 to Tripod Aluminum. Subsequently, the vendor refused to execute the project as quoted, wanting to install a center pole and increase the cost of the project. Staff contracted the other vendor (Endeavor Construction) also declined to honor its quote. Listed below in italic

At the November 15, 2017 BOT workshop, Trustee -elect Wheaton suggested adding a project to the list being prioritized for construction of a canopy at Pool #2 so when residents leave the pool due to inclement weather they have a place to wait out the weather. After the BOT agreed by consensus to add the new project, in the prioritization of projects (one of the scheduled agenda items) said project was ranked 10th out of 12 projects (#1 being the top priority). Due to the BOT moving the New Administration Project up one year (from FY19 to FY18) in late FY17, the lower ranked priority projects were deferred until the completion of the New Administration Building.

Staff solicited the following quotes for a 20-foot by 24-foot aluminum canopy: \$10,538.00 Endeavor Construction, Inc. \$7,050.00 Tripod Aluminum, Inc.

As attached, Tripod Aluminum clarified their quote does include the cost of permitting. Additionally, staff plans on soliciting quotes for a concrete pad on which the canopy will be sited.

Although the award of contract is within the Community Manager's authority, this award of contract was placed on the BOT agenda for transparency purposes since it is an unbudgeted item (although it has appeared in the last two years' 5yrFM&CIP as a funded project).

Staff recommends, the BOT award contract for construction of a canopy to Tripod Aluminum, Inc. in the amount of \$7,050.00 and authorize staff to execute the required budget transfer from R&M/Capital Contingency once a quote is signed for the installation of the concrete pad.

Staff solicited new quotes from the following vendor:

\$10,170.00 Housman's Aluminum & Screening, Inc.
\$10,99.005 Palm Bay Aluminum (ballpark estimate – no site visit by contractor)

Staff recommends the BOT withdraw the April 12, 2019 award of contract for canopy to Tripod Aluminum, award a new contract for construction of a canopy to Housman's Aluminum & Screening, Inc. in the amount of \$10,170.00, and direction to staff to execute the required budget transfer from R&M/Capital Contingency.

Requested Action by BOT

Approval of TLC proposal for design of the Shopping Center Roof Replacement Project

Background and Summary Information

On July 12th, the BOT directed staff to seek a design proposal from TLC (BBRD’s engineer of record) for design of a project to remove the current sloped trussed roof and replace it with a traditional flat roof (935) plus the conversion of the shingled roof areas to metal roofs (935 and 937).

There is sufficient available Fund Balance to cover this expense.

Staff recommends the BOT approve the TLC design proposal in the amount of \$20,020.00 for the design of the replacement of the Shopping Center roof using Fund Balance and instruct staff to prepare a budget amendment for a future meeting.

July 12, 2019 agenda text:

On July 11, 2014, the BOT selected a vendor to replace the roof on the Shopping Center Building (935 Barefoot Blvd.). The vendor, selected by the BOT, installed trusses which created a pitched roof (toward the center of the formerly flat roof). Although most of the leaks were resolved, a small number of minor leaks persisted despite multiple abatement efforts by the contractor during the warranty period and other roofers after the warranty period. As part of the recent Facility Dude assessment of BBRD buildings and amenities, the pitched roof installed in 2014 was deemed “expired” due to “a roof design and/or materials which do not facilitate proper drainage.” Additionally, the report stated “An engineering study is highly recommended to properly address possible changes of roof pitch and the modification of the internal roof drainage system.”

Staff identified the following options, advantages, and disadvantages:

Option	Advantages	Disadvantages
1. Have TLC develop construction plans for removal of existing roof and installation of new roof	Maximum assurance new roof will meet modern design standards and not leak.	Increased cost and time delay due to development of construction drawings
1. Skip design and issue RFP for removal of pitched roof and	Lower cost	Less assurance new flat roof will not leak and possible delay in bidding

<i>installation of new flat roof</i>		<i>due to RFP process</i>
1. <i>Skip design and RFP process and solicit bids for removal of pitched roof and installation of new flat roof</i>	<i>Lower cost</i>	<i>Less assurance new flat roof will leak</i>
1. <i>Continue to seek roofers to attempt to locate and seal source of leaks</i>	<i>Lowest cost</i>	<i>Low probability of identifying all sources of minor leaks based on past 4 years effort to address leaks</i>

Staff recommends the BOT pursue Option #1 and have staff place a proposal from TLC on the next available agenda for development of construction drawings to remove the pitch roof and install a new flat roof.

**Re: Building A Renovations
Professional Engineering Services Proposal**

Dear Mr. Coffey:

Thank you for reaching out regarding the proposed renovations to the Barefoot Bay Shopping Center located at 935 Barefoot Boulevard in Barefoot Bay, Florida. We look forward to working with the Barefoot Bay Recreation District (OWNER) on this project. As we discussed, TLC Engineering Solutions, Inc. (TLC) proposes to provide Mechanical, Plumbing, and Structural engineering services, in addition to Architectural design services, for the project with proposed scope and fee as outlined below.

PROJECT SCOPE

We understand the project is to consist of reroofing the existing shopping center low slope roof, as well as the monoslope shingle roofs on the shopping center and dinner. The existing low slope roof over the shopping center consists of a modified bitumen membrane supported on pre-engineered wood trusses, which were installed during a previous renovation in the hopes of addressing concerns with the roof drainage. The scope of work will include removing the existing roof membrane and pre-engineered wood truss system to restore the original roof profile. A new TPO or modified membrane roof system will be specified as the new roof topping. The project will also evaluate the adequacy of the existing roof drainage system, including existing HVAC condensate drains on the roof and replace or provide additional roof drains as necessary. The existing monoslope roofs are currently finished with asphalt shingles, which will be removed and replaced with a metal standing seam roof to match that provided on the Administrative Building project. The project scope is based on information provided by John Coffey in e-mails to Colin Doyle, PE on July 19, 2019 and subsequent correspondence.

We expect that the scope of work as outlined above will need to satisfy the requirements of Reroofing and Repair as defined in the 2017 Florida Existing Building Code. Upgrading the existing building structure, plumbing, mechanical, architectural, or other systems to satisfy the requirements as outlined in the current version of the Florida Building Code in accordance with a Level 3 renovation is excluded from the scope of work.

BASIC SCOPE OF SERVICES

Basic Scope of Services shall be as outlined in AIA Document B101 – 2007 Edition – Standard Form of Agreement Between Owner and Architect, Article 3 and our current continuing services agreement. TLC shall provide professional engineering and design services for:

- a. Mechanical Engineering
- b. Plumbing Engineering
- c. Structural Engineering
- d. Architectural (Dave Nagrodsky Associates)

Mechanical Engineering scope is limited to evaluating condition of existing HVAC condensate drains on roof and providing modifications as necessary to better align with the new roof drainage system.

Plumbing Engineering scope is limited to evaluating the condition of the existing roof drainage and specifying replacement drains or additional drains as required by the architectural roof drainage plan.

TLC anticipates submittals at the following design stages:

- 50% Construction Documents
- 100% Construction Documents

One site visit for Mechanical/Plumbing, Structural, and Architectural services is included in the scope of work to assess the existing conditions relative to proposed scope of work.

One (1) design review meetings are included in TLC's proposed work scope.

Design modifications may occur during the design and construction process, because it is impossible to foresee or anticipate every design issue until the design work is completed. Modifications can result in increases or decreases in actual construction cost. Therefore, it is important that a reasonable allowance or contingency be included in the bid to accommodate any changes in design as developed for this proposal.

CONSTRUCTION PHASE SERVICES

Construction Phase Services are excluded from the scope of services.

INFORMATION TO BE FURNISHED BY THE OWNER

In addition to Owner's Responsibilities defined in AIA Document B101 – 2007 Edition – Standard Form of Agreement Between Owner and Architect, Article 5, specific information and material that impacts the design shall be provided to TLC.

ADDITIONAL SERVICES

Additional services, when requested in writing by the Barefoot Bay Recreation District, shall be performed for additional compensation. Additional Services are as defined in AIA Document B101– 2007 Edition – Standard Form of Agreement Between Owner and Architect, Article 4. Additional Services also include those items shown in ATTACHMENT A.

TLC shall submit the estimated additional services cost for approval and authorization prior to proceeding with a design.

FEE

We propose to provide the above-described basic scope of services for the following fee structure plus reimbursable expenses at 1.0 times direct cost.

• Project Management / Meetings	\$	2,600.00
• HVAC/Plumbing Engineering Fee	\$	3,640.00
• Structural Engineering Fee	\$	4,060.00
• <u>Architectural Fee</u>	\$	<u>9,720.00</u>
TOTAL	\$	20,020.00

Reimbursable expenses include all travel-related costs, (TLC’s Cocoa, Florida office to be considered point-of-origin for all trips), mileage, meals, lodging, plotting and printing (except as required for in-house coordination), photography, courier services, shipping and express mail.

Billing will be monthly, based upon percent of services completed and reimbursable expenses. Payment is due within 15 days of OWNER’s receipt of invoice.

If this proposal is acceptable, your signature below will confirm TLC’s authorization to proceed. Retain one copy and return one copy to TLC Engineering Solutions, Inc. at the address on page 1 of this proposal. This authorization constitutes OWNER’s commitment to pay the fee and reimbursable expenses. Alternatively, TLC can enter into a contract agreement with OWNER using AIA Document B101 – 2007 Edition – Standard Form of Agreement Between Owner and Architect. Please refer to ATTACHMENT D for Special Conditions to the Agreement.

We look forward to your favorable selection of TLC and the opportunity to assist your team for this and future projects. Please give me a call with any questions or comments.

Yours truly,

TLC ENGINEERING SOLUTIONS, INC.

Agenda Report

Subject: Shopping Center Roof Replacement (updated)
Dept/Office: Administration/Property Services/Shopping Center

Requested Action: Waiver of RFP policy under Exception to Competition #7 and award of contract to the most appropriate bidder

On 24Jun14, the BOT approved the FY15 Budget which contains \$55,500 in the Shopping Center R&M Buildings line item for the roof replacement project to address the leaking roof on the east side of the complex.

Unexpectedly heavy rains on 21Jun14 caused increased infiltration into the convenience store which staff has attempted to address through multiple patches and repairs. Due to the increased amount of water coming into the long-term tenant's business, staff recommends proceeding with the FY15 Budget project immediately to abate the situation. Subsequent rainfall has continued to pour into the tenant's area causing disruptions to his business and loss of merchandise.

This action would require the BOT to waive the RFP process via the exception to competition #7 and to approve a budget amendment to fund the project. Said budget amendment will use available fund balance from the SBA Capital Improvement account within the General Fund which had a balance of \$609,942.86 as of 16Jun14. If approved, the corresponding amount of budgeted funds in FY15 will not be spent and will replenish the SBA account.

Staff contacted 5 vendors and so far (as of 8Jul14) has acquired three written, signed bids:

- JAG Enterprises & Associates \$61,800 (can start work within 3 days)
- Leeward Roofing \$78,520 (combination of two separate bids of \$56,777 & \$21,743) (can start work within 2 weeks)
- All Brevard Roofing, Inc. (bid to be revised by COB 10Jul14 as owner believes he may have inaccurately-measured the work site resulting in an inaccurate bid price)

Based on the received bids, staff recommends waiver of RFP policy under exception to competition #7 and award of contract to the lowest bidder.

Exhibits Attached: Bids from JAG Enterprises & Associates, Leeward Roofing and BBRD Policy Manual language regarding competitive pricing requirements and waiver of competition.

Shopping Center Roof Replacement

BAREFOOT BAY RECREATION DISTRICT

Mr. Richard Bleau commented on Jag's work in 2005-2006 while working on a different roof in the shopping center. He stated the work was poor and recommended adding a line in the contract to include frequent visits to check progress during the length of the project.

Mr. Klosky made a motion to extend the MBV contract. Second by Mr. Diana for discussion.

Mr. Ernest Loening stated his disapproval with MBV due to the fact that he represents new developers which may conflict with the desires of the Barefoot Bay community.

Ms. Crouse and Mr. Guinther reminded the residents that we locked in our pricing with MVB not the freedom to use other firms.

Ms. Amanda Smith reiterated that we can choose our firms on a project by project basis we are not obligated to use MBV if the contract is extended.

Mr. Rick Geselle commented on some holes on the decking at Pool 1 which should be addressed.

Mr. Diana stated we should go out to RFP as Mr. Moia's work is consistently delayed and is not satisfied with jobs with work not being returned on a timely basis.

Mr. Jason Pierman reminded the Board that if we go through the CCNA process it will be a bidding process based on qualifications not price.

Mr. Klosky amended his motion to not extend MBV's contract and send the District's engineering services out to RFQ. Second by Mr. Diana Motion carried unanimously.

Manager's Report

Mr. Coffey stated the parking lot RFP has had seven downloads on the online procurement site DemandStar. The pumphouse renovation is in progress. The RFP for Pool 2 deck and pavers will be ready next Friday. Mr. Coffey needs a recommendation for a resident voting member and a trustee voting member. Mr. Klosky volunteered for the seat as trustee voting member. Attorney Repperger and SDS will have the SDS contract ready for discussion at the July 22, 2014 meeting. Mr. Diana suggested installing security cameras at the pools in response to the recent vandalism at the pools. Mr. Guinther suggested a District wide plan for security at all the pools. Said sum shall be held by Lessor as a security deposit for the faithful performance by Lessee of all of the terms, covenants and conditions of this Lease to be kept and performed by Lessee during the term hereof. If Lessee defaults with respect to any provision of this Lease, including but not limited to, the provision relating to the payment of rent and any of the monetary sums due herewith, Lessor may (but shall not be required to) use, apply or retain all or any part of this security deposit for the payment of any amount which Lessor may spend by reason of Lessee's default or to compensate Lessor for any other loss or damage which Lessor may suffer by reason of Lessee's default. If any portion of said deposit is so used or applied, Lessee shall, within ten (10) days after written demand therefore, deposit cash with Lessor in an amount sufficient to restore the security deposit to its original amount; Lessee's

failure to do so shall be a material breach of this Lease. Lessor shall not be required to keep the security deposit separate from Lessor's general funds, and Lessee shall not be entitled to interest on such deposit.

(b) If Lessee shall fully and faithfully perform every provision of this Lease to be performed by Lessee, the security deposit or any balance thereof shall be returned to Lessee (or, at Lessor's option, to the last assignee of Lessee's interest hereunder) at the expiration of the lease term and after Lessee has vacated the leased premises. In the event of termination of Lessor's interest in this Lease, Lessor shall transfer said deposit to Lessor's successor-in-interest whereupon Lessee agrees to release Lessor from liability from the return of such deposit or the account therefore.

(c) In addition to the security deposit required as provided herein above, Lessee shall deposit with Lessor the sum of twenty-five and 00/100 Dollars (\$25.00) for each key to the leased premises provided to Lessee by Lessor. If Lessee at any time requires a replacement key or fails to return all keys to the leased premises to Lessor upon termination of this Lease, Lessor may retain the applicable key deposit to compensate Lessor for all costs incurred in replacing the lost or unreturned key(s). Upon termination of this Lease and Lessee's return of the key(s) to the leased premises to Lessor, Lessee shall be entitled to the return of the applicable key deposit.

6. **Taxes.**

(a) During the term hereof, Lessee shall, pay prior to delinquency, all taxes assessed against and levied upon fixtures, furnishings, equipment and all other personal property of Lessee contained in the leased premises, and when possible, Lessee shall cause said fixtures, furnishings, equipment and other personal property to be assessed and billed separately from the real property of Lessor of Lessor. In the event any or all of Lessee's fixtures, furnishings, equipment and other personal property shall be assessed and taxed with Lessor's real property, Lessee shall pay to Lessor in share of such taxes within ten (10) days after delivery to Lessee by Lessor of a statement in writing setting forth the amount of such taxes applicable to Lessee's property. For the purpose of determining said amount, figures supplied by the Brevard County Property Appraiser as to the amount so assessed shall be conclusive. Lessee shall comply with the provisions of any law, ordinance or rule of taxing authorities which requires Lessee to file a report of Lessee's property located in the leased premises.

(b) Lessor shall also pay or cause to be paid, prior to delinquency, all real estate taxes and assessments levied or charged against the leased premises.

Any alterations, physical additions or improvements to the leased premises made by Lessee shall at once become the property of lessor and shall be surrendered to Lessor upon the termination of this Lease; provided, however, this clause shall not apply to movable equipment or furniture owned by Lessee which may be removed by Lessee at the end of the term of this lease if Lessee is not then in default and if such equipment and

furniture is not then subject to any other rights, liens and interests of Lessor. If required by Lessor, such alterations, additions or improvements shall be removed by Lessee upon the expiration or sooner termination of the term of this Lease and Lessee shall repair damage to the premises caused by such removal, all at Lessee's cost and expense. Lessee shall submit to Lessor plans and specifications for all alterations and additions at the time Lessor's consent is sought.

8. **Maintenance and Repair.** Lessor agrees to repair and maintain in good condition the roof, roof drains, sewers, outside walls, foundations and structural portions of the leased premises. (b) Lessor shall provide for maintenance and repair of parking and common areas of the Shopping Center. Except as specifically provided for herein, Lessor shall not be obligated to provide any services to Lessee. In addition, Landlord does not warrant that any such services provided to Lessee will be free from interruption due to causes beyond Lessor's control. In the event of an interruption of such services or delay in the restoration of such services, the same shall not be deemed an eviction or disturbance of Lessee's use and possession of the leased premises or rendered Lessor liable to Lessee for damages by abatement of rent or otherwise, nor shall the same relieve Lessee from performance of Lessee's obligations under this Lease.

Lessee shall pay Lessor its proportionate share of the cost of repair and maintenance expenses of the parking and common areas of the Shopping Center, including, but not limited to cleaning, common area utilities and repairs, maintenance, and replacement of sidewalks, landscaping, roofs, and painting and hurricane protection. Said proportionate share shall be based on the square footage of building which is occupied when repairs are made. At the start of the lease, in order to insure that the parking area and common areas are properly

In the event that the monthly CAM payment does not satisfy the cost of said maintenance, Lessee shall pay Lessor his proportionate share of excess within ten (10) days of receipt of the statement which evidences such excess payment. If Lessee fails to make said payment within ten (10) days of receipt of said statement, Lessee shall pay Lessor a One Hundred Dollar (\$100.00) late fee for every month said payment is not made. In the event Lessee does not pay said common area maintenance expense for two consecutive months, Lessor, at its option, may terminate said lease and take all remedies permitted by Paragraph 21 herein.

(b) **Suitability.** Lessee acknowledges that neither Lessor nor any agent of Lessor has made any representation or warranty with respect to the leased premises or with respect to the suitability of the leased premises for the conduct of Lessee's business, nor has Lessor agreed to undertake any modification, alteration or improvement to the leased premises except as provided in this Lease. The taking of possession of the leased premises by Lessee shall conclusively establish that the leased premises were at such time in satisfactory condition.

(c) **Lessee's Acceptance.** Lessee accepts the leased premises in the condition they are in on the date this Lease commences or Lessor grants occupancy, which ever occurs first. Lessee hereby acknowledges that it has received the leased premises in a thoroughly good and tenantable order, safe condition and repair of which the execution of this Lease, and Lessee's taking of possession hereunder shall be conclusive evidence.

(d) **Zoning and Occupational License.** Lessee shall be solely responsible to determine that the purpose for which he/she/it intends to use the leased premises is allowed under the current zoning and occupational license rules and regulations. Lessor makes no representations as to the permissible uses under the applicable zoning and occupational license rules and regulations.

(e) **Uses Prohibited.** Lessee hereby agrees that:

(ii) Lessee shall not do or permit anything to be done in or about the leased premises which will in any way obstruct or interfere with the rights of other tenants or occupants of adjacent property or injure or annoy them or use or allow the leased premises to be used for any unlawful or objectionable purpose, nor shall Lessee cause, maintain or permit any nuisance in, on or about the leased premises. Lessee shall not commit or suffer to be committed any waste in or upon the leased premises.

(iv) Lessee shall not leave the leased premises unoccupied or vacant. Throughout the term of this lease, the Lessee shall conduct and carry on in the leased premises the type of business for which the leased premises are leased.

For purposes of this paragraph, "Medical Facility Walk-In Clinic" shall be defined as a commercial business providing general purpose medical treatment and related services to the general public. This provision shall not in any way be deemed to restrict or prohibit the provision of any services, facilities, programs, events, or activities of any kind, including but not limited to, health and wellness events or programs, provided directly by Barefoot Bay Recreation District or any other governmental entity at or upon any non-leased facility owned and/or controlled by Barefoot Bay Recreation District, including any non-commercial services, programs, events, or activities offered by any recognized resident clubs or organizations established for the benefit of the residents of Barefoot Bay Recreation District. This paragraph shall not be deemed in any way to prohibit any other private or public medical, rehabilitation, or social service provider of any kind whatsoever from providing home health, rehabilitation, or welfare services to the residents of Barefoot Bay on any

Such insurance shall have a minimum coverage of \$500,000.00 for single occurrence and \$1,000,000.00 for more than one occurrence.

(b) **Fire and Extended Coverage.** Lessor shall take out and keep in force during the term of this Lease, at Lessor's expense, fire and extended coverage insurance on the building within which the leased premises are located, exclusive of Lessee's fixtures, personal property and equipment, in an amount determined by Lessor.

Lessee shall, prior to opening for business in the leased premises, furnish from the insurance companies certificates of coverage evidencing the existence and amounts of such insurance. All such policies of insurance shall be issued in the name of Lessor and Lessee and for the mutual and joint benefit and protection of the parties hereto, but in no event shall such policies limit Lessee's liability. All such policies shall be primary, not contributory with and not in excess of the coverage which Lessor may carry. All such policies shall contain a clause or endorsement to the effect that they may not be terminated or materially amended except after fifteen (15) days written notice thereof to Lessor. Lessee shall have the right to provide such coverage pursuant to blanket policies obtained by Lessee provided such blanket policies expressly afford the coverage required by this Lease. The failure of Lessee to obtain the insurance policy or policies required hereunder shall constitute a default under the terms of this Lease. If Lessee does not take out such insurance or keep the same in full force and effect, Lessor may, but shall be under no duty to, acquire the necessary insurance and pay the premium therefore and Lessee shall repay to Lessor the amounts so paid promptly after demand. Lessor's purchasing of said insurance shall not affect Lessor's remedies for Lessee's default.

(d) **Non-Waiver of Sovereign Immunity.** Regardless of the level or type of coverage obtained for the benefit of Lessor as described herein, Lessor does not intend that any provision of this Agreement shall in any way constitute a waiver of any defense or limit of sovereign immunity to which Lessor may be entitled pursuant to Section 768.28, F.S., or as otherwise provided by law.

13. **Assignment.** Lessee covenants and agrees not to assign, transfer, mortgage, pledge or hypothecate the leasehold or to sublet the leased premises or any part thereof without the prior written consent of Lessor, which consent may be withheld in Lessor's sole discretion. Any transfer of this Lease from Lessee by merger, consolidation or liquidation shall constitute an assignment for the purposes of this Lease. No consent by Lessor to any assignment or subletting by Lessee shall relieve Lessee of any obligation to be performed by Lessee under this Lease, whether occurring before or after such consent, assignment or subletting.

14. **Indemnification.** Lessee shall indemnify, defend and save harmless said Lessor from and against any and all claims, suits, actions, damages or causes of action arising during the term of this Lease for any personal injury, loss of life, or damage to property sustained in or about the leased premises by reason or as a result of Lessee's occupancy thereof and from and against any orders, judgments or decrees which may be entered thereon and from and against all costs, attorney's fees, expenses and liabilities incurred in and about the defense of any such claim or in the investigation thereof.

15. **Subordination.** It is agreed by Lessee that this Lease shall be subject and subordinate to any mortgage, deed of trust, or other liens now on the premises or which may hereafter be made on account of any proposed loan to be placed on said premises by Lessor to the full extent of all debts and charges secured thereby; and to any renewals, extensions and modifications of all or any part thereof which Lessor may hereafter, at any time, elect to place on said premises, and Lessee agrees upon request to hereafter execute any paper or papers which counsel for Lessor may deem necessary to accomplish that end. That in default of Lessee's doing so, Lessor is hereby empowered to execute such paper or papers, in the name of Lessee, and as the act and deed of said Lessee, and this authority is declared to be coupled with an interest and not revocable.

16. **Liens.** Lessee shall keep the leased premises, and the property in which the leased premises are located, free from any liens arising out of any work performed, materials furnished or any obligations incurred by Lessee, it being expressly acknowledged that the leasehold interest hereby leased shall not be subject to any such liens.

Lessee hereby waives any claim for damages for any injury or inconvenience to or interference with Lessee's business, any loss of occupancy or quiet enjoyment of the leased premises, and any other loss occasioned thereby. For each of the aforesaid purposes, Lessor shall at all times have and retain a key with which to unlock all of the doors in, upon and about the leased premises, excluding Lessee's vaults and safes, and Lessor shall have the right to use any and all means which Lessor May deem proper to open doors in an emergency, in order to obtain entry to the leased premises, and any entry to the leased premises

obtained by Lessor by any of said means or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the leased premises or an eviction of Lessee from the leased premises or any portion thereof.

18. **Casualty Damage.** In the event the leased premises are destroyed or so damaged by fire or other casualty during the term of this Lease so that they become untenable, then Lessor shall have the right to render said premises tenantable by making the necessary repairs within ninety (90) days after the date of written notification by Lessee to Lessor of the destruction or damage and if said premises are not rendered tenable within said time, it shall be optional with either party to cancel this Lease and, in the event of such cancellation, the rent shall be paid only to the date of such written notification of the fire or casualty. If the leased premises should only be partially damaged by fire or other casualty and Lessor chooses to repair said premises and the damage or destruction was not caused or contributed to by act or negligence of the Lessee, its agents, employees, invitees or those for whom the Lessee is responsible, the rent payable under this lease during the period for which part of the premises is uninhabitable shall be adjusted downward, proportionate with the share of the total space which is uninhabitable.

19. **Condemnation:**

(a) If the whole of the leased premises or such portion thereof as will made the leased premises unsuitable for the purpose herein leased is condemned for any public use or purpose by any legally constituted authority, then in either of such events, the Lease shall terminate as of the date when possession is taken by such public authority and rental shall be payable by Lessee only to such date.

(b) If any part of the leased premises shall be condemned and taken without causing a termination pursuant to the above paragraph, then Lessor at its option shall have the right to either terminate the Lease upon written notice within sixty (60) days after said taking, or to continue the term of the said Lease, in which event the rental shall be equitably reduced in proportion to the space so taken (but not for parking space so taken), and Lessor shall, at its own cost and expense, restore the remaining portion of the leased premises to the extent necessary to render it reasonably suitable for the purposes for which it was leased, and make all repairs to the building in which the premises are relocated to the extent necessary to constitute the building a complete architectural unit.

(c) All compensation awarded or paid upon such a total or partial taking of the leased premises shall belong to and be the property of Lessor without any participation by Lessee, and Lessee hereby assigns to Lessor any award made to Lessee, provided, however, that nothing contained herein shall be construed to preclude Lessee from prosecuting any claim directly against the condemning authority in such condemnation proceedings for loss of business, or depreciation to, damage to, or costs of removal of, or for the value of, stock, trade, fixtures, furniture, and other personal property belonging to Lessee, provided that no such claim shall diminish or otherwise adversely affect Lessor's aware.

20. **Default.** Each of the following events shall be a default hereunder by Lessee and a breach of this Lease:

(a) If Lessee shall fail to pay to Lessor any rent or sales or use tax thereon, or any other payment required to be made by Lessee, as and when the same shall become due and payable and such failure to pay shall continue for ten (10) days after the same became due and payable;

(b) If Lessee or any successor or assignee of Lessee, while in possession, shall file a petition in bankruptcy or insolvency or for reorganization or arrangement under the Bankruptcy Act of any State, or shall voluntarily take advantage of any such law or act by answer or otherwise, or shall take an assignment for the benefit of creditors, or, if Lessee be a corporation, shall be dissolved, voluntarily or involuntarily;

(c) If involuntary proceedings under any such bankruptcy law or insolvency act, or for the dissolution of a corporation shall be instituted against Lessee or such successors or assignee, or if a receiver or trustee shall be appointed of all or substantially all of the property of Lessee or such successor or assignee;

(d) If Lessee shall fail to perform or breach any of the conditions on Lessee's part to be performed and if such nonperformance or breach shall continue for a period of ten (10) days after notice thereof by Lessor to Lessee, or if such performance cannot be reasonably had within such ten (10) day period and Lessee shall not in good faith have commenced such performance within such ten (10) day period and shall not diligently proceed therewith to completion;

(e) If Lessee shall vacate or abandon the leased premises for a period of ten (10) days or more;

(f) If this Lease or the interest of Lessee hereunder shall be transferred or assigned in a manner other than herein permitted;

(g) If Lessee fails to take possession of the leased premises on the term commencement date or within seven (7) days after notice that the leased premises are available for occupancy, if the term commencement date is not fixed herein, and if such occupancy date shall not be deferred in writing by Lessor; or

(h) If Lessee fails to pay the monthly common area maintenance fee for two consecutive months.

21. **Lessor's Default Options.** In the event of the occurrence of any default specified hereunder, Lessor may, at any time thereafter, without limiting Lessor in the exercise of any right or remedy at law or in equity which Lessor may have by reason of such default or breach:

(a) Terminate this Lease, resume possession of the leased premises for its own account, and recover immediately from Lessee the entire rent for the balance of the lease term.

(b) Resume possession and re-lease or rent the leased premises for the remainder of the term for the account of Lessee, and recover from Lessee, at the end of the term or at the time each payment of rent comes due under this Lease or Lessor may choose, the difference between the rent specified in the Lease and the rent received on the re-leasing or renting.

(c) In any event, the parties agree that the Lessor shall be entitled to recover all expenses incurred by reason of any breach, including, but not limited to, the entitlement to recover reasonable attorney's fees and court costs in any action for eviction and/or for damages of any kind associated with the breach, including, but not limited to, costs of re-renting and making required alterations to the leased premises.

22. **Condition of Leased Premises upon Termination or Expiration:** Lessee shall, upon the expiration or termination of this lease, quit and surrender the leased premises, broom clean, in good condition and repair, reasonable wear and tear excepted, together with all keys and combinations to locks, safes and vaults and improvements, alterations, additions, fixtures, and equipment at any time made or installed in, upon or to the interior or exterior of the leased premises (except personal property and other unattached movable trade fixtures put in at Lessee's expense), all of which shall be the property of the Lessor without any claim by Lessee therefore, but the surrender of such property to Lessor shall not be deemed to be a payment of rent or in lieu of any rent reserved hereunder. Before surrendering the demised premises, Lessee shall remove all Lessee's said personal property and unattached movable trade fixtures and, at Lessor's option, Lessee shall also remove any improvements, alterations, additions, fixtures, equipment and decorations at any time made or installed by Lessee in, upon or to the interior or exterior of the leased premises, and Lessee further agrees to repair any damage caused thereby. If Lessee fails to remove any of Lessee's personal property and trade fixtures, said property shall, at the option of the Lessor, either be deemed abandoned and become the exclusive property of Lessor, or Lessor shall have the right to remove and store said property, at the expense of the Lessee, without further notice to or demand upon Lessee and hold Lessee responsible for any and all charges and expenses incurred by Lessor therefore. If leased premises are not surrendered as and when aforesaid, Lessee shall indemnify Lessor against all loss or liability resulting from the delay by Lessee in so surrendering the same, including without limitation, any claims made by any succeeding occupant founded on such delay. Lessee's obligation under this provision shall survive the expiration or sooner termination of this lease.

23. **Signs.** Lessee shall have the right to erect one sign of the front of the leased premises. Lessee shall obtain Lessor's written consent prior to the erection or painting of any sign at the leased premises, which consent may be withheld in Lessor's sole discretion. Lessors discretion shall be based on the size, nature, exact location, design, style, wording thereof and illumination of the proposed sign. Lessor reserves the right to use the exterior wall and roof of the leased premises, except as otherwise provided herein. Lessee shall not inscribe, paint or affix any signs, lights, advertisements, notices, placards, marquees or awnings on the exterior of the leased premises, including but not limited to the windows, doors, stairs, hallways or vestibules, without first receiving the written consent of the Lessor. No overhanging roof or projecting sign, placard, marquee or other advertisement and no paper or cardboard signs on or in the windows,

doors or exterior of the leased premises, and no sidewalk racks or other display or vending machines shall be permitted. Lessee shall, upon receiving a written request from the Lessor, remove any notice, sign, light, advertisement, placard, marquee, awning, sidewalk rack or other display or vending machine which Lessee has placed or permitted to be placed in, on or about the leased premises which, in the opinion of the Lessor, is objectionable, offensive or not in good taste, and if the tenant shall fail to do so, Lessor may re-enter the leased premises and remove same at expense of Lessee.

24. **Inability to Perform.** If parties hereto are delayed or prevented from performing any of its obligations under this Lease by reason of strikes, lock-outs, labor troubles, inability to produce materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of like nature which is not the fault of the party delayed in performing the work or doing the acts required under the terms of this lease, then performance of such act shall be executed for the period of such delay or such prevention and the period for performance of such act shall be excused for the period of such delay or such prevention and the period for performance of said act shall be deemed added to the time herein provided for the performance of any such obligation.

25. **Estoppel Certificate:**

(a) Lessee shall at any time upon not less than ten (10) days prior written notice from Lessor execute, acknowledge and deliver to Lessor a statement in writing (i) certifying that this Lease is modified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrance of the leased premises.

(b) Lessee's failure to deliver to deliver such statement within such time shall be conclusive upon Lessee (i) that this Lease is in full force and effect, without modification except as may be represented by Lessor, (ii) that there are no uncured defaults in Lessor's performance, and (iii) that not more than one month's rent has been paid in advance.

26. **Transfer of Lessor's Interest:** In the event of a sale or conveyance by Lessor of Lessor's interest in the leased premises or in any building of which the leased premises may be a part other than a transfer for security purposes only, Lessor shall be relieved from, after the date specified in any such notice of transfer, all obligations and liabilities accruing thereafter on the part of Lessor, provided that any funds in the hands of Lessor at the time of transfer in which Lessee has an interest shall be delivered to the successor of Lessor. This Lease shall not be affected by any such sale and Lessee agrees to attorn to the purchaser or assignee.

The term "Lessor" shall mean only the owner or owners at the time in question of the fee title or a Lessee's interest in a ground lease of the leased premises. The obligations contained in this Lease to be performed by Lessor shall be binding on Lessor's successors and assigns only during their respective periods of ownership.

28. **Entire Agreement:** This instrument, along with any exhibits and attachments hereto, constitutes the entire agreement between Lessor and Lessee relative to the leased premises and this Agreement and the exhibits and attachments may be altered, amended or revoked only by an instrument in writing signed by both Lessor and Lessee. Lessor and Lessee hereby agree that all prior or contemporaneous oral agreements between and among themselves and their agents or representatives relative to the leasing of the leased premises are merged in or revoked by this Agreement.

29. **Severability:** If any term or provision of this Lease shall, to any extent, be determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Lease shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law.

30. **Cost of Suit:**

(a) If Lessee or Lessor shall bring any action for any relief against the other, declaratory or otherwise, arising out of this Lease, including any suit by Lessor for the recovery of rent or possession of the leased premises, the losing party shall pay the prevailing party a reasonable sum for attorney's fees and costs which shall be deemed to have accrued on the commencement of such action and shall be paid whether or not such action is prosecuted to judgment.

(b) Should Lessor, without fault on Lessor's part, be made a party to any litigation instituted by Lessee or by any third party against Lessee, or by or against any person holding under or using the leased premises by license of Lessee, or for the foreclosure of any lien for labor or material furnished to or for Lessee or any such other person or otherwise arising out of or resulting from any act or transaction of Lessee or of any such person, Lessee covenants to save

and hold Lessor harmless from any judgment rendered against Lessor or the leased premises or any part thereof, and all costs and expenses, including reasonable attorney's fees, incurred by Lessor in or in connection with such litigation.

31. **Time; Joint and Several Liability:** Time is of the essence of this Lease and each and every provision hereof, except as to the conditions relating to the delivery of possession of the leased premises to Lessee. All the terms, covenants and conditions contained in this Lease to be performed by either party, if such party shall consist of more than one person or organization, shall be deemed to be joint and several, and all rights and remedies of the parties shall be cumulative and nonexclusive of any other remedy at law or in equity.

32. **Binding Effect; Choice of Law:** Subject to any provisions hereof restricting assignment or subletting by Lessee and subject to Section 13, all of the provisions hereof shall bind and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns. This Lease shall be governed by the laws of the State of Florida and venue shall be in Brevard County, Florida.

33. **Waiver:** No covenant, term or condition or the breach thereof shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed to be a waiver of any proceeding or succeeding breach of the same or any other covenant, term or condition. Acceptance by Lessor of any performance by Lessee after the time the same shall have become due shall not constitute a waiver by Lessor of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by Lessor in writing.

34. **Surrender of Premises:** The voluntary or other surrender of this Lease by Lessee, or a mutual cancellation thereof, shall not work as merger, and shall, at the option of Lessor, terminate all or any existing subleases or subtenancies, or may, at the option of Lessor, operate as an assignment to Lessor of any or all such subleases or subtenancies.

35. **Holding Over:** If Lessee remains in possession of the leased premises after the Lease expires or terminates for any reason and without the execution of a new Lease, Lessee will be deemed to be occupying the leased premises as a Lessee from month to month at the sufferance of Lessor. Lessee will be subject to all of the provisions of this Lease, except that the fixed rent will be at a monthly rate equal to twice the amount of a single monthly installment of fixed rent at the rate in effect for the last month of the term of this Lease. Additionally, Lessee shall also be responsible for any and all other consequential and actual damages incurred by Lessor for Lessee's failure to surrender the premises as required. The provision does not give Lessee any right to hold over at the expiration of the term of this Lease, and shall not be deemed to be a renewal of the Lease term, either by operation of law or otherwise.

36. **Abandoned Property:** BY SIGNING THIS LEASE, LESSEE AGREES THAT UPON SURRENDER OR ABANDONMENT, AS DEFINED BY THE FLORIDA STATUTES, LESSOR SHALL NOT BE LIABLE OR RESPONSIBLE FOR STORAGE OR DISPOSITION OF LESSEE'S PERSONAL PROPERTY.

37. **Notices:** Written notice required to be provided to either party pursuant to this Lease Agreement shall be sent via U.S. Mail to the parties at the following addresses, unless a party advises the other of a modification to its contact address in writing:

Terry,

I am currently drafting the above-referenced Lease Agreement; however, I have just asked Mr. Henley to provide me with certain information that will not be available until Monday, July 22, 2019. Once Mr. Henley has an opportunity to provide the requested information to me on Monday, I will finalize my draft lease and send to you for forwarding to the tenant.

In the meantime, there are a few items I need your input on:

1. Please provide the proper corporate name and lease signatory information (if not Ralph Taylor) for the tenant.
2. Charles Henley has advised me that the tenant has requested that a non-compete clause to be added to the lease. If so, this will need to be brought back to the Board of Trustees on August 9, 2019. If this is something the tenant will require, please advise me of the same.
3. Regarding the space behind the restaurant, the lead time on BBRD preparing that space for rental is six (6) months. We can prepare a separate addendum or amendment to the Lease when that space is available if the tenant desires it. Mr. Henley is currently working up the rental figures for that space. Please be advised that the "vault" door located in the space was previously removed by BBRD.
4. Regardless of whether this lease is presented to the Board on August 9, 2019 (if a non-compete clause is desired), BBRD is prepared to allow for access to the space on August 1, 2019 as long as adequate insurance coverage/liability acceptance assurances are provided by the tenant. We can discuss access to the space next week as we move forward with the draft lease documents.

If you have any questions or concerns, please feel free to let me know.

Best regards,

Cliff Repperger

Requested Action by BOT

Consideration of a proposal by Sebastian River Medical Center (SRMC) to lease the BBRD Shopping Center Space Building 2, part of Space 2 (currently used by BBRD as records storage).

Background and Summary Information

On July 12, 2019 the BOT accepted an offer by the Sebastian River Medical to lease the BBRD Shopping Center Building 2, Space 3 for a duration of 3 years. SRMC has subsequently requested additional adjoining space in the BBRD Shopping Center if available.

The only adjoining space available is Building 2, Part of Space 2.

Tenant	Building & Space Number	SQ footage	Rent	\$ Sq Ft	CAM	\$ Sq Ft	RE Tax	\$ Sq Ft	Total Annual Revenue
Record office	2- part of 2	457	4,570.00	10.00	740.34	1.62	566.68	1.24	5,877.02

BBRD currently utilizes Building 2, part of Space 2 for records storage. Approximately 6 months and an unbudgeted \$5,500 would be required for BBRD to vacate the space as staff would need to purchase and retrofit a second shipping container to be used to store records currently housed in said space.

BBRD would realize just under \$14,700 over the remaining term of the Building 2 Space 3 lease.

Sufficient fund balance is available to purchase and retrofit a second shipping container

Staff recommends the BOT accept the proposal and instruct staff to procure a second shipping container for storage purposes and place a budget amendment on a future agenda for approval.

Requested Action by BOT

Award of contract for replacement of Federal Pacific Electrical (FPE) panels and transformer in Building C and the Lounge.

Background and Summary Information

One of the many findings of the recently completed facilities assessment was the need to replace the existing FPE panels and transformers. While the report stated they were known fire hazards, a detailed examination by TLC electrical engineers determined they were not in eminent danger of catching fire, but still beyond their economic useful lifespan. Due to the planned re-issuance in FY20 of a combined RFP for Building A work (electrical infrastructure upgrade, HVAC upgrade, and kitchen expansion), staff requested TLC develop a separate set of construction plans to permit BBRD to replace the FPE panels sooner while ensuring the work was complimentary to the planned larger project in 2020. Hence, the scope of work for this agenda memo purposely excludes the Building A related work.

Staff solicited two quotes as listed below:

- \$7,400.00 Complete Electric, Inc.
- \$11,700.00 Advanced Electrical Systems, Inc.

There is sufficient available fund balance for this project within the General Fund.

Staff recommends the BOT award a contract for replacement of FPE panels and transformer at Building C and Lounge to Complete Electric in the amount of \$7,400.00 and instruct staff to prepare a budget amendment to recognize the use of fund balance at a future BOT meeting

Overview of Findings

The Facility Condition Assessment and District implementation project included 14 permanent facilities. The average FCI for the facilities assessed is 14 while the average FCI in five years is estimated to be 17 assuming current facility sustainment funding levels. The assessment team made the following general observations:

1. The facilities assessed were generally in fair condition. The common age of the systems placed many outside their expected useful life according to BOMA. In some cases, additional testing such as infrared electrical testing and water quality testing could add additional useful life to expired systems. If extended a reassessment is recommended in 3-5 years to properly anticipate capital replacement.
2. Some of the electrical service and distribution systems were past their useful life as defined by BOMA. It is recommended that infrared testing be performed on these systems prior to extending their life cycles.
3. The Federal Pacific Electrical Panels that were assessed were failed upon immediate observation due to a known fire hazard caused by an overcurrent or short circuit. This defect has been associated with structural fires. It is recommended that these panels be replaced immediately.
4. Too often, exhaust fans are ignored until malfunction occurs. Residues can build up and cause the system to slow down. Slowdown may be a gradual process, not noticeable at first. This can be serious and result in illness and even liability issues.
5. The roofing system for Shopping Center 935 was expired even though the system is relatively new. This was, in large part, because of a roof design and/or materials which do not facilitate proper drainage. An engineering study is highly recommended to properly address possible changes of roof pitch and the modification of the internal roof drainage system.
6. Asphalt pavements and milling/overlay were generally in fair condition except for a few locations. A more extensive seal coating and overlay program will extend useful life of pavements and reduce the necessity of reconstruction.
7. The roofing systems were generally in good condition throughout the facility; however, there were a few roofs that were observed or reported to be leaking. These locations should be addressed immediately before more systems are affected as a result of leaking roofs.
8. Some of the buildings assessed were constructed prior to 1985. It is recommended that any building constructed before 1985, have a water quality test performed on regular basis. Pre-1985 construction materials included lead based solder used for pipe joint union.

Re: FPE Electrical Panel Replacements

Complete Electric, Inc. Is Pleased To Present You, With Our Proposal Detailed Below:

Scope of Work: Replace the remaining Federal Pacific Electrical Panels or "FPE" panels that are located in Building C and the Lounge Electrical Room. Details, notes and exclusions listed below.

**No fees are included at this time for weekend or overtime rates to replace this panel. FPL would also charge a premium after hour's fee for weekend power outage if that was the direction you wanted to take. No fees are included for rental generator or connection of rental generator at this time.

- **Replace Panel HDC** located in Building C air handler closet. This will require power to be off to panel HDC for at least 6 to 8 hours. New panel will be a 277/480V three phase, MLO panel board with all new factory installed bolt in breakers.
- **Replace the 45KVA Transformer in the Lounge Electrical room** with a new 45KVA 480V primary, 120/208V three phase secondary transformer. The new Transformer will be larger than the existing. Clearance in this room is tight to begin with. This will also require the 120/208V panel be replaced with one that has a Main Breaker. New 120/208V 125A Main Breaker three house panel and all new breakers included for this work. There will be an 8 hour power outage to this panel while work takes place.
- Label all new panels upon completion and coordinate final inspection.

TOTAL QUOTE: \$7400.00

NOTES & EXCLUSIONS:

- Only the items listed above are included in this quote. If further work is requested it will be completed at a separate time and material rate.
- Barefoot Bay to handle any stucco patching, drywall repair and/or paint touch up.
- One permit fee is included for replacement of all (5) panels. If Brevard County requires (5) permits, additional fees will apply.

- Complete Electric Inc cannot guarantee or warranty any existing underground feeders to any of these FPE panels. All UG feeders are existing and will remain in use.
- All existing branch circuitry that exits these panels will remain as is.
- No additional troubleshooting or repairs down stream of these panels is included in our quote.
- All work to take place during normal business hours. No fees are included for scheduled overtime, or weekend work.

If The AHJ Requires Additional Devices Or Items Not Indicated On The Plans, Or Not Included In The Specifications They Will Be Added At Additional Cost. Quote Based On Working Hours, 7:00 AM – 3:30 PM. Damage Resulting From the Installation Of Our Scope Of Work To Underground Items That Have Not Been Identified By Locates Will Not Be The Sole Responsibility Of The Electrical Contractor.

No Permit fees or FPL fees are included in the above quote. Quote is valid for 30 days. All Work will be performed in accordance to the National Electric Code standards and local ordinances. Please contact us if we can provide you with any additional information.

If work does not commence within 30 days of the date of this proposal, or if work is delayed after the designated start date, Complete Electric, Inc. reserves the right to increase the price to the current material cost at that time.

Based on the previous agenda memo recommendation and the timing of future BOT meetings (next one is on September 13th), staff did not solicit a second bid as it is very unlikely the higher priced vendor (58% higher) would be lower than the previous low bid for similar work. Hence, the bid received is listed below.

\$28,900.00 Complete Electric, Inc.

This project should lower the cost of the combined Building A Renovations Project planned for next summer.

There is sufficient available fund balance for this project within the General Fund.

Staff recommends the BOT waive the second bid requirement and award a contract for replacement of Building A FPE panels to Complete Electric in the amount of \$28,900.00 and instruct staff to prepare a budget amendment to recognize the use of fund balance at a future BOT meeting.

The average FCI for the facilities assessed is 14 while the average FCI in five years is estimated to be 17 assuming current facility sustainment funding levels. The assessment team made the following general observations:

1. The facilities assessed were generally in fair condition. The common age of the systems placed many outside their expected useful life according to BOMA. In some cases, additional testing such as infrared electrical testing and water quality testing could add additional useful life to expired systems. If extended a reassessment is recommended in 3-5 years to properly anticipate capital replacement.
2. Some of the electrical service and distribution systems were past their useful life as defined by BOMA. It is recommended that infrared testing be performed on these systems prior to extending their life cycles.
3. The Federal Pacific Electrical Panels that were assessed were failed upon immediate observation due to a known fire hazard caused by an overcurrent or short circuit. This defect has been associated with structural fires. It is recommended that these panels be replaced immediately.
4. Too often, exhaust fans are ignored until malfunction occurs. Residues can build up and cause the system to slow down. Slowdown may be a gradual process, not noticeable at first. This can be serious and result in illness and even liability issues.
5. The roofing system for Shopping Center 935 was expired even though the system is relatively new. This was, in large part, because of a roof design and/or materials which do not facilitate proper drainage. An engineering study is highly recommended to properly address possible changes of roof pitch and the modification of the internal roof drainage system.
6. Asphalt pavements and milling/overlay were generally in fair condition except for a few locations. A more extensive seal coating and overlay program will extend useful life of pavements and reduce the necessity of reconstruction.
7. The roofing systems were generally in good condition throughout the facility; however, there were a few roofs that were observed or reported to be leaking. These locations should be addressed immediately before more systems are affected as a result of leaking roofs.
8. Some of the buildings assessed were constructed prior to 1985. It is recommended that any building constructed before 1985, have a water quality test performed on regular basis. Pre-1985 construction materials included lead based solder used for pipe joint union.

Re: FPE Electrical Panel Replacements

Complete Electric, Inc. Is Pleased To Present You, With Our Proposal Detailed Below:

Scope of Work: Replace the remaining Federal Pacific Electrical Panels or "FPE" panels that are located in Building A based on the engineered plans provided by TLC Engineering dated 7-29-19. Acquire Brevard County permit for panel replacements. Signed and sealed engineered drawings for the permitting will be provided by TLC. All fees for engineered plans to be paid direct by Barefoot Bay to TLC engineering.

- **Replace the 800A Main Distribution Panel HDA** in Building A main electrical room. This will require FPL power outage to the ENTIRE facility. It may even require a brief power outage to the new Admin Office since it is fed from the same FPL transformer. New Panel will be an 800A 277/480V three phase Main Breaker type panel board with all new factory installed bolt in style breakers.
- **Replace Panel B** in the kitchen with new. This will require the power to Panel B to be off for at least 8 to 10 hours. There will be a need for some wall cutting around the panel. There may also be a need for some minor repairs, stucco and painting around this new panel upon completion. Barefoot Bay maintenance to handle these wall repairs and painting touch up. The new panel for the Kitchen will be 24" wide x 72" tall, and will be made from Stainless Steel per notes on the plans.
- **Replace Panel A** in the storage/audio closet located behind the service bar inside Building A main hall. This will require the power to Panel A to be off for at least 8 to 10 hours. The storage closet to the left of the panel will have to be removed prior to starting work. We need to have proper working clearance for the new panel.
- **Replace Panel AL** in the Main Electrical room with new. This will require the power to be off to Panel AL for 6 to 8 hours.
- **Surge Protection:** Supply and install (3) 100KA and (1) 200KA surge devices where indicated on the engineered plans.
- Label all new panels upon completion and coordinate final inspection.

**No fees are included at this time for weekend or overtime rates to replace this panel. FPL would also charge a premium after hour's fee for weekend power outage if that was the direction you wanted to take. No fees are included for rental generator or connection of rental generator at this time.

TOTAL QUOTE: \$28900.00

NOTES & EXCLUSIONS:

- Only the items listed above are included in this quote. If further work is requested it will be completed at a separate time and material rate.
- Barefoot Bay to handle any stucco patching, drywall repair and/or paint touch up.
- One permit fee is included for replacement of all (5) panels. If Brevard County requires (5) permits, additional fees will apply.
- Complete Electric Inc cannot guarantee or warranty any existing underground feeders to any of these FPE panels. All UG feeders are existing and will remain in use.
- All existing branch circuitry that exits these panels will remain as is.
- No additional troubleshooting or repairs down stream of these panels is included in our quote.
- All work to take place during normal business hours. No fees are included for scheduled overtime, or weekend work.

If The AHJ Requires Additional Devices Or Items Not Indicated On The Plans, Or Not Included In The Specifications They Will Be Added At Additional Cost. Quote Based On Working Hours, 7:00 AM – 3:30 PM. Damage Resulting From the Installation Of Our Scope Of Work To Underground Items That Have Not Been Identified By Locates Will Not Be The Sole Responsibility Of The Electrical Contractor.

No Permit fees or FPL fees are included in the above quote. Quote is valid for 30 days. All Work will be performed in accordance to the National Electric Code standards and local ordinances. Please contact us if we can provide you with any additional information.

If work does not commence within 30 days of the date of this proposal, or if work is delayed after the designated start date, Complete Electric, Inc. reserves the right to increase the price to the current material cost at that time.

Award of contract for Miniature Golf Course parameter fencing.

Background and Summary Information

Conversion of the western shuffleboard courts to a 18-hole miniature golf course is a budgeted project (originally a part of a grant proposal but later transitioned to a BBRD funded project). The project is scheduled for completion within the next 45 days, and during a walk-through of the site, coupled with the quality of vertical structures built by a local artisan, staff realized a 4-foot high parameter fence (with two 10 foot gates) would be prudent given the on-going petty vandalism at the adjacent playground and basketball court areas.

Staff solicited new quotes from the following vendors:

\$12,000.00	Palm Bay Fence
\$14,248.00	AAA Quality Fence (Does not include permitting. The vendor stated he thinks permitting cost will be \$300-\$500)

Staff recommends the BOT award contract for fence installation to Palm Bay Fence in the amount of \$12,000.00 plus permitting for installation of a 4-foot tall parameter chain link fence at the miniature golf course site.

Discussion of merits of proceeding with the project and direction to staff.

Background and Summary Information

Historically, BBRD used 400,000 BTU heaters for each pool during the winter season. The thermostats were supposed to be set at 86 degrees Fahrenheit (although at some point circa 2017-2018 a rouge employee lowered them to 84 degrees). As the heaters typically broke under stress from running 24-hours in the winter, each winter the pools were closed while parts were shipped from the manufacturer in Wisconsin. In Winter 2016/2017 all three heaters failed at the same time causing a huge uproar among the pool going public. Instead of just purchasing another 400,000 BTU heater, staff requested the local vendor who installs and maintains the propane fueled heaters to provide his recommendation to the proper sizing of the heaters. Based on input from the manufacturer, the recommendations received were:

1. Install 4 400,000 BTU heaters in a series (like old Christmas tree lights) or
2. Install a 1,000,000 BTU heater and lower the temperature setting to 80-82 degrees Fahrenheit.

Staff authorized the procurement of the first heater, which was later confirmed by the BOT. Later the BOT authorized the replacement of the other two pool heaters with the larger 1,000,000 BTU units. Needless to say, when air temperatures dipped below 80 degrees Fahrenheit, many pool users started to complain. As a compromise, staff proposed install pool covers to decrease the loss of heat at night during the winter. The installation of the Pool #1 cover was included in the FY19 Year-end Estimate (within the FY20-24 5yrFM&CIP) while the covers for the other two pools are budgeted for FY20.

When staff began to solicit commercial grade automatic covers (manual covers were quickly deemed impractical due to the risk of increased workers compensation claims related to moving the heavy covers by hand) an exclusive installation arrangement was discovered where one individual is the sole installer of the three top rated automatic cover systems. As attached, the quote for installation of an automatic pool cover for pool #1 is fraught with peril as the vendor will not pull the building department and health department permits nor will he do the electrical or surface restoration work.

Due to the past experience in having multiple vendors involved on one project (i.e. greens resurfacing, Shopping Center roof replacement, softball infield, etc.) the Community Manager is hesitant to proceed with this project as quoted. Although enduring more winter seasons of unhappy pool users is not desirable, neither is starting a project late in the summer that appears headed towards delays and conflicts among vendors.

Staff requests the BOT discuss the merits of this project and direction to staff on how to proceed. If the BOT wishes to proceed, a motion to approve the attached quote would be appropriate under this agenda item.

Review and adopt Revised *Rules for the BOT*.

Background and Summary Information

In early 2019, Chairman Klosky raised the subject of strengthening the prohibition against nepotism within the *Rules for the BOT* by adding a clause prohibiting immediate family members of Trustees from working as employees of BBRD. At that time there was a consensus not to proceed. In late Spring, Trustee Henderson asked that this topic be re-addressed. Additionally, Chairman Klosky asked that language requiring newly elected Trustees to attend the annual Florida Association of Special Districts (FASD) Conference be added to the *Rules for the BOT*. Of note, a similar nepotism clause is proposed to be added to the revised *Employee Handbook* later in this meeting.

Community Manager Coffey, ICMA-CM recommends the BOT adopt the revised Rules for the BOT as attached.

Requested Action by BOT

Review and adopt Revised *Employee Handbook*.

Background and Summary Information

In early 2019, Chairman Klosky raised the subject of strengthening the prohibition against nepotism within the Rules for the BOT (and in the BBRD Employee Handbook) by adding a clause prohibiting immediate family members of Trustees from working as employees of BBRD. At that time there was a consensus not to proceed. In late Spring, Trustee Henderson asked that this topic be re-addressed. Additionally, staff has identified a few minor changes that will bring clarity to existing language. Said proposed changes are as follows (with strikethrough and underline format):

Page 7. Addition of the following language strengthening the current prohibition against nepotism
Immediate family members of a Trustee shall be prohibited from formal employment or serving in a volunteer capacity (i.e. Golf-Pro Shop Player Assistants, Courtesy Golf Cart Drivers, etc.) with the District during the term(s) of service of said Trustee. This prohibition shall begin upon the post-election or post-appointment formal commencement of the term of the Trustee. Any family members of a Trustee classified as a current employee (whether working or on approved leave) as of August 9, 2019 will be exempt from this prohibition until the employee separates employment. Immediate family members falling within this prohibition shall be eligible for reemployment with District upon the expiration of the term(s) of the Trustee to which they are related. For purposes of this prohibition, "immediate family member" is defined as one of the following: spouse or significant other, parent/step parent, child/step child, grandparent, grandchild, brother/brother-in-law, sister/sister-in-law, uncle, aunt, nephew, niece, first cousin, in-laws (father, mother, son daughter).

Page 15. Deletion of language stating paychecks will be mailed (no longer the practice of the Finance Department) and addition of language stating when they can be picked up by the employee.

Paychecks are deposited no later than Thursday following the end of the pay period. If the employee does not choose direct deposit, the paychecks will be ~~mailed by the payroll company directly to the employee's address of record~~ available for pick up by the employee starting at 4pm on Thursdays following the end of the pay period.

Page 18. Correction of grammatical errors regarding the Longevity Milestone Award Program

~~Eligibility~~ Full-time, and part-time active employees become eligible for a milestone recognition award of bonus days off in the year in which they complete five, 10, 15, 20, 25, 30, 35 and 40 years of service.

Page 22. Addition of mandatory drug testing requirement for reasonable suspicion of drug or alcohol use.

Employees are subject to mandatory drug testing as provided for in the BBRD Drug Free Workplace Policy immediately after any vehicular accident while at work and/or on duty that the employee has caused, contributed to, or been involved in. Additionally, mandatory drug testing may be required if the supervisor has reasonable suspicion of drug or alcohol based upon performance of the individual in her/his job. This provision shall apply regardless of whether employee is driving a District owned vehicle or a vehicle owned by any other party.

Page 26. Deletion or reference to the old Resident Relations Office and addition of a reference to the New Administration Building.

Leisure clothes such as jeans, shorts, cut-offs or halter tops are not acceptable attire for the business office, which includes the New Administration ~~Building Office and Resident Relations.~~

~~Regular Full-time employees Vacation Time is accrued in hours, once a month, on the first pay period after the 15th.~~
~~Regular Part-time employees Vacation Time is accrued in hours, once a month, on the first pay period of the following month.~~

No payment shall be made for unused sick leave except at retirement, resignation or layoff.

WELCOME TO BAREFOOT BAY RECREATION DISTRICT

Welcome to the Barefoot Bay Recreation District (the “District”). The purpose of this employee handbook (“Handbook”) is to familiarize employees with the various aspects of working for the District. We feel it will be a useful reference tool for all employees. We encourage you to use it to better understand the policies and procedures relating to your employment with the District. Our policies, practices and benefits are continuously reviewed and are updated from time to time. If you have any questions regarding the items discussed in this Handbook, please ask for clarification from Department Manager. For the purpose of this Handbook, the term “Human Resources” or “HR” refers to a Barefoot Bay employee assigned duties which include Human Resource Coordinator and who is supported by the BBRD HR consultant. This employee handbook supersedes any and all prior employee policies, procedures, and handbooks of the District. The District reserves the right to modify, supplement, rescind, or revise any part of this handbook from time to time as it deems necessary or appropriate in its sole discretion with or without notice to you. These provisions may not be amended or added to without the express written approval of the Barefoot Bay Recreation District Board of Trustees.

BAREFOOT BAY RECREATION DISTRICT’S PHILOSOPHY

OPEN-DOOR POLICY

We strive to provide an environment where two-way communication is encouraged, thereby fostering a warm, friendly and harmonious work environment.

Employees are encouraged to bring their work-related questions, problems, suggestions or complaints to their immediate supervisor, who will respond within 10 calendar days. If employees are dissatisfied by their supervisor’s response and further follow-up is needed, employees may address their concern with their supervisor’s superior and/or the Community Manager who will respond within 10 calendar days.

Periodically, employees may not feel comfortable discussing a sensitive matter with their supervisor. In such situations, Human Resources can provide confidential counseling and help the employee choose an appropriate manner to address their concern.

In order for the District to properly respond to your concerns, employees should bring their concerns to the attention of management or the HR Department. Employees may not always receive the response they are looking for, however their issue will be promptly addressed and an explanation given as to why a particular action was taken. This open door policy helps small problems stay small, where they are most easily resolved.

Steps to take if you have concerns:

- Bring the situation to the attention of your immediate supervisor, or a member of management and discuss it privately
- If you feel the situation has not been resolved, make an appointment to discuss the situation with your supervisor’s superior and/or the Community Manager
- If you have followed steps 1 and 2, and still feel that the situation has not been satisfactorily resolved, or in situations regarding a sensitive manner you may contact Human Resources who will assist in addressing your concerns.

Your position will not be jeopardized for bringing a legitimate problem or concern to management's attention. Working together to address common issues and concerns enables us to implement mutually-beneficial solutions to problems.

CODE OF ETHICAL CONDUCT

In order to avoid any appearance of a conflict of interest, employees are expected to abide by the following code of ethical conduct. Please consult your Department Manager or the Community Manager if you have any questions.

As public employees, we are bound by the "Code of Ethics for Public Officers and Employees" set forth in the Florida Statutes, Chapter 112, Part III. The efficient and faithful performance of our duties is very important, therefore any infraction of applicable laws regarding ethical and legal conduct will be cause for potential discipline, up to and including termination. Additionally, some acts which are breaches of the trust the public has placed in us are crimes and may be prosecuted under Florida law.

Employees of the District should not solicit anything of value from any person or organization with which the District has a current or potential relationship.

Employees may not accept items valued over \$15 received in course of business from suppliers or vendors. Such items may include gifts, food, drink and entertainment.

If you are faced with and are unsure how to handle a situation that you believe has the potential to violate this code of ethical conduct, notify your Department Manager or Community Manager.

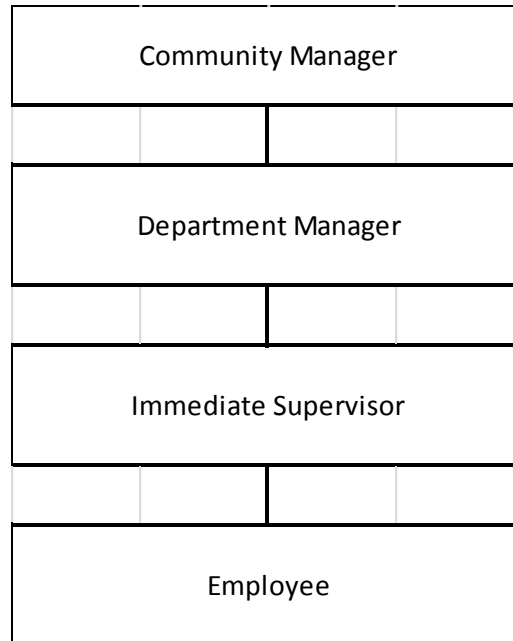

Violations of this code may lead to disciplinary action, up to and including termination.

LOYALTY OATH

Florida law requires all employees to take an Oath of Loyalty when they are hired. Any individual who refuses to take an Oath of Loyalty will not be hired. As a public employee, you will be required to take and sign an Oath of Loyalty to the Constitution of the United States and the State of Florida. The law requires the termination of a person who refuses to take an Oath of Loyalty.

CHAIN OF COMMAND

Every employee, upon receipt of this manual, is presumed to know the applicable chain-of-command that pertains to him or her. Employees are expected to follow the chain of command when dealing with matters that relate to your job responsibilities. Sensitive matters and concerns of a legal nature can be brought to the attention of the HR Department or another member of management.

PROHIBITION AGAINST NEPOTISM

It is the policy of the District to avoid hiring relatives into the workplace whenever possible. However, on occasion more than one relative may work for the District. A relative is defined as an individual who is related to the employee as grandfather, grandmother, father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother or half-sister. The following guidelines will govern these situations:

- Under no circumstances will an individual be appointed, employed, retained, promoted or transferred to any position where a relative has direct supervision, jurisdiction or control over that position. If two employees become related while working for the District, they are subject to this policy and must immediately notify HR.
- Related persons will not be involved in evaluation of each other's job performance or in making recommendations for salary adjustments, promotions, or other budget decisions.
- Related employees shall not be employed in the same department.
- Immediate family members of a Trustee shall be prohibited from formal employment or serving in a volunteer capacity (i.e. Golf-Pro Shop Player Assistants, Courtesy Golf Cart Drivers, etc.) with the District during the term(s) of service of said Trustee. This prohibition

shall begin upon the post-election or post-appointment formal commencement of the term of the Trustee. Any family members of a Trustee classified as a current employee (whether working or on approved leave) as of August 9, 2019 will be exempt from this prohibition until the employee separates employment. Immediate family members falling within this prohibition shall be eligible for reemployment with District upon the expiration of the term(s) of the Trustee to which they are related. For purposes of this prohibition, "immediate family member" is defined as one of the following: spouse or significant other, parent/step parent, child/step child, grandparent, grandchild, brother/brother-in-law, sister/sister-in-law, uncle, aunt, nephew, niece, first cousin, in-laws (father, mother, son daughter).

Internal Recruitment/Transfers/Promotions

Management may post vacant positions internally only when the department manager, Community Manager and H.R. Coordinator believe two or more current employees are qualified for the position. Employees with more than six months of service may apply for internally-posted positions.

Management may transfer employees between departments and facilities to meet specified work requirements and reassign work requirements as needed. When a transfer is required and there are two or more qualified employees, that are in the position to be transferred, the H.R. Coordinator will work with affected Department Managers to identify the most suitable employee.

The Community Manager may directly promote an employee to critical administrative/management positions, without advertising the position, when it is in the best interest of the District. To be considered, employees must have held their current position for at least six months and have a satisfactory performance record. The Community Manager retains the discretion to make exceptions to the policy.

EQUAL EMPLOYMENT OPPORTUNITY (EEO)

It is the policy of the District to provide equal employment opportunity to all employees and applicants for employment and not to discriminate on any basis prohibited by law, including race, color, sex, age, religion, national origin, disability, sexual orientation, marital status or status as a veteran in accordance with applicable state and federal laws. It is our intent and desire that equal employment opportunities will be provided in employment, recruitment, selection, compensation, benefits, promotion, demotion, layoff, termination and all other terms and conditions of employment. The Barefoot Bay Board of Trustees', Community Manager, and all managerial personnel are committed to this policy and its enforcement.

Employees are directed to bring any violation of this EEO policy to the immediate attention of any member of management and the HR Department who will promptly bring the matter to the attention of the Community Manager for investigation and resolution. Any employee who violates this policy or knowingly retaliates against an employee reporting or complaining of a violation of this policy shall be subject to immediate disciplinary action, up to and including discharge. Complaints brought under this policy will be promptly investigated and handled with due regard for the privacy and respect of all involved.

NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

It is the policy of the District that you should be able to enjoy a work atmosphere free from all forms of discrimination, including sexual harassment. Each employee has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits discriminatory practices, harassment and retaliation.

The District prohibits and does not tolerate any such discrimination or harassment.

Definitions of Sexual Harassment

Sexual harassment constitutes discrimination and is illegal under federal, state, and local laws. For purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Sexual harassment may include a range of subtle and not so subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, behaviors may include, but are not limited to: unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess or sexual deficiencies; leering, catcalls or touching; insulting or obscene comments or gestures; display or circulation in the workplace of sexually suggestive objects or pictures (including through email); and other physical, verbal or visual conduct of a sexual nature. Sex-based harassment - that is, harassment not involving sexual activity or language e.g., male manager yells only at female employees and not males - may also constitute discrimination if it is severe or pervasive and directed at employees because of their sex.

Other Forms of Harassment

Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, national origin, age, disability, marital status, genetic predisposition or carrier status, sexual orientation or any other characteristic protected by law or that of his/her relatives, friends or associates, and that: (1) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance, or (3) otherwise adversely affects an individual's employment opportunities. Harassing conduct includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes and display or circulation in the workplace of written or graphic material that denigrates or show hostility or aversion toward an individual or group (including through email).

Individuals and Conduct Covered

These policies apply to all applicants, and employees, and prohibit harassment, discrimination and retaliation whether engaged in by fellow employees, by a supervisor or manager or by someone not directly connected to the District, e.g., and outside vendor, consultant or residents.

Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, business meetings and business-related social events.

Retaliation is Prohibited

The District prohibits retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports. Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action.

Reporting an Incident of Harassment, Discrimination or Retaliation

The District strongly urges the reporting of all incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Individuals who believe they have experienced conduct that they believe is contrary of the District's policy or who have concerns about such matters should file their complaints with their immediate supervisor or Human Resources before the conduct becomes severe or pervasive. Employees should feel free to file their complaints with any member of management and/or Human Resources.

Employees who have experienced conduct they believe is contrary to this policy have an obligation to take advantage of this complaint procedure. An employee's failure to fulfill this obligation could affect his or her rights in pursuing legal action. Please note, federal, state and local discrimination laws establish specific time frames for initiating a legal proceeding pursuant to those laws.

Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment. Therefore, while no fixed reporting period has been established, the District strongly urges the prompt reporting of complaints or concerns so that rapid and constructive action can be taken. The District will make every effort to stop alleged harassment before it becomes severe or pervasive, but needs the cooperation of employees in order to do so.

The availability of this complaint procedure does not preclude individuals who believe they are being subjected to harassing conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that it be discontinued.

It is important that each employee play a role in preventing or eliminating sexual or any other harassment by:

- Examining his/her own behavior in the workplace to be sure that he/she is not engaged in offensive conduct
- Making it clear that he/she does not approve of actions or conduct that may be offensive
- Supporting the District's policy against harassment
- Promptly informing the person or persons involved that they should stop engaging in the conduct which is offensive or objectionable to the employee
- Promptly bringing the matter to the attention of their immediate supervisor, a member of management or Human Resources

The Investigation

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly, thoroughly and impartially by management and Human Resources. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have

observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent consistent with adequate investigation and appropriate corrective action.

Responsive Action

Misconduct constituting harassment, discrimination or retaliation will be dealt with promptly and appropriately. Responsive action may include, for example, training, referral to counseling, monitoring of the offender and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reduction of wages, reassignment, temporary suspension without pay or termination, as the District believes appropriate under the circumstances.

If an employee making a complaint does not agree with its resolution, the employee may appeal the decision to the Community Manager.

Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in work-related social activities or discussions in order to avoid allegations of harassment. The law and the policies of the District prohibit discrimination on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and perquisites of employment. The prohibitions against harassment, discrimination and retaliation are intended to complement and further these policies, not to form the basis of an exception to them.

AMERICANS WITH DISABILITIES ACT POLICY STATEMENT

The Americans with Disabilities Act (“ADA”) and the Americans with Disabilities Amendments Act, known as the ADAAA, are federal laws that prohibit employers with 15 or more employees from discriminating against applicants and individuals with disabilities and that, when needed, provide reasonable accommodations to applicants and employees who are qualified for a job, with or without reasonable accommodations, so that they may perform the essential job duties of the position.

A disability is:

- A physical or mental impairment that substantially limits one or more major life activities; or
- A record of such impairment (with respect to an individual); or
- An impairment which substantially limits a major life activity (with respect to any individual regarded as having the same); or
- Having a relationship or association with someone who has a known disability.

Reasonable Accommodation

It is the policy of BBRD to comply with all federal and state laws concerning the employment of persons with disabilities and to act in accordance with regulations and guidance issued by the Equal Employment Opportunity Commission (“EEOC”). Consistent with this policy of nondiscrimination, the District will provide reasonable accommodations to a qualified individual with a disability, as defined by the ADA, who has made the District aware of his or her disability, provided that such accommodation does not constitute an undue hardship on the District.

BBRD will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job unless doing so would result in an undue hardship to the District or impose a

direct threat to the safety of the employee or others in the workplace and the threat cannot be eliminated by reasonable accommodation. The District encourages individuals with disabilities to come forward and request reasonable accommodation. Contact Human Resources with any questions or requests for accommodation.

Procedure for Requesting an Accommodation

On receipt of an accommodation request, a member of Human Resources will meet with you to discuss and identify the precise limitations resulting from the disability and the potential accommodation the District might make to help overcome those limitations.

The District will determine the feasibility of the requested accommodation considering various factors, including, but not limited to the nature and cost of the accommodation, and the accommodation's impact on the operation of the District, including its impact on the ability of other employees to perform their duties and the District's ability to conduct business.

The District will inform the employee of its decision on the accommodation request or on how to make the accommodation. If the accommodation request is denied, employees will be advised of their right to appeal the decision by submitting a written statement explaining the reasons for the request. If the request on appeal is denied, that decision is final.

The ADA does not require the District to make the best possible accommodation, to reallocate essential job functions, or to provide personal use items, i.e., eyeglasses, hearing aids, wheelchairs etc.

An employee or job applicant who has questions regarding this policy or believes that he or she has been discriminated against based on a disability should notify Human Resources. All such inquiries or complaints will be treated as confidential to the extent permissible by law.

WORKING AND COMPENSATION

EMPLOYMENT ON AN AT-WILL BASIS

All employees of the District, regardless of their classification or position, are employed on an at-will basis. This means that each employee's employment is terminable at the will of the employee or the District at any time, with or without cause and with or without notice. No representative or employee of the District has any authority to enter into any agreement with any employee or applicant for employment on other than on an at-will basis. Furthermore, nothing contained in the policies, procedures, handbooks, manuals, job descriptions, application for employment, or any other document of the District shall in any way create an express or implied contract of employment or an employment relationship on other than an at-will basis.

ATTENDANCE AND REPORTING TO WORK

Each employee is important to the overall success of our operation. When you are not here, someone else must do your job. Consequently, you are expected to report to work on time as scheduled. Reporting

to work on time means that you are ready to start work, not just arriving at work, at your scheduled starting time.

The District depends on its employees to be at work at the times and locations scheduled. Excessive absenteeism and/or tardiness will lead to disciplinary action, up to and including termination. The determination of excessive absenteeism will be made at the discretion of the Department Manager. After three days' absence, you will be required to provide documentation from your physician to support an injury- or illness-related absence, and to ensure that you may safely return to work. Absence from work for three consecutive days without properly notifying your immediate supervisor will be considered a voluntary resignation except for unavoidable circumstances.

If you expect to be absent from the job for an approved reason (e.g., paid time off or a FMLA leave of absence), you should notify your immediate supervisor of your upcoming absence as far in advance as possible. If you unexpectedly need to be absent from or late to work, you must notify your immediate supervisor prior to the start of your scheduled workday that you will be late or absent and provide the reason for that absence or tardiness. If your immediate supervisor is not available, you should contact the Department or Community Manager prior to the start of your scheduled workday. Leave your number so that your immediate supervisor can return your call. Depending on the circumstances of your absence, failure to properly contact us as soon as possible, may result in an unexcused absence for disciplinary purposes. Your attendance record is a part of your overall performance rating. Your attendance will be included during your review and may be considered for other disciplinary action up to and including termination.

Where possible, medical and dental appointments should be scheduled around your assigned work hours. If you are unable to schedule an appointment before or after your shift, you are required to talk to your immediate supervisor to make special arrangements.

WORKDAY HOURS AND SCHEDULING

Due to the nature of operating a recreation district, employees of the District are required to work a variety of hours during the week. Some departments will operate at different times than others. Your starting, lunch and quitting times are determined by your Department Manager. Employees are expected to observe the specific hours outlined in the work schedules prepared by their respective Department Managers. These schedules are posted and must be strictly adhered to in order to ensure the smooth operations of the District. Work schedules will be changed when management deems it necessary. Any deviation from your assigned schedule must be approved in advance by your Department Manager. Additionally, employees are not permitted to change schedules with a fellow employee without securing permission from each employee's Department Manager.

The use, possession, distribution, or sale of controlled substances such as drugs or alcohol, or being under the influence of such controlled substances is strictly prohibited while on duty, while on the District's premises or worksites, or while operating the District's equipment or vehicles.¹ The use of illegal drugs as well as the illegal use of legal drugs is a threat to us all because it promotes problems with safety, customer service, productivity, and our ability to survive and prosper as an organization. Employees in safety-sensitive positions have an obligation to ensure that they are not impaired while engaged in their jobs and do not pose a direct threat to their safety and the safety of others. RESIDENT RELATIONS

At Barefoot Bay Recreation District, delivering excellent customer service is the measure of our success. It is the responsibility of each employee, within reason, to interact with the residents or guest to achieve this goal.

APPEARANCE AND ATTIRE

Management may exercise good discretion to determine appropriateness in appearance. Employees who do not meet a professional standard, to be determined at management's sole discretion, may be sent home to change and non-exempt employees will not be paid for that time off. Some basic essentials

¹ This policy is not intended to prohibit the possession, distribution, and/or sale of alcohol by authorized Food and Beverage Department employees in the normal course and scope of performing their job duties where such possession, distribution, and/or sale of alcohol is a defined part of their job description or has been otherwise authorized in advance by District Management.

of appropriate dress include the need for clothing to be neat and clean. A reasonable dress code prohibits any extreme in dress, accessory, fragrances or hair. It is impossible and undesirable to define an absolute code for dress and fragrances. Management will apply a rule of reason on a case-by-case basis.

Appearance has an impact on both employee performance and customer perceptions; therefore, Barefoot Bay does not allow facial jewelry, specifically eyebrow, nose and lip piercing if the Department Manager deems it a safety hazard. It also requires earrings, hair color, and tattoos on both men and women, to be “professional”. To present a professional image to our residents, guest and the public, all employees are required to wear appropriate clothing on the job. Shirts with inappropriate slogans, tight pants, miniskirts, tank tops, cut-offs halter tops, muscle shirts, crop tops and flip flops are not acceptable attire. If District clothing is provided by the District, it must be worn while on duty. By necessity, the dress standards for the business office are somewhat different than for jobsites.

- For the business office, casual business-style dress is appropriate. Employees should be neatly groomed and clothes should be clean and in good repair. Leisure clothes such as jeans, shorts, cut-offs or halter tops are not acceptable attire for the business office, which includes the [New Administrative Building Office and Resident Relations](#). Management may designate days in which more casual attire is acceptable.
- For worksites, employees are expected to wear clothes appropriate for work to be done as outlined by the Department Manager or Community Manager. Employees should be sensitive to the location and context of their work and should be ready to adjust their dress if the circumstances so warrant. Employees at a jobsite should wear clothing that protects their safety and wear clothing in such a way as to be safe (e.g., shirts tucked in when working around machinery).

CONFLICTS OF INTEREST

Barefoot Bay Recreation District is a special unit of local government which means that Florida Statutes have established clear rules of conduct. This applies to your possible relationships with any other employer, consultant, contractor, resident, or supplier.

Violations of law may lead to disciplinary action, up to and including termination, and prosecution under the law.

PERSONAL CALLS, VISITS, AND BUSINESS

The District expects the full attention of its employees while they are working. Although employees may occasionally have to take care of personal matters during the workday, employees should try to conduct such personal business either before or after the workday or during breaks or meal periods.

Employees should also limit incoming personal calls, internet use, visits, or personal transactions on both District and personal devices (use of personal devices is allowed on breaks). The District's phones should be available to serve the District's community, and non-business use of the phones can hurt the District's operations. A pattern of excessive personal phone calls, personal visits, and/or private business dealings is not acceptable and may lead to disciplinary action.

INSPECTION OF PERSONAL AND DISTRICT PROPERTY

The District's employees use the property and equipment the District owns and provides, and may also use the District's materials, information, and other supplies. While employees may decorate their office workspaces with their personal possessions (such as pictures, plants, and the like), employees must remember that property supplied by the District remains the property of the District. The District reserves the right to search any District property (e.g., personal computers, desks, lockers, or other storage areas) at any time. Refusal to allow inspection may lead to disciplinary action, up to and including termination.

CONFIDENTIAL AND PROPRIETARY INFORMATION

In the course of employment, you may have access to confidential information or other information regarding the District or fellow employees. It is your responsibility to refrain from revealing or divulging any such information and that you use it only in the performance of your duties. Even information subject to public records laws shall be considered confidential until such time a request is made by the public to review such information. Violation of this policy shall be considered misconduct connected with employment as contemplated by Chapter 443 of the Florida Statutes, governing unemployment compensation, and shall subject the employee to immediate dismissal.

PERSONAL CONDUCT

As a condition of employment, employees must notify their Department Manager if they are arrested for a criminal charge. Such notification must be made within twenty-four (24) hours of the arrest.

RULES OF CONDUCT AND PROGRESSIVE DISCIPLINARY PROCEDURE

There are reasonable rules of conduct which must be followed in any organization to help a group of people work together effectively. The District expects each employee to present himself or herself in a professional appearance and manner. If an employee is not considerate of others and does not observe reasonable work rules, disciplinary action will be taken.

Depending on the severity or frequency of the disciplinary problems, a verbal or written reprimand, suspension without pay, disciplinary probation, or discharge may be necessary. It is within the District's sole discretion to select the appropriate disciplinary action to be taken. Notwithstanding the availability of the various disciplinary options, the District reserves the right to discharge an employee at its discretion, with or without notice.

Although employment with Barefoot Bay Recreation District is based on mutual consent and both the employee and Barefoot Bay Recreation District have the right to terminate employment at will, with or without cause or advance notice, Barefoot Bay Recreation District may use progressive discipline at its discretion. These steps are guides only; it is not to be assumed that any one of them, or all of them in progression, will automatically be administered.

Barefoot Bay Recreation District recognizes that each disciplinary situation is unique. Therefore, management retains the right to treat each incident on an individual basis at its discretion. However, in considering the discipline to be utilized in a particular case, management may consider the severity of the event, the cost involved to Barefoot Bay Recreation District, the interval between violations of a similar nature by the same employee, other violations, the employee's overall work record, the employee's length of service, and other factors as may bear upon the efficient and harmonious operation of Barefoot Bay Recreation District. While Barefoot Bay Recreation District is in no way bound to follow any specific procedures, the following forms of discipline may be utilized:

- **ORAL WARNING** - For minor offenses, the employee should be given an oral warning and documenting with the date, and the incident in the District employee's personnel file.
- **WRITTEN WARNING** - If the Oral Warning does not produce the necessary improvements and when repeated; or, when more severe offenses occur, the employee should be given a written warning. The written warning must include what has occurred, what rule or policy has been violated, what is expected of the employee, the amount of time allowed for improvement and make specific reference to all previous warning(s) (if any) that pertain in any way, to this warning. The warning statement should also contain a statement as to what more drastic disciplinary action will be taken if the employee does not correct the situation or commits further policy or rule infractions. All the facts of the case leading to the written warning should be discussed with the employee in private, with no interruptions. A copy of the written warning should be provided to the employee. The employee should acknowledge receipt of the written warning by signing the Written Warning document (memo). The employee should be encouraged to make any comments she/he feels is pertinent to

the situation. If the employee refuses to sign the Written Warning, it is the responsibility of the Department Manager to so state on the form prior to forwarding it to be put in the District employee's personnel file.

Following a written warning the immediate supervisor under guidance of the Human Resources shall jointly develop a "Corrective Action Plan" with the employee to give clear expectation of how the employee can correct his/her work-related deficiencies

- **SUSPENSION** - A period of time that an individual is not permitted to work or receives pay from Barefoot Bay Recreation District. Suspension is appropriate in lieu of termination, when management feels an investigation of the circumstances is warranted and immediate "defusing" of a situation becomes necessary or when conflict with another employee warrants both to be suspended until an investigation uncovers the individual culpability of the conflict. Suspensions are generally without pay and are issued for a period of one (1) to ten (10) working days depending upon the seriousness of the infraction. If there is a need to dock pay from an exempt employee because of a suspension, the pay will be docked in full day increments.

Following a suspension, the immediate supervisor under guidance of the Human Resources shall jointly develop a "Corrective Action Plan" with the employee to give clear expectation of how the employee can correct his/her work related deficiencies

- **DEMOTION** - Demotions occur when employees do not follow the methods and procedures established for the particular job function or when the employee does not sustain quality performance.
- **DISMISSAL** - Dismissals are the involuntary separation of an employee at Barefoot Bay Recreation District. Dismissals should be substantiated with documentation of previous disciplinary actions, except in those cases serious enough to warrant immediate dismissal.

By using progressive discipline, we hope that most employee problems can be corrected at an early stage, benefiting both the employee and Barefoot Bay Recreation District. All discipline actions must be documented in the employee file.

The following is not a complete list of offenses for which an employee may be subject to discipline, but it is illustrative of those offenses that may result in immediate discipline, up to and including dismissal, for a single offense:

1. Excessive absenteeism or tardiness.
2. Dishonesty, including falsification of District-related documents, Employment Applications, or misrepresentation of any fact.
3. Fighting, disorderly conduct, horseplay, or any other behavior which is dangerous or disruptive.
4. During your working hours for the District, being in the possession of, consumption of, or being under the influence of alcoholic beverages or illegal drugs.
5. Illegal manufacture, distribution, dispensation, sale, possession, or use of illegal drugs or un-prescribed controlled substances.
6. Reporting for work with illegal drugs or un-prescribed controlled substances in your body.

21. Unauthorized tampering, altering, turning off or adjusting District electronic equipment, including but not limited to CCTV system.

RE-EMPLOYMENT

Former employees who are rehired and return to work within three months of their termination will not be required to go through another probationary period, unless the District deems it necessary. Former employees who are rehired and return to work more than three months after their termination will be rehired only as new employees and must complete a new probationary period. They will be considered new employees for any and all benefits. As a general rule, the District will not rehire former employees who:

- Were dismissed by the District
- Resigned without giving two weeks' notice
- Were dismissed for inability to perform job duties
- Had a poor attendance record
- Had a below-average evaluation
- Violated work rules or safety rules

Variances from the above referenced general rule shall be authorized by Human Resources and the Community Manager.

OUTSIDE EMPLOYMENT

The District discourages our employees from taking additional outside employment. Employees who wish to take on outside employment must first obtain permission from their Department Manager or the Community Manager. Work requirements for the District, including overtime, must take precedence over any outside employment.

If the District permits an employee to take outside employment, the employee must report to his or her Department Manager when the outside job has started. If, as a result of this outside employment, the employee is unable to work when requested by the District, including overtime, or is unable to maintain a high work performance level at the District, permission to work at the outside job may be rescinded, or the employee may be subject to termination.

Employees are not permitted to work for any vendor of the District outside of the regular working hours as described above, without the express approval of the District's Community Manager or his or her designated representative.

The District will not pay medical benefits for injuries or sickness resulting from employment by any employer other than the District.

Barefoot Bay Recreation District's health insurance plan provides employees and their dependents access to medical and dental care insurance benefits. Employees in the following employment classifications are eligible to participate in the health insurance plan:

Full-time employees and part-time employees who work 30+ hours per week. Eligible employees may participate in the health insurance plan subject to all terms and conditions of the agreement between Barefoot Bay Recreation District and the insurance carrier.

Details of the health insurance plan are described in the employee benefits package.

VOLUNTARY INSURANCE AND BENEFITS

In addition to health insurance programs, the District offers benefits and insurance that Regular full-time employees may elect at their cost. These optional benefits are subject to change from time to time.

TUITION REIMBURSEMENT

Approval for participation in this program must be granted in advance of the start of the classes, by the employee’s immediate supervisor, Department Manager and HR, in order for the participant to be reimbursed. Application made after the start of classes may not be approved.

Employees in the following employment situations are eligible to participate in Tuition Reimbursement: Regular full-time employees and under certain circumstances part time employees may take academic course work and receive reimbursement for tuition. Courses must be job related.

VACATION TIME

Regular Full-Time and Regular Part-Time Employees are eligible to earn vacation hours. Vacation time begins to accrue at the start of the first full pay period following an employee’s hire date; however, employees may not use accrued vacation time until after completing six months of employment. Vacation Time must be scheduled and approved by your Department Manager. Department Managers may approve requests that are not submitted timely in extraordinary situations. Every effort will be made to accommodate vacation requests; however, business needs will determine the ability to honor such requests.

Temporary and seasonal employees are not eligible for paid vacation.

Regular Full and Part-Time Employees earn vacation based upon their length of service with BBRD according to the schedules below:

No hours will be credited to the employee’s Vacation Time once an employee reaches her/his applicable maximum hours until hours are used and the balance falls below the applicable maximum.

Holiday, Sick Time and Bereavement Leave may occur while an employee is on an approved vacation and may not count as vacation time. When sickness occurs while on vacation, the period of illness may be charged as sick leave and not vacation time if a request supported by a medical certification is that made within two business days of the employee returning to work. If bereavement leave is approved within a period of vacation, the vacation may be extended, or the vacation leave may be reduced by the bereavement leave.

Exempt employees who have a minimum of one hundred twenty (120) hours of unused recorded vacation time may convert forty (40) hours of such unused vacation time to cash one time per fiscal year.

Upon termination, all employees of the District have the right to be paid for any unused vacation time accrued by the employee up to the maximum allowable accrual.

The following key points provide answers to the most frequently asked questions concerning Vacation Time:

- An employee in his or her initial 6-months employment is not eligible to use Vacation Time. However, an employee is accruing Vacation Time during this period that will be available upon completion of this 6-month period.
- Employees on short-term illness or Family Medical Leave Act (FMLA) leave will not accrue Vacation Time.
- ~~Regular Full time employees Vacation Time is accrued in hours, once a month, on the first pay period after the 15th. Regular Part time employees Vacation Time is accrued in hours, once a month, on the first pay period of the following month.~~

Sick leave begins to accrue at the start of the first full pay period following an employee's hire date; however, employees may not use accrued sick leave until after completing six months of employment. Sick leave shall not accrue when an employee is on any type of leave, other than vacation

Holidays that occur while an employee is on Sick leave will count as a holiday rather than as a Sick leave.

If you will be absent from work due to an illness, notice must be given to your immediate supervisor prior to or at your scheduled reporting time, each day you are absent from work due to illness. If you are to be absent and fail to comply with the rules and regulations covering sick leave, you may be subject to disciplinary action. If you are absent from work and you are unable to contact your Department Manager because of a serious emergency situation or an accident, you must contact your Department Manager as soon as you are able. Department Managers are responsible for determining that sick leave is properly authorized and used in accordance with this policy. At the discretion of the Department Manager, you must furnish a written medical certification that substantiates the illness and/or injury and your need to be absent from work. Absences of three (3) or more consecutive days will require medical certifications that affirm your illness and/or injury and permits you to return to work.

Full-time eEmployees who retire, resign, convert to part-time employment, convert to seasonal employment, or who are laid off will receive pay for their accrued sick leave upon separation from employment or change of status. No payment shall be made for unused sick leave except at retirement, resignation or layoff.

LEAVES OF ABSENCE

FAMILY AND MEDICAL LEAVE (FMLA ELIGIBILITY)

Employees may qualify for an unpaid leave under the Family and Medical Leave Act (FMLA) for up to twelve weeks per year. FMLA can be taken as either a single block of time such as whole weeks, as part time such as single days, or in small blocks of time such as hours and in some cases less than an hour if medically necessary.

To be eligible for FMLA leave the employee must meet these criteria:

- Be employed with the District for at least 12 months
- Have worked at least 1250 hours over the previous 12 months
- Have not already exhausted any FMLA leave entitlement for the past 12 month period.

The following circumstances qualify for FMLA leave:

- Birth of an employee’s child and to bond with such child within one year after birth.
- Placement of a child with an employee for adoption or foster care and to bond with such child within one year of placement.
- The employee is needed to care for a child, spouse, or parent who has a “serious health condition”.
 - A child shall mean the covered employee’s biological, adopted, or foster child, stepchild, legal ward, and child of a person standing *in loco parentis* who is under 18 years of age or is over 18 years of age and is incapable of self-care because of a physical or mental disability. *In loco*

parentis is a person who provides day-to-day care or financial support for a child with no biological or legal relationship to the child.

- A parent means a covered employee's biological, adoptive, step, foster or *in loco parentis* father or mother. This term does not include parents "in law".
- A "spouse" means a husband or wife as defined under the law in the State of Florida.
- The employee is unable to perform the functions of his or her position because of his or her own "serious health condition".
- Any qualifying exigency arising out of the fact that an employee's spouse, son, daughter, or parent is a covered military member on covered active duty
- Military Caregiver Leave – 26 workweeks of job-protected leave during a single 12-month period to care for a covered service member with a serious injury or illness, if the eligible employee is a service member's spouse, son, daughter, parent or next of kin.

SERIOUS HEALTH CONDITION

An employee may take FMLA to care for a spouse, child, parent who has a serious health condition or when the employee is unable to work because of their own serious health condition.

Serious health conditions include:

- Conditions requiring an overnight stay in a hospital or other medical care facility;
- Conditions that incapacitate the employee or covered family member for more than three consecutive days and require ongoing medical treatment (either multiple appointments with a health care provider, or a single appointment and follow-care such as prescription medication);
- Chronic conditions that cause occasional periods when the employee or family member are incapacitated and require treatment by a health care provider at least twice a year; and
- Pregnancy (including prenatal medical appointments, incapacity due to morning sickness and medically required bed rest).

REQUESTING FMLA LEAVE

If the employee knows in advance of the need for FMLA Leave, (for example, pregnancy or planned surgery) the employee is required to give notice to the BBRD at least 30 days in advance.

If the employee learns of the need for FMLA leave less than 30 days in advance (for example, sudden illness), the employee must give BBRD notice as soon as possible (generally either the day the employee learns of the need or the next work day).

When the employee needs FMLA unexpectedly (for example, emergency medical care or an accident) and is unable to notify the District, the employee must inform the employer as soon as possible and follow the usual notice or call-in procedures when the employee is able.

A **Family and Medical Leave Request Form** must be fully completed and signed by the employee prior to the commencement date of the leave. The employee's notice must include sufficient information for the District to determine that the employee may have a FMLA qualifying reason and the anticipated timing and duration of the leave. It is imperative that the employee complete and return any forms as requested and within the required timeframe. Failure to meet those requirements may result in a delay or denial of FMLA leave. Also, failure to provide requested documentation of the reason for an absence from work may lead to termination of employment.

The employee's initial request will be acknowledged in writing within 5 business days by Human Resources, and the employee will receive the following information:

- An eligibility notice stating if the employee's leave is or is not covered under the Family Medical Leave Act. If the employee is not eligible, the HR Department will state the reason for ineligibility.
- A notice of your rights and responsibilities under FMLA including:
 - A definition of the 12-month period used to keep track of FMLA usage. The BBRD will measure the 12-month period as a "rolling 12-month period measured backward" from the date an employee uses any leave under the policy. Each time an employee takes leave, the BBRD will compute the amount of leave the employee has taken under this policy and subtract it from the 12 weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time.
 - The right to use paid leave and whether the employee will be required to use their paid leave. BBRD requires that all available paid leave be used first and will provide the employee with their current available Paid Time Off (the amount could change based on the employee's action leave date).
 - Information on the continuation of health benefits.
 - The employee's right to return to his or her job at the end of the 12-week FMLA leave.
 - A request for medical certification as required.

MEDICAL CERTIFICATION

If Leave is due to illness, the employee must supply medical certificate indicating:

- Contact information for the health care provider
- The onset of the serious health condition
- How long it is expected to last
- Appropriate medical facts about the condition
- Whether the employee needs leave continuously or intermittently and specific information about how often, how much time and information about the medical necessity for taking intermittent leave.

Failure to return the medical certification within 15 calendar days after the request, could result in the leave not being covered under the FMLA, unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts.

If any of the required information for certification is missing, the employee will be notified in writing. He or she must provide the missing information within 7 calendar days. If the District has concerns about the validity of the certification, it may request a second opinion at the District's cost. If the first and second opinion differs, it may request a third opinion at the District's cost. If the employee's need for leave continues for an extended period of time, or if it changes significantly, the District may require the employee to provide an updated re-certification at intervals in accordance with the FMLA.

The employee will be required to furnish a certificate stating that he or she is physically able to resume his or her responsibilities before he or she is permitted to return to work. Return to work may be delayed or denied if the appropriate documentation is not provided in a timely manner.

BENEFITS WHILE ON LEAVE

While on Leave the employee will not be eligible for paid holidays. The employee must use all PTO as a part of and at the beginning of the leave.

Group health insurance benefits will be continued on the same basis as if the employee had continued active employment. Any share of the group health plan premiums which had been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period. If premiums are raised or lowered, the employee must pay the new premium rates. Only group health insurance benefits and premium payments will be maintained during the requisite period.

Premiums for other benefits, such as additional supplemental life insurance, must be fully paid by the employee.

If a premium payments more than 30 days late, the District will provide written notice to the employee that the payment has not been received. Such notice will be mailed to the employee at least 15 days before coverage is to cease, advising that coverage will be dropped on a specified date at least 15 days after the date of the letter unless the payment has been received by that date.

Employees who fail to return from a leave and have maintained medical insurance coverage will be responsible for reimbursing the District for the Employer's portion of the premiums paid by the District while on such leave. However, the District will not send reimbursement for premiums if the employee's failure to return to work is due to the continuation, recurrence, or the onset of a serious health condition or other circumstances beyond the employee's control.

RETURN TO WORK

During FMLA leave, the employee must provide HR with periodic reports regarding the employee's status and intent to return to work. If the employee does not contact Human Resources during that time, we will consider the employee to have voluntarily resigned from his or her position.

For a Leave in excess of one month, contact should be made no later than two weeks prior to the employee's intended return date. For a Leave less than one month in duration, contact should be made no later than five days prior the employee's intended return date. If the employee's anticipated return to work date changes and it becomes necessary for the employee to take more or less leave than originally anticipated, the employee must provide HR with reasonable notice, i.e., within two business days of the employee's changed circumstances and new return to work date.

If the employee gives HR notice of the employee's intent not to return to work, the employee will be considered to have voluntarily resigned.

If the employee fails to return to work, the last day of leave will be considered the employee's date of resignation.

Before the employee returns to work from FMLA leave for the employee's own serious health condition, the employee may be required to submit a fitness for duty certification from the employee's health care provider, with respect to the condition for which the leave was taken, stating that the employee is able to resume work.

JOB RESTORATION

Upon return from authorized FMLA leave, an employee must be restored to the employee's original job, or to an equivalent job with equivalent pay, benefits and other terms and conditions of employment. In addition, an employee's use of FMLA cannot result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA, nor be counted against the employee under a "no fault" attendance policy.

If the Leave was covered under the Family Medical Leave Act, and the employee is returning within the specified 12-week period, the employee will be notified by Human Resources whether to return to the position he or she held at the time the Leave began, or alternatively, what comparable position the employee has been assigned to. Only Human Resources is authorized to allow the employee to return to work. The employee will be required to provide proof from a physician that he or she is medically capable of returning.

The employee will not be guaranteed reemployment for FMLA in excess of 12 weeks.

If the Leave was not covered by the Family Medical Leave Act, the employee will be notified whether a position is available for him or her.

KEY EMPLOYEES

Under specific and limited circumstances, BBRD may deny job restoration to "key employees" whose restoration to employment after FMLA leave will cause substantial and grievous economic injury to its operations. A "key" employee must be among the highest paid 10 percent of all the employees – both salaried, non-salaried, eligible and ineligible who are employed by the employer within 75 miles of the worksite.

KEY EMPLOYEE NOTIFICATION

BBRD will:

- Notify the employee in writing of his/her status as a key employee at the time of the FMLA leave request
- For unforeseeable leave, BBRD will provide written notice at the start of the leave to inform the employee of the potential consequences regarding reinstatement.
- If the employee is already on leave, BBRD will offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice

- Once it is determined that job restoration will cause substantial economic injury, the key employee will be notified of the decision, the reasons for the determination and that he or she is still entitled to take the leave.
- After taking FMLA leave, a “key” employee is still entitled to request reinstatement and the BBRD will determine and again notify the employee as to whether reinstatement will cause severe economic injury.

DONATIONS OF SICK LEAVE

Employees with greater than eighty hours of accrued sick time, or who are separating from the District, may donate leave to an employee who has experienced an FMLA leave qualifying event from your accrued vacation or sick time on an hour to hour basis. Donations may be made under the following conditions in regard to receiving employee: he/she has not abused sick leave in the past; the illness is documented; all sick and annual leave is exhausted; and only the specific amount of leave time which is needed may be donated.

BEREAVEMENT LEAVE

The District will provide up to three days of paid bereavement leave for all District employees upon the death of an immediate family member. Part time employees will be paid for their regularly scheduled hours.

For purposes of this policy, “immediate family” is defined as the employee’s or the employee’s spouse’s parents, siblings, children, grandparents, grandchildren, the employee’s spouse, or any other relative who resides in the employee’s household. If an employee must travel out of state for this purpose, five (5) days of paid bereavement leave will be granted.

Employees should direct all requests for Bereavement Leave to their Department Manager or to the Community Manager.

While on Bereavement Leave, an employee will be paid at straight time for the hours the employee was scheduled to work on the days missed.

JURY LEAVE

All employees of the District who are called for jury duty will be granted time off with pay to perform this civic duty for the hours that they are scheduled for work. Employees must notify their immediate supervisor as soon as they learn they have been summoned as a juror so that work arrangements can be made. In order to be paid for Jury Leave, an employee must provide his or her immediate supervisor with the jury summons and a note from the Clerk of the Court indicating the times the employee was in court for jury duty. The District will pay employees straight time for their regularly scheduled hours of work, for up to five days of jury service. An employee who is excused from jury duty prior to the end of a

regularly scheduled workday must notify the Department Manager who will determine if the employee is to report for work for the remainder of that day.

MILITARY LEAVE

The District will grant Regular full-time employees called into temporary active military service an unpaid leave of absence and reemployment rights as per Uniformed Services Employment and Reemployment Rights Act (USERRA) provided that:

- The employee provides advance written or verbal notice of service within a reasonable amount of time.
- The cumulative service is 5 years or less
- The employee returns to work or applied for re-employment in a timely manner after the conclusion of service:
 - Less than 31 days = next work period beginning at least 8 hours after arriving home
 - 31-180 days = Within 14 days, or if not possible then next full day after it becomes possible
 - Over 180 days = no later than 90 days.
- The employee has not been separated from service with a disqualify discharge or under other than honorable conditions.

The employee has the right to elect to continue existing employer-based health plan coverage for the employee and dependents for up to 24 months while in the military and if the employee chooses not to continue coverage, generally has the right to be reinstated in the health plan upon re-employment without any waiting periods or exclusion.

Upon re-employment, the employee must be reinstated to the job and benefits that he or she would have attained if the employee had not been absent due to military service, or in some cases, a comparable job.

Employees may use accrued vacation time during a military leave of absence but are not required to do so.

Unpaid military leave will be granted in accordance with U.S. Federal law.

DOMESTIC VIOLENCE LEAVE POLICY

In accordance with Florida Statute 741.313, an employee may be granted up to three (3) working days of leave (unpaid or paid if the employee chooses to use Vacation Time) if the employee (or a family or household member of the employee) is the victim of domestic violence.

NOTE: "Family or household" means spouse, former spouse(s), persons related by blood or marriage, persons who are presently residing together as if a family or who have resided together in the past as if a family and persons who are parents of a child in common (regardless of whether they have been

married). With the exceptions of persons who have a child in common, the family or household members must be currently residing or have in the past resided together in the same dwelling unit.

Reasons this leave can be requested include:

1. To seek an injunction for protection against domestic violent or an injunction for protection in cases of repeat violence, dating violence, or sexual violence.
2. To obtain medical care or mental health counseling, or both, for the employee or a family or household member to address physical or psychological injuries resulting from the act of domestic violence.
3. To obtain services from a victim-services organization, including, but not limited to, a domestic violence shelter, program or a rape crisis center as a result of the act of domestic violence.
4. To make your home secure from the person responsible for the domestic violence or to seek new housing to escape this person.
5. To seek legal assistance in addressing issues arising from the act of domestic violence or to attend and prepare for court related proceedings arising from the act of domestic violence.

Except in cases of imminent danger to the health or safety of you or your family or household member, and employee must provide appropriate advance notice of the need for leave, along with sufficient documentation of the act of domestic violence or sexual violence. This documentation may include copies of restraining orders, police reports, orders to appear in court, etc.

RETURNING/NOT RETURNING FROM A LEAVE OTHER THAN FMLA

When an employee is ready to return from a leave of absence without pay, the District will attempt to reinstate the employee to his or her former position or to one with similar responsibilities on a case by case basis.

An employee who returns to work following an unpaid leave will be considered as having continuous service. If an employee does not return from an unpaid leave of absence without pay, the termination date is the last day of the authorized leave period or the date the employee notifies his or her supervisor or manager that he or she is not returning, whichever is sooner. Such employees may be considered for reemployment.

Background and Summary Information

- The Chairman of the NRP BOT Sub-Committee shall be authorized to approve (as recommended by the Community Manager or designee) the expenditures of NRP funds in excess of \$7,500.00 and not exceed \$25,000.00 by staff toward the acquisition of a target property identified by the sub-committee in accordance with NRP rules established by the BOT.

Review proposed calendar, selection of dates and times for workshops, and approval of the calendar.

Background and Summary Information

In recent years, the BOT has formally adopted the upcoming budget preparation calendar for transparency purposes and to encourage greater participation in the process prior to the final BOT meeting (adoption of the assessment rate and budget) when most homeowners proffer their ideas, complaints, and comments. While all dates and times can be changed by the BOT, staff requests the BOT pick from the many possible openings for the various workshops and then adopt the FY21 Budget Preparation Calendar. Said choices include:
