Such person must provide a method for recording the proceedings verbatim.

Barefoot Bay Recreation District Regular Meeting

BAREFOOT BAY RECREATION DISTRICT

Board of Trustees Regular Meeting October 22, 2019 7PM –Building D&E

Meeting Called to Order

The Barefoot Bay Recreation District Board of Trustees held a Meeting on October 22, 2019 Building D&E 1225 Barefoot Boulevard, Barefoot Bay, Florida. Mr. Klosky called the meeting to order at 7PM.

Pledge of Allegiance to the Flag

Led by Ms. Sally-Ann Biondolillo.

Presentations and Proclamations

Presentation of Sea of Pink Proceeds to the American Cancer Society

Ms. Mendes presented the American Cancer Society with a check in the amount of \$17.741.50 that was raised at the 1st Barefoot Bay Sea of Pink Breast Cancer Walk that was held on October 19, 2019.

Roll Call

Present: Mr. Klosky, Mr. Wheaton, Ms. Henderson and Mr. Diana. Also, present, Rich Armington, Acting Community Manager, and Sally-Ann Biondolillo Guest Recording Secretary and General Counsel, Cliff Repperger. Mr. Loveland and John W. Coffey, ICMA-CM, Community Manager were excused.

Minutes

Ms. Henderson made a motion to approve the minutes dated October 4, 2019. Second by Mr. Wheaton. Motion carried unanimously.

Ms. Henderson made a motion to approve the minutes dated October 11, 2019 with the changes: omit the word "instead" and replaced with and "also consider building new" in Mr. Schwatlow's participation. Second by Mr. Diana. Motion passed unanimously.

Treasurer's Report

Ms. Henderson made a motion to approve the Treasurer's Report for October 22, 2019 as presented by Mr. Diana. Second by Mr. Diana. Motion passed unanimously.

Audience Participation

Mr. Rich Schwatlow – 636 Marlin Circle – stated some concerns of the residents of the Bay that things can be done more simply. For several months, residents have asked questions about pools warranty, maintenance and temperature and have asked to be placed on future agendas. After attending several of the Candidate forums has learned that the board does not oversee the pools and temperatures unless the amenity is being mismanaged. And that Mr. Coffey and his staff are in control of the pools, temperature and maintenance. That a lot of time could have been saved if the Board stated that these concerns should be addressed by making an appointment to see Mr. Coffey.

BAREFOOT BAY RECREATION DISTRICT

Jack Redding – 806 Tamarind Circle – spoke about Ms. Henderson's suggestion of a workshop for the lounge improvements. Inquired whether this would happen between now and the New Year or carried over to the new Trustees? He also suggested that it would be a great benefit to the resident to have cost analyst and general concepts on one piece of paper, so it is easier to read and understand.

Ms. Jeanne Osbourne – 100 Cherokee Court – stated that she is proud of residents of the Barefoot Bay. As a retiree of the American Cancer Society, she is aware of the work and effort and time that went into raising the money.

Unfinished Business

ARCC Re-appointment

Tabled from last meeting, Staff recommended to re-appoint Mr. Brinker's term is expired on October 12, 2019. Staff recommended that he gets re-appointed to a 3-year term as stated in the 2017 amendments to the DOR. Ms. Henderson made the motion to re-appoint. Second by Mr. Wheaton. Mr. Diana abstained due to the application that was submitted should be considered. There was a voice count of 3-1 with Chairman Klosky, Ms. Henderson and Mr. Wheaton as yes and Mr. Diana abstained. Motion passed.

Violation Committee Appointment

Tabled from last meeting, Staff recommended to appoint Ms. Weglein to a voting member position of the Violations Committee for a 3-year term and instruct staff to continue to advertise for the newly vacated alternate position. Mr. Wheaton made a motion to appoint Ms. Weglein as a voting member. Second by Ms. Henderson. Motion passed unanimously. Mr. Armington made the comment that Ms. Watson applied for the ARCC Committee and he will contact her to see if she would consider the position as an alternate for the VC Committee to get the experience and appreciates her interest in helping the Bay.

New Business

DOR Violations

Case #19-004380 - 439 Royal Tern Drive

Staff recommended that if the permit application is not approved at the ARCC meeting on October 29, 2019, then refer this Violation to the General Counsel Repperger for legal action, equitable or other appropriate action with failure to comply. If the BOT brings any such action to enforce the DOR, the charge for such action shall be charged to the Respondents account and shall constitute as a lien. Ms. Heck came to the podium and stated her case that it was a mix up with Palm Harbor for not getting the application to us on time. Mr. Wheaton made the motion if the permit is not approved to refer it to General Counsel Repperger. Second by Ms. Henderson. Mr. Diana was against due to an oversight. Motion passes 3 to 1.

Amendment to Rules for Board of Trustees (Term Limits)

Mr. Diana made the motion to approve Amended *Rules for Board of Trustees* to include term limits. Second by Ms. Henderson. Motion passes unanimously.

BAREFOOT BAY RECREATION DISTRICT

Shopping Center Electrical Design

Mr. Wheaton made the motion to approve the TLC proposal in the amount of \$18,360.00 for Shopping Center electrical assessment and development of construction drawings. Second by Mr. Diana. Motion passes unanimously.

Policy Manual Changes

Mr. Diana made the motion to approve Resolution 2019-10 thereby adopting a revised Policy Manual. Second by Ms. Henderson. Motion passes unanimously.

Attorney's Report

Mr. Repperger spoke about the Stewart Medical lease. The terms of the agreement have been discussed and they are considering alternatives to the lease agreement. It looks as though the lease agreement the Board has seen in the past will not be coming back again. Mr. Klosky informed that Mr. Coffey has received an email from Mr. Taylor regarding a meeting with him on October 29, 2019 to hopefully bring this to a conclusion.

Mr. Klosky inquired about the pool contract. Mr. Repperger answered the contract is in progress and would like to speak to Mr. Coffey when he returns before proceeding. It should be ready to be placed on the next agenda.

Incidental Trustee Remarks

Mr. Diana said traditionally the Board would cancel the last meeting in November and December. Chairman Klosky asked Mr. Diana to make a motion. Mr. Diana made the motion to cancel the last meeting in November and December. Second by Mr. Wheaton. Motion passes unanimously. Mr. Diana stated there was a contest between employees to raise the most money and was very impressed. He would like Staff to send out a note of appreciation to any employees that helped and/or participated in the Sea of Pink. He was very impressed with the amount of money the Bay raised for the Sea of Pink.

Ms. Henderson inquired about the Workshop for the Lounge expansion and parking lot that was to be scheduled. Mr. Klosky answered that he thought it would better to hold off until January when the new Board was involved. Mr. Diana didn't think there was enough time in the year either due to the busy time of the year. Mr. Wheaton and Ms. Henderson would like it scheduled as soon as possible. They all decide to have the Workshop scheduled for Thursday, November 7, 2019, at 2:30pm to 4:30pm and Building D & E.

Adjournment

The next meeting will be on November 11, 2019 at 1pm in Building D/E.

Mr. Wheaton made a motion to adjourn. Second by Mr. Diana.

Meeting adjourned at 8:21PM.

Requested Action by BOT

Review Trustee Henderson's proposal and direction to staff.

Background and Summary Information

The temperatures of the three BBRD pools (each approximately 30,000 gallons) has been a long simmering issue with a history of undersized pool heaters, pool closures for heater repairs/replacements and resident discontent with temperatures in the winter months.

Historically the pools used 400,000 btu heaters and the water temperature was set at 86 degrees Fahrenheit. Within the last two years, the heaters were replaced with 1,000,000 btu units and the BOT instructed staff to use the recommended range (as determined by the manufacturer based on size of pool, location, water circulation, etc.) of 80-82 degree Fahrenheit.

Of note, the current heaters do not have a typical thermostat with numbered dials or digit displays like home heating/AC units use.

Trustee Henderson asked that this subject be placed on the agenda to discuss an idea she forwarded to Community Manager Coffey on Friday, November 1, 2019.

Staff requests direction regarding this matter.

Discussion and direction to staff regarding the recently completed Community Center Parking Study.

Background and Summary Information

On May 10, 2019 the BOT authorized a study of the Community Center Parking Lot to determine capacity regarding the proposed Lounge expansion (planned for FYs 20-22). The text of the agenda memo from that meeting is provided below in italic.

The BOT has discussed an expansion of the Lounge for the past few years. Earlier this year a conceptual design exercise was completed based on a 4,000 square foot expansion of the Lounge. As part of the exercise, TLC provided a basic schematic parking study indicating possible ranges of needs for the buildings in the area. However, as stated below (excerpt from said study) a detailed analysis is required to properly calculate parking requirements when recreational areas are included.

"Parking calculation by the Brevard Statutes does not include parking requirements for adjacent outdoor recreation/park areas. In accordance with §62-3206 Part 24 the number of parking spaces required for parks and recreation areas must be determined through a parking study considering the functionality of the space (passive/active) and the parks development plan."

Funding for the design and construction drawings are currently budgeted in the FY20 Proposed Budget. At the April 16, 2019 Budget Workshop the BOT reached a consensus to have staff request a proposal to definitively determine the current parking requirements which will then aid the BOT in determining the scope of the expansion prior to determining how to select the design team next fiscal year.

Staff recommends the BOT approve the Community Center parking study proposal from TLC in the amount of \$7,500.00 and authorize staff to prepare a budget amendment for a future agenda recognizing the use of fund balance as the funding source.

The attached report was received on October 2, 2019 and forwarded to the BOT with the following Community Manager's summary of findings.

Where the rubber meets the road is without counting golf cart parking, we are 246 spaces short of current needs. Factoring in realistic informal golf cart parking we are 46 spaces short. However, there is a strong possibility of further reducing our required number of parking spaces by commissioning a more in-depth parking study as outlined on page 2 of the attachment."

Trustee Wheaton requested this item be placed on the agenda.

Staff requests direction regarding this matter.

Date: September 25, 2019

Revised October 2, 2019

Subject:Barefoot Bay Parking Study

Executive Summary: *

The following report addresses the adequacy of existing parking spaces for current uses with the Barefoot Bay community Recreational Area. This Executive Summary is provided as an overview of the report.

- Parking facilities are rarely designed to serve 100% capacity as 100% capacity occurs infrequently. (Think of shopping center parking lots where their lots are full only a few days per year).
- Parking lots are typically designed for 85% capacity and this report utilizes this factor.
- 100% design capacity was determined to be 848 users
- 85% of 848 = 721 users
- Assuming all vehicles (no golf cars) with 75% of vehicles having two occupants and 25% having one occupant; vehicle spaces result in

$$(721 \times 75\%) + (721 \times 25\% \div 1) = 450$$
 spaces required

• There are 204 paved parking spaces available.

Factoring in informal golf cart parking at 50% reduces required vehicle paved parking spaces to $450 \times 0.50 = 250$ spaces. Again, there are 204 paved spaces available.

Barefoot Bay Administrative staff reports that the recreational facility is over parked 4-5 days per year during special events. It has been assumed that count use is contained during special events, such as the Annual Festival that may accommodate up to 800 seats.

*Footnotes:

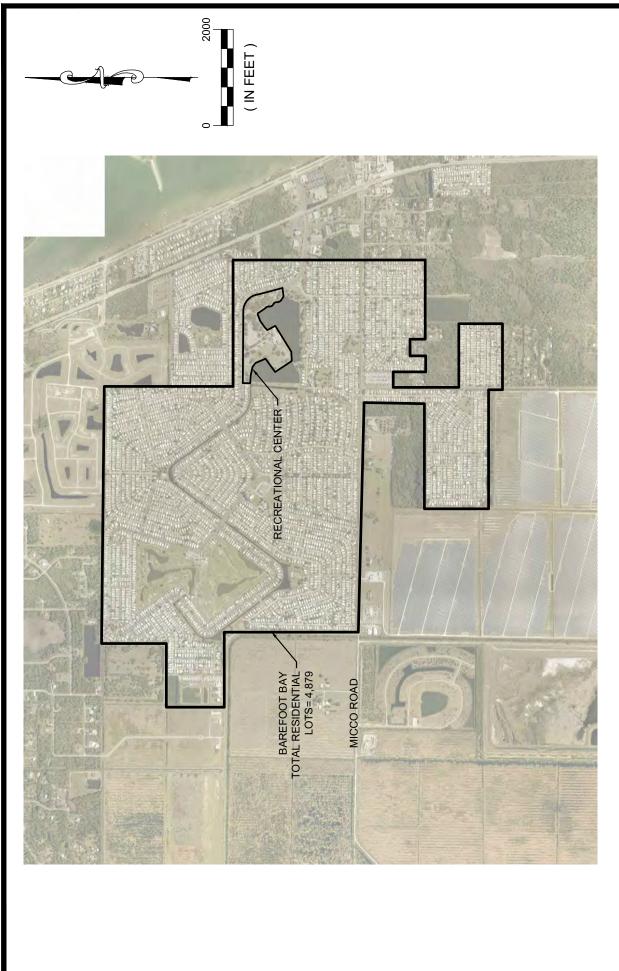

- 1) Brevard County Code allows a waiver process of up to a 30% reduction in parking standards where preservation of native trees is applied.
- When the county manager or designee determines that a minor administrative adjustment to the applicable parking standards in nonresidential zoning classifications would allow for the preservation of native Florida-Friendly landscaping on the site, upon a written request by the applicant, together with a vegetation survey, submitted with the required landscaping plan, the county manager or designee may administratively waive up to 30 percent of the applicable parking standards for the property.
- 2) Brevard County Code also allows alternative construction standards and parking reduction requirements for parking supported by a specific traffic study.
 - Agreement
 - Not or a minor arterial or higher use road
 - Alternate modes of transportation; bicycles, pedestrians, golf carts, etc.
 - The applicant may conduct a parking accumulation study to determine a parking standard for the subject use.
 - a) A parking accumulation study shall be prepared by a registered engineer and submitted with a site plan waiver application. The study shall be signed and sealed by a Floridalicensed, professional engineer.
 - b) A pre-study meeting is required between the petitioner's engineer and the county public works director or his designee.
 - c) All parking studies at a minimum shall:
 - 1. Cover at least a three-day period;
 - 2. Cover at least three site(s) having a similar mix of uses and design characteristics as the proposed use;
 - 3. Record occupied parking spaces within the study area at 15-minute increments;
 - 4. Record the information on a sketch;
 - 5. Summarize the information for each day of the study and compile the information for analysis;
 - 6. Factor in peak demand;
 - 7. Include an analysis section that states the parking demand number for each use on each side, along with the average parking demand number for each use studied (all sites), Said numbers shall include the 15% safety factor. (With the exception of multifamily developments, all other commercial buildings 25,000 s.f. and over shall be allowed to reduce the total parking requirement by 15%.)
 - 8. Include a conditions section which, based upon the data and analysis proposes a standard parking rate for a particular use category.
 - 9. Demonstrate, if applicable, that alternative modes of transportation including, but not limited to, transit, bicycle and pedestrian facilities allows for the reduction in parking requirements.
 - 3) Brevard County has relaxed their parking requirements from initial Barefoot Bay development to today (built in parking credit) per Planning and Zoning staff.

Note:

Exploring these items further or generating the study required under #2 above is outside of the scope of this report.

Introduction

BSE has been retained through TLC Engineering Solutions, Inc., and Barefoot Bay Community Development District to prepare a **Parking Analysis** for the community recreational center. The Barefoot Bay Community consists of 4,879 lots, some of which are located on the south side of Micco Road, somewhat remote from the recreational center. The community hosts a population of between 9,000 and 10,000 and approximately 50% of the residents are part time. (*Refer to Figure 1 – Barefoot Bay Parking Study*)

FIELD OCCUPANCY COUNTS

Recreational use occupancy counts were conducted on Thursday, July 11, 2019 and Saturday July 13, 2019.

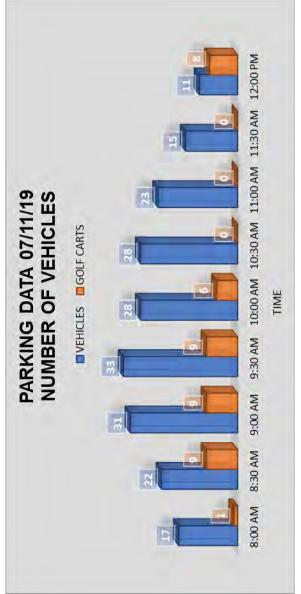

Peak parking on July 11th was 33 cars and 9 golf carts (27%) with the majority of parking spaces turning over in 1-2 hours. Bocce ball was the primary use followed by the pool. On July 13th, a Saturday, the primary use was the swimming pool, followed by tennis. Of the 11 peak parking number 4 (57%) were golf carts.

BAREFOOT BAY PARKING STUDY

BAREFOOT BAY PARKING STUDY

Seasonal adjustments of 100% (double the count) have been considered. As average use for community winter residents. 66 cars and 18 golf carts and 22 cars and 8 golf carts respectively. Note that average winter use for these facilities, bocce ball, pool and tennis, is below capacity.

<u>Table 1 provides the maximum capacity for activities with average game times</u>. Many of these activities are scheduled sequentially with little cumulative parking impact.

Table 1

RECREATIONAL ACTIVITIES AT 100% CAPACITY

PARKING ANALYSIS

Industry standards do not require parking spaces for 100% occupancy. Typically, 85% occupancy is recommended, however that factor may be adjusted based upon use type, seasonal use, sequential use (and affordability, in the case of public recreation).

Parking Demand <u>Based Upon 100% Capacity</u> is as follows:

FACILITIES	CAPACITY	USE
Building A (w/200 tables)	300 chairs only	Club Events
Building C	42	Billiards, Cards, meetings
Lounge	118	Social
Admin Building	35	Administration
Horseshoes	64	16 pits/ 4 per court
Bocce Ball	64	4 courts/16 per court
Shuffleboard	52	13 courts/4 per court
Tennis	12	3 courts/4 per court
Pickle Ball	24	6 courts/4 per court
Handball	4	
Lawn bowling	20	
Lake Fishing	0	
Basketball	12	
Exercise trail	0	Parking not required
Pool (sundeck & pool)	101	
100% Capacity Total	848	

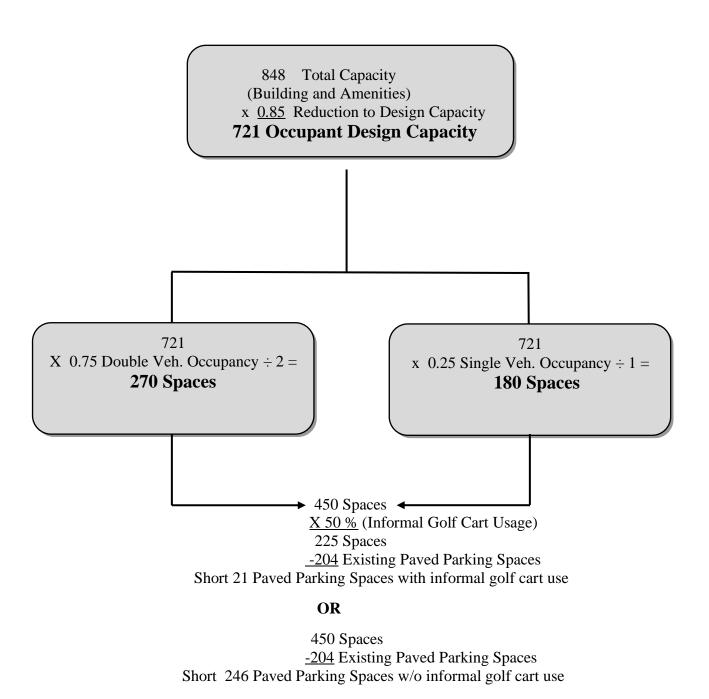

Adjustments:

- Parking designed for 85% occupancy (industry standard)
- Occupants per parking space (25% occupant / 75% 2 occupants)
- 50% golf cart use

The pool deck and lakeside have a capacity of 500-800 (the Fire Marshall approved a seating plan of 800 seats for the 2019 annual festival).

• Additionally, there is space available (refer to Figure 2) for up to 631 golf carts where the above calculation utilized only 180 golf carts.

Requested Action by BOT

Approval of Resolution 2019-12 increasing the FY19 General Fund R&M/Capital Department Budget for the Pavilion by the \$78,714.93 in donations received from the Civic Volunteer Organization (CVO).

Background and Summary Information

In December 2018, the CVO requested to donate a 40' Hexagonal Duo-Top Structure to be placed on the concrete pad behind Building A. The CVO was to fund the purchase and installation per the BBRD Policy Manual language on donations. In April 2019, it was discussed that the original vendor for installation was unable to complete the job due to the difficulty in installing the pavilion at the proposed location and the CVO was willing to donate the additional funds to secure another installation vendor. In May 10, 2019 BOT Regular Meeting Staff presented the change order for a "tongue and groove ceiling and spruce diagonal supports" upgrade also donated by the CVO and approved by the board at the September 13, 2019 BOT Regular Meeting.

The CVO has donated the \$78,714.93 expended by BBRD to install the pavilion as it stands behind Building A.

Staff recommends the BOT <u>approve Resolution 2019-12 increasing the budgeted Donations by \$78,714.93 and increasing the budget for the Pavilion Project in the R&M/Capital Projects Department by \$78,714.93.</u>

Approval of Resolution 2019-11 zeroing out General Fund budgeted transfer to the Debt Service Fund and budgeted transfer from the 2018 Bond Projects Fund

Background and Summary Information

On June 26th, 2018 the Board adopted the FY19 General Fund Budget which included budgeted transfers to the Debt Service Fund and budgeted transfers from the 2018 Bond Project Fund. The 2018 Bond Project Fund was to be created to account for the \$9 million in specific R&M/capital projects. In November 2018, Staff was directed to cease pursuing the bond issuance and the 2018 Bond Fund was never funded. Thus, the transfers between funds never took place.

Staff has been advised by the Auditors to zero budgeted transfers between funds as a result of not issuing Bonds in 2019.

Hi Charles,

I spoke with Joel and he concurs with June that a budget amendment would be a good idea since the 2018 bond issuance and transfers never occurred.

Thanks

Good morning Charles,

Not sure if your policy requires any Board action to close out the fund? Were you able to create a financial reporting fund without their authorization? You should still be able to do a budget amendment if you want to reverse those budgeted transfers. Just needs to be performed before Nov 30.

Hi June,

I have a question. At the time of the original budget, BBRD was going to fund some projects with the proceeds from a bond issue. As a result, the general fund budgeted a transfer of \$700,000 to the debt service fund from Admin Dept. and a \$651,000 transfer from the 2018 Bond Fund to the R&M/Capital Projects Department.

The Bonds were never issued.

No funds were transferred.

What do I need to do to close the 2018 Bond fund which was never funded?

What about the transfers that never happened but were budgeted?

Regards,

Charles

Renew Liability & Workers' Compensation Insurance coverage to Florida Municipal Insurance Trust (FMIT) for FY20.

Background and Summary Information

The BOT changed general liability and workers' compensation insurance companies in 2017 from Public Risk Insurance Agency (PRIA) to Florida Municipal Insurance Trust (FMIT). At the time, FMIT, guaranteed the liability insurance for a two-year period. The cost of general liability insurance did rise in FY19 although not due to a rate increase but due to the results of FMIT identifying several minor assets that were not on the coverage list prior to 2018. As with private homeowners' insurance, BBRD's liability insurance premiums are based on the history of claims, amount of coverage, and overall industry trends.

Likewise, BBRD's workers' compensation insurance premiums are based on experience, types of work performed by employees, and industry trends. Specifically, experience is rated based on the "modifier" of the three prior years' experience. A modifier of 1.00 is average. BBRD's modifier has changed per the following

Fiscal Year	Modifer
2015	1.99
2016	1.63
2017	1.67
2018	1.24
2019	1.00
2020	0.76

The following components highlight the differences in the two proposals:

- 1. FMIT offers the lowest deductibles, while FIA has the highest deductibles of the three vendors
- 2. PRIA does not offer "wind storm" coverage for the pier (fire damage is covered under the general property insurance line)
- 3. FMIT does not offer liquor liability as part of its basic plan but has facilitated a separate policy (same sub-contractor as PRIA did in prior years)
- 4. FMIT offers a 2-year fixed rate guarantee for General Liability, Auto, and Property Coverage (although additional assets may cause the second-year costs to increase)

Due to the tight timeline of the receipt of insurance proposals and the agenda publication deadline, General Counsel Repperger was not able to provide a detailed analysis and recommendation at the time of the drafting of this memo. Mr. Repperger will provide any pertinent comment and recommendations at the BOT meeting.

A comparison of the three quotes is provided below.

Unless Mr. Repperger opines to the contrary, staff recommends the BOT <u>award liability and workers' compensation</u> <u>insurance coverage to Florida Municipal Insurance Trust for \$158,256 plus the cost of liquor liability insurance</u>. After the FY19 Audit is completed, staff will prepare a budget amendment for consideration by the BOT moving the surplus \$37,145 from the various accounts to R&M/Capital Contingency.

Review of lease renewal proposal and direction to staff regarding whether BBRD should renew 33 golf car lease early or wait and issue a request for proposal next summer prior to lease termination at the end of December 2020.

Background and Summary Information

BBRD currently leases 33 cars from Yamaha Golf-Car Company for rental by players at the Golf Course. BBRD currently pays \$24,156 (\$2013/month) plus taxes and insurance and the new amount would be (\$26,235 (\$2186.25/month) plus taxes and insurance. The increase of \$2,079 equates to 8.61%. The table below illustrates the costs of the former, current and proposed leases.

	Annual	Difference from prior lease	Difference from current lease	
FY17 Budget (based on former lease)	28,116	N/A	N/A	
Current lease	24,156	(3,960)	N/A	
Proposed new lease	26,235	(1,881)	2,079	8.61%

Yamaha Golf-Car Company has also added a proposal for a single rider ADA car to be leased/ purchased for \$1,944 (\$162/month) per year with a \$1.00 buyout option at lease termination for a total cost of \$7,776.

Staff requests direction from the BOT regarding this matter.

Lessor and Lessoe hereby agree as follows	OMG.						_ (200000).			

Lessor and Lessee hereby agree as follows

- 1. <u>Lease of Equipment</u>. Lessor leases to Lessee the equipment described on each attached Equipment Schedule (the "<u>Equipment</u>"), on the terms and conditions of this Lease, the applicable Equipment Schedule, and each rider attached hereto.
- 2. <u>Term.</u> The term of this lease for the Equipment described on a particular Equipment Schedule shall commence on the date set forth on such Equipment Schedule and shall continue for the number of months indicated on such Equipment Schedule.
- 3. Rent. Lessee shall pay Lessor rent for the Equipment ("Rent") in the amounts and at the times set forth on the applicable Equipment Schedule. The amount of the Rent has been determined by amortizing the purchase price of the applicable Equipment (using the prices quoted in the Request for Proposal identified on the applicable Equipment Schedule ("RFP")), together with an interest factor at the rate specified in the applicable Equipment Schedule. Whenever any payment hereunder is not made when due, Lessee shall pay interest on such amount from the due date thereof to the date of such payment at the lower of Lessor's then prevailing rate for late payments specified in Lessor's invoice to Lessee for such payment or the maximum allowable rate of interest permitted by the law of the state where the Equipment is located.
- 4. <u>Selection, Delivery, and Acceptance.</u> Lessee shall select the Equipment and take delivery thereof directly from Lessor or an authorized dealer of Lessor (the "<u>Dealer</u>"). All costs of delivery are the sole responsibility of Lessee. Lessor shall not be liable for any loss or damage resulting from the delay or failure to have any Equipment available for delivery. Lessee shall inspect the Equipment to determine that the Equipment is as ordered and has been equipped and prepared in accordance with the RFP and any prior instructions given in writing by Lessee to Lessor or Dealer. Lessee shall accept the Equipment if it meets the criteria set forth in the preceding sentence and shall execute and deliver to Lessor or Dealer a Certificate of Acceptance, in form and substance satisfactory to Lessor, within 7 days of the delivery of the Equipment or the Equipment will be deemed accepted by the Lessee. For all purposes of this Lease, acceptance is conclusively established by Lessee's execution and delivery of a Certificate of Acceptance provided by Lessor. Lessee authorizes Lessor to insert in each Equipment Schedule the serial numbers and other identifying data of the Equipment.
- 5. Location, and Inspection. Lessee shall not move the Equipment from the locations specified in the applicable Equipment Schedule without Lessor's prior written consent. Lessor and its representatives shall have the right from time to time during business hours to enter upon the premises where the Equipment is located to inspect the Equipment and Lessee's records to confirm Lessee's compliance with this Lease.
- 6. <u>Care, Use, and Maintenance.</u> Lessee shall, at its expense, at all times during the term of this Lease, keep the Equipment clean, serviced, and maintained in good operating order, repair, condition, and appearance in accordance with Lessor's manuals and other instructions received from Lessor. Lessee will not use or operate the Equipment, or permit the Equipment to be used or operated, in violation of any law, ordinance or governmental regulations. The Equipment will be used and operated only as golf cars. Lessee shall safely store the Equipment when not in use and properly secure it at night and such other times when the golf course on which the Equipment is used is closed to play, and Lessee shall be solely responsible for such storage and safekeeping. If the Equipment is electrical, Lessee shall provide sufficient and adequate electrical charging outlets and water facilities for the batteries which are a part of the Equipment.
- 7. Insurance. Effective upon delivery of the Equipment to Lessee and until the Equipment is returned to Lessor as provided herein, Lessee relieves Lessor of responsibility for all risk of physical damage to or loss or destruction of all the Equipment, howsoever caused. During the continuance of this Master Lease, Lessee shall at its own expense, cause to be carried and maintained with respect to each item of Equipment designated in each Equipment Schedule, public liability insurance in an amount of not less than \$1,000,000, and casualty insurance, in each case in amounts and against risk customarily insured against by Lessee in similar equipment and, in amounts and against risk acceptable to Lessor. All policies with respect to such insurance shall name Lessor as additional insured and as loss payee, and shall provide for at least thirty (30) days' prior written notice by the underwriter or insurance company to Lessor in the event of cancellation or expiration of any such policies. Lessee shall furnish appropriate evidence of such insurance to Lessor. Lessee shall bear the entire risk of loss, theft, destruction or damage to the Equipment from any cause whatsoever and shall not be relieved of the obligation to pay the total of the monthly payments or any other obligation hereunder because of any such occurrence. In the event of damage to any item of Equipment leased hereunder, Lessee, at its sole expense, shall immediately place the same in good repair and operating condition. In no event shall Lessor be liable for any loss of profit, damage, loss, defect or failure of any item of Equipment or the time which may be required to recover, repair, service, or replace the item of Equipment.
- 8. Storage. Lessee shall store the Equipment in such a manner as to prevent theft or damage from weather and vandalism.
- 9. <u>Title</u>. Title to the Equipment shall at all times remain with the Lessor. Lessee acquires only the interests of Lessee expressly described in this Lease, the applicable Equipment Schedule, and the riders attached hereto. Lessee shall not remove, move, or cover over in any manner any serial number on the Equipment. Lessee shall keep all Equipment free from any marking or labeling which might be interpreted as a claim of ownership thereof by Lessee or any party other than Lessor or anyone so claiming through Lessor. Lessor is hereby authorized by Lessee, at Lessor's expense, to cause this Master Lease, any Equipment Schedule or any statement or other instrument in respect of any Equipment Schedule as may be required by law showing the interest of Lessor in the Equipment to be filed and Lessee hereby authorizes Lessor or its agent to sign and execute on its behalf any and all necessary UCC-1 forms for such purpose. Lessor and Lessee hereby intend this transaction to be a lease. In the event that for any reason it is not deemed a lease, the Lessee hereby grants Lessor a security interest in the property shown on the Equipment Schedule.

- 10. <u>Warranties</u>. The Equipment is warranted only in accordance with the manufacturer's warranty. EXCEPT AS EXPRESSLY PROVIDED IN THE MANUFACTURER'S WARRANTY, LESSOR DISCLAIMS ANY OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND NON-INTERFERENCE.
- 11. Alterations and Attachments. Lessee may, with Lessor's prior written consent, make such cosmetic modifications to the Equipment as Lessee may deem desirable in the conduct of its business; provided, however, that such alterations shall not diminish the value or utility of the Equipment, or cause the loss of any warranty thereon or any certification necessary for the maintenance thereof; and provided, further, that such modification shall be removable without causing damage to the Equipment. Upon return of the Equipment to Lessor, Lessee shall, if Lessor so elects, remove such modifications which have been made and shall restore the Equipment to its original condition, normal wear and tear and depreciation excepted.
- 12. <u>Taxes</u>. Lessee shall cooperate with Lessor in all reasonable respects necessary in order for Lessor to qualify for any exemption or exclusion from personal property tax on the equipment or sales or use tax on the leasing of the Equipment to Lessee hereunder. In the event that any such tax becomes payable by Lessor during the term of this Lease, Lessee shall pay to Lessor as additional rent, promptly on receipt of Lessor's invoice therefor, an amount equal to such tax. Lessee shall collect and remit any and all sales, use, and other taxes payable in any state, county, or city in respect of the rental or other use of the Equipment by Lessee.
- 13. Indemnity: Notice of Claim. To the extent permitted by applicable law, Lessee shall be liable for, and hereby indemnifies Lessor and holds Lessor hamiless from and against, any and all claims, costs, expenses, damages, losses, and liabilities (including, without limitation, attorneys' fees and disbursements) arising in any way from the gross negligence or willful misconduct of Lessee or Lessee's agents and independent contractors, or their respective employees, agents or representatives. Lessee shall give Lessor prompt written notice of any claim arising out of the possession, leasing, renting, operation, control, use, storage, or disposition of the Equipment and shall cooperate in all reasonable respects at Lessee's expense in investigating, defending, and resolving such claim. In agreeing to this provision, Lessee does not intend to waive any defense or limit of sovereign immunity to which it may be entitled under Section 768.28, Florida Statutes, or otherwise provided. The parties acknowledge specific consideration has been exchanged for this hold hamiless/indemnification provision
- 14. Return of Equipment. Upon the termination of an Equipment Schedule for any reason, unless Lessee is thereupon purchasing the Equipment from Lessor, Lessee shall make the Equipment available for inspection and pick up by Lessor or Dealer at Lessee's location at which the Equipment was used hereunder. The Equipment shall be returned to Lessor at the termination of this Lease in the same operating order, repair, condition, and appearance as when received by Lessee, less normal depreciation and wear and tear (which shall not include damaged or missing tires or wheels).
- 15. Defaults. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Lease:
 - (a) Default by Lessee in the payment of any installment of rent or other charge payable by Lessee under any Equipment Schedule as and when the same becomes due and payable; or
 - (b) Default by Lessee in the performance of any other material term, covenant or condition of this Lease or any Equipment Schedule or the inaccuracy in any material respect of any representation or warranty made by the Lessee in this Lease or any Equipment Schedule, or in any document or certificate furnished to the Lessor in connection therewith, which default or inaccuracy shall continue for a period of 10 days after notice; ; or
 - (c) A petition under the Bankruptcy Code or under any other insolvency law providing for the relief of debtors shall be filed by or against Lessee; or
 - (d) The voluntary or involuntary making of any assignment of a substantial portion of its assets by Lessee for the benefit of creditors shall occur; a receiver or trustee for Lessee or for Lessee's assets shall be appointed; or any formal or informal proceeding for dissolution, liquidation, settlement of claims against or winding up of the affairs of Lessee shall be commenced; or
 - (e) Lessee shall default under any other lease or agreement between Lessee and Lessor [or any of its assignees hereunder]; or
 - (f) Lessee shall suffer a material adverse change in its financial condition from the date hereof, and as a result thereof Lessor deems itself or any of the Equipment to be insecure.
- 16. Remedies. Upon the occurrence of an Event of Default, Lessor, at its option, may pursue any one or more of the following remedies, in such order or manner as Lessor determines, each such remedy being cumulative and not exclusive of any other remedy provided herein or under applicable law:
 - (a) terminate all or any portion of the Equipment Schedules to this Lease;
 - (b) with or without terminating this Lease, take possession of the Equipment, with or without judicial process, Lessee hereby granting Lessor the right and license to enter upon Lessee's premises where the Equipment is located for such purpose;
 - (c) proceed by appropriate court action, either at law or in equity, to enforce performance by Lessee of the applicable covenants and terms of this Lease, or to recover from Lessee any and all damages or expenses, including reasonable attorneys' fees, which Lessor shall have sustained by reason of Lessee's default in any covenant or covenants of this Lease, or on account of Lessor's enforcement of its remedies thereunder; without limiting any other damages to which Lessor may be entitled, Lessor shall be entitled upon an Event of Default to damages in an amount equal to all Rent then due but unpaid, plus the aggregate amount of Rent thereafter coming due for the remaining term of this Lease, plus Lessor's costs and expenses of pursuing its remedies hereunder (including, without limitation, attorneys' fees), minus all amounts received by Lessor after using reasonable efforts to sell or re-lease the Equipment after repossession or from any guaranty by the Dealer or any third-party; and
 - (d) sell the Equipment or enter into a new lease of the Equipment.
- It is hereby agreed that no delay by Lessor in pursuing any remedy shall be treated as a waiver of or limitation on such remedy or any other remedy.
- 17. <u>Assignment.</u> Neither Lessee nor Lessor shall transfer, assign, or sublease (except for rentals to players as contemplated hereunder in the ordinary course of business), or create, incur, assume, or permit to exist any security interest, lien, or other encumbrance on, the Equipment, this Lease, or any interest of Lessee therein.
- 18. Lessee's Representations and Warranties.

 Lessee represents and warrants to Lessor that: (a) Lessee has the authority under applicable law to enter into and perform this Lease and each Equipment Schedule and rider hereto; (b) Lessee has taken all necessary action to authorize its execution, delivery, and performance of this Lease and each Equipment Schedule and rider hereto; (c) the Lease and each Page 3 of 4

Equipment Schedule and rider hereto have been duly executed and delivered by an authorized signatory of Lessee and constitute Lessee's legal, valid, and binding obligations, enforceable in accordance with their terms; (d) adequate funds have been budgeted and appropriated to enable Lessee to make all payments required under each Equipment Schedule to this Lease during the first twelve months of the term hereof; and (e) interest paid on indebtedness of Lessee held by Lessor would be excluded from Lessor's income for U.S. federal income tax purposes. Notwithstanding the requirements herein, in the event that any court of competent jurisdiction deems this Lease to be in violation of Article IV, Section 13 of Brevard County Ordinance 84-05 and/or Section 418.304 (13), Florida Statutes, Lessee shall have the right to immediately terminate this Lease Agreement upon notice to Lessor without penalty, and in such event, Lessee shall be responsible only for amounts of rent due but unpaid on effective date of termination. A finding by a court of competent jurisdiction that this Lease Agreement is in violation of Article IV, Section 13 of Brevard County Ordinance 84-05 and/or Section 418.304 (13), Florida Statutes shall not be deemed to constitute a default pursuant to Paragraph 15 of this Lease Agreement

- 19. Non-Appropriation of Funds. Notwithstanding anything contained in this Lease to the contrary, in the event no funds or insufficient funds are budgeted and appropriated or are otherwise unavailable by any means whatsoever for Rent due under the Lease with respect to a Equipment Schedule in any fiscal period after the period in which the term of the lease with respect to such Equipment Schedule commences, Lessee will immediately notify Lessor in writing of such occurrence and the Lessee's obligations under the Lease shall terminate on the last day of the fiscal period for which appropriations have been received or made without penalty or expense to Lessee, except as to (i) the portions of Rent for which funds shall have been budgeted and appropriated or are otherwise available and (ii) Lessee's other obligations and liabilities under the Lease relating to the period, or accruing or arising, prior to such termination. In the event of such termination, Lessee agrees to peaceably surrender possession of the Equipment to Lessor on the date of such termination in the manner set forth in the Lease and Lessor will have all legal and equitable rights and remedies to take possession of the Equipment. Notwithstanding the foregoing, Lessee agrees (i) that it will not cancel the Lease and the Lease shall not terminate under the provisions of this section if any funds are appropriated to it, or by it, for the acquisition, retention or operation of the Equipment or other equipment or services performing functions similar to the functions of the Equipment for the fiscal period in which such termination would have otherwise occurred or for the next succeeding fiscal period, and (ii) that it will not during the Lease term give priority in the application of funds to any other functionally similar equipment or to services performing functions similar to the functions of the Equipment. This section is not intended to permit Lessee to terminate the Lease in order to purchase, lease, rent or otherwise acquire the use of any other equipment or services performing functions similar to the functions of the Equipment, and if the Lease terminates pursuant to this section, Lessee agrees that prior to the end of the fiscal period immediately following the fiscal period in which such termination occurs, it will not so purchase, lease, rent or otherwise acquire the use of any such other equipment or services.
- 20. <u>Binding Effect; Successors and Assigns.</u> This lease and each Equipment Schedule and rider hereto shall be binding upon and shall inure to the benefit of Lessor and Lessee and their respective successors and permitted assigns. All agreements and representations of Lessee contained in this Lease or in any document delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Lease and the expiration or other termination of this Lease.
- 21. <u>Notices</u>. Any notice, request or other communication to either party by the other shall be given in writing and shall be deemed received only upon the earlier of receipt or three days after mailing if mailed postage prepaid by regular mail to Lessor or Lessee, as the case may be, at the address for such party set forth in this agreement or at such changed address as may be subsequently submitted by written notice of either party.
- 22. Governing Law. This Lease and each Equipment Schedule and rider hereto shall be governed by and construed in accordance with the laws of the State where Lessee's principal administrative offices are located without giving effect to the conflicts of laws principles of such state.
- 23. <u>Severability.</u> In the event any one or more of the provisions of this Lease or any Equipment Schedule or rider hereto shall for any reason be prohibited or unenforceable in any jurisdiction, any such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.
- 24. <u>Signed Counterparts</u>. The parties agree that this Lease may be signed in counterparts, that delivery of an executed counterpart of the signature page to this Lease by fax, email or other electronic means shall be as effective as delivery of a manually executed counterpart, and any failure to deliver the original manually executed counterpart sent by fax, email or other electronic means shall not affect the validity, enforceability or binding effect of this Lease. Notwithstanding any other provision of this Lease, the sole original of this Lease shall be the Lease bearing the stamped or manually executed signature of the Lessor. The Lessee, by making any payment required under this Lease, ratifies all of the terms of this Lease/Agreement.
- 25. Article 2A. To the fullest extent permitted by applicable law, Lessee waives any and all rights and remedies conferred by Sections 2A-508 through 2A-522 of Article 2A of the Uniform Commercial Code in effect in the state designated in Section 22 above, except to the extent that such right or remedy is expressly granted to Lessee herein.
- 26. <u>Statute of Limitations</u>. Any action by Lessee against Lessor or Dealer for any breach or default under this Lease must be commenced within one year after the cause of action accrues.
- 27. Entire Agreement. This Lease and all Equipment Schedules and riders hereto constitute the entire agreement between Lessor and Lessee with respect to the subject matter hereof, and there are no agreements, representations, warranties, or understandings with respect to such subject matter except as expressly set forth herein and therein. No alternation or modification of this Lease or any Equipment Schedule or rider hereto shall be effective unless it is in writing and signed by Lessor and Lessee.

IN WITNESS WHEREOF, Lessor and Lessee have call	used this Lease to be ex	secuted on the date first above written.

Ernie Cruz Barefoot Bay Recreation District 625 Barefoot Boulevard Barefoot Bay, FL 32976

Ernie,

On behalf of the entire team at Yamaha Golf-Car Company, I would like to express my sincerest gratitude for the opportunity to submit this proposal for a new fleet of Yamaha golf cars at Barefoot Bay Recreation District. Consistently ranked among the most beloved brands in the world, Yamaha prides itself on providing superior engineering and efficiency in its vehicles, as you have experienced over the past three (3) years.. We look forward to continuing our relationship with you for many years in the future.

Since the launch of "The Drive" model golf car in late 2006, Yamaha has been on a steady climb to the top of the industry, gaining more than 18% market share over that span, due in large part to our:

- Industry-Leading Factory Direct Fleet Service
- Classy Body Styling & Premium Accessories
- Engineering that Emphasizes Player Comfort and Functionality
- Lowest-Maintenance Golf Car in the Industry

The combination of great products and service is just one example of what sets Yamaha apart from the rest of the industry. Our goal is to look out for the best interests of your fleet and your Club, while maintaining your out-of-pocket maintenance costs and down time.

Most importantly, I want to emphasize how appreciative we are of this opportunity and how confident I am that you and your members' needs and expectations will be met and far exceeded. Yamaha is committed to earning your trust and your business, and to continue to be your golf car solutions provider for years to come.

Sincerest regards,

Paul Meyer

District Sales Manager,

Superior Battery Performance

Yamaha uses only the industry-best Trojan T-875 Deep Cycle 8-Volt batteries. When you are an industry leader, exaggerated competitor claims are common, but Trojan Battery Company believes that the proof is in the performance. Trojan is the only battery company that provides sustained capacity over the life of the battery and is the only company to meet their published capacity rating during independent testing. When choosing your electric fleet batteries, three important questions come to mind:

- 1. Will the battery perform?
- 2. Will the battery last?
- 3. Will the battery be reliable over time?

Yamaha is committed to providing you with the battery configuration that answers, "Yes" to all of these important questions. It's simple, really - we took the best battery and put it in the best golf car.

BACK OFFICE

- Manage your tee sheet in the clubhouse, in the cloud, or wherever you choose.
- Manage your entire operation, including the golf shop, cart barn, restaurant, and maintenance building from your favorite mobile device with our web-based system.
- Integrated leasing with Yamaha's in-house financing, enabling a seamless transaction.
- Built-in point of sale system allows you to manage your customer's information and inventory easily.

CAR CONTROL

- Set geo-fence zones to control speed and car location on the golf course.
- Use the shutdown feature to prevent losses by day, and the lockdown feature for better security overnight.
- Monitor amp hours and car battery conditions automatically to improve fleet rotation and maximize battery life.
- Monitor pace of play to assist with scheduling rounds and optimize marshal activity.
- Use the car tracking feature to show car location history.

PLAYER APP

If you have a Yamaha fleet, then we've already built your mobile app for you. Activating the app for your course is easy and convenient, and the mobile-based software allows your players to navigate their round no matter where they are on the course or in the game. The YamaTrack Player App assures player support is just around the corner, so they can spend more energy on their game.

Customize your golf course's mobile player app with your unique club logo.

Accurate course diagrams and the GPS Precise Distance to Pin feature enables players to gauge their shots for more holes-inone than ever before. Food and beverage ordering from the course means a satisfying meal or refreshing beverage is never far away.

Limited 4-Year Warranty for Drive² Golf Car

Yamaha Golf-Car Company hereby warrants that any new Yamaha DRIVE² Gas or DRIVE² Electric golf car purchased from Yamaha, or an Authorized Dealer or Distributor in the United States will be free from defects in material and workmanship for FOUR years from date of purchase, subject to the stated limitations. DURING THE PERIOD OF WARRANTY, any authorized Yamaha golf car service technician, dealer, or distributor will, free of charge, repair or replace, at Yamaha's option, any part adjudged defective by Yamaha due to faulty workmanship or material from the factory. Parts used in warranty repairs will be warranted for the balance of the vehicle's warranty period. All parts replaced under warranty become property of Yamaha Golf-Car Company.

Gasoline powered golf car starting batteries on vehicles equipped with a golf course GPS device, or any other device with a parasitic current draw, unless the vehicle is equipped from the factory with an optional deep cycle starting battery, are also excluded from this warranty.

THE CUSTOMER'S RESPONSIBILITY under this warranty shall be to operate and maintain the golf car and charger as specified in the appropriate Owner's/ Operator's Manual, and give notice to an authorized Yamaha golf car dealer of any and all apparent defects within ten (10) days after discovery, and make the vehicle or charger available at that time for inspection and repairs by the dealer's authorized representative.

WARRANTY TRANSFER: Any transfer of warranty must take place within the first three years of the original in-service date of the vehicle. The vehicle must be re-registered by an authorized Yamaha Golf-Car Dealer within 30 days of transfer. A fee may be charged for the transfer of the warranty.

Yamaha Golf-Car Company makes no other warranty of any kind, expressed or implied. All implied warranties of merchantability and fitness of merchantability and fitness for a particular purpose which exceed the obligations and time limits stated in this warranty are hereby disclaimed by Yamaha Golf-Car Company and excluded from this Warranty. Some states do not allow limitations on how long implied warranty lasts, so the above limitation may not only apply to you. Also excluded from this Warranty is any incidental or consequential damages including loss of use. 4-Year Limited Warranty for <u>Trojan</u> Electric Golf Car and Utility Vehicle Batteries when Charged with a <u>Yamaha</u> 48-Volt Charger

Yamaha Golf-Car Company (herein referred to as "YGC") hereby warrants to the Original Retail Purchaser or Lessee of a YAMAHA The Drive golf car or PTV, Adventurer utility vehicle, or YAMAHA Concierge transportation or specialty car purchased from Yamaha, or an Authorized Dealer or Distributor in the United States r, that the **Trojan** batteries charged with a **YAMAHA** battery charger will be free from defects in materials and workmanship, and will provide "36-hole performance" as follows:

- 4-years or 23,500 amp-hours with T-875
- 4-years or 25,000 amp-hours with T-875 batteries & the addition of a factory-installed Trojan HydroLink Battery Watering System.

WARRANTY LIMITATIONS

Yamaha Golf-Car Company's and Trojan Battery Company's limit of liability shall be to replace a defective battery. Replacement shall mean furnishing a new battery or used battery with sufficient life to complete the remainder of the warranty term, at no cost to the purchaser during the limited warranty period, except for labor or transportation expenses. The following conditions apply:

- Amp-hours will be determined either through the Genius controller or through other means necessary in the event of a controller failure or replacement.
- This warranty only applies to factory installed Trojan battery sets charged with a Yamaha battery charger.
- The customer must perform (or have a contracted Yamaha Dealer perform) all periodic maintenance and discharge testing as specified in the Yamaha Service Manual Maintenance Schedule. No labor or transportation expenses are included in this limited warranty. Maintenance records must be kept.
- YGC supplied or approved replacement batteries may be of a different brand or capacity, but are warranted to provide 36-hole performance for the remainder of the original warranty term.
- "36-hole performance" is defined as 60-minutes discharge time as tested and recorded using a Lester model #17770 discharge machine at an ambient temperature of between 60 and 100 degrees F (16 and 38 degrees C). Ambient temperatures between 60 and 80 degrees F (16 and 27 degrees C) must be corrected using the formula: Adjusted Discharge Time = (Discharge Minutes) / (1-(((80-TEMP)/100) x 0.64)).
- The customer must notify the Dealer within 10 days that a vehicle has failed to make 36 holes per day. YGC reserves the right to test and recharge any battery in question.

ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE VOID AND EXCLUDED SUBSEQUENT TO ONE YEAR FROM THE DATE OF PURCHASE. THE REPLACEMENT OF THE BATTERY IS THE EXCLUSIVE REMEDY UNDER THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY. YAMAHA MAKES NO OTHER REPRESENTATION OR WARRANTY OF ANY KIND, AND NO REPRESENTATIVE, EMPLOYEE, DISTRIBUTOR OR DEALER OF YAMAHA HAS THE AUTHORITY TO MAKE OR IMPLY ANY REPRESENTATION, PROMISE OR AGREEMENT WHICH IN ANY WAY VARIES THE TERMS OF THIS WARRANTY.

LIMITED WARRANTY EXCLUSIONS:

Without limiting the generality of the foregoing in any way, and as part of its limited warranty exclusion, YAMAHA does not warrant that its battery is suitable for use in any application other than in a golf car or utility vehicle. As in the use of any battery, a prudent owner will read and study the charger owner's manual, the vehicle owner's manual, the operator's instructions, and the battery warning labels; and will exercise due care in working on or around batteries.

THE PROVISIONS OF THIS LIMITED WARRANTY SHALL NOT APPLY IF BATTERIES ARE SUBJECTED TO ANY OF THE FOLLOWING CONDITIONS:

- Abuse or neglect such as improper fluid levels, loose wiring, rusted or corroded hardware.
- Lack of proper maintenance as outlined in the electric vehicle Operator's Manual. For example, lack of regular battery watering or adding water to battery before charging.
- Damage caused by improper installation of the battery.
- Neglect, breakage, freezing, fire, explosion, wreckage, the addition of any chemical, or the operation of the battery in an uncharged condition (below half-charge 1.200 specific gravity).
- Battery charged by systems other than the original equipment type battery charger.
- On fleet golf cars, the use of any non-YAMAHA supplied electrical devices that consume more than one amp-hour per round or two amp-hours per day of battery energy.
 Examples of these devices include, but are not limited to: heating or cooling systems; GPS (global position system) devices; information gathering devices; lights; radios or stereos; or yardage measuring devices.
- Less than one charger per car or inadequate facility electrical power to power all chargers. Examples include more than one charger on a single circuit, circuit rating of less than 15 amps, or not enough circuits for the number of cars.
- In fleet applications, less than one battery charger per vehicle. For example, using only 10 battery chargers to charge a 15 car fleet.
- The use of any system that does not allow the battery chargers to shut off automatically. For example, timer systems that are designed to switch battery charger AC power on and off during peak demand hours.
- Damage not resulting from a defect in materials or workmanship or which occurs due to abuse or neglect (including failure to provide reasonable and necessary maintenance), accident, alteration or acts of God is excluded from this limited warranty.

THIS BATTERY IS INTENDED TO BE USED BY PERSONS WITH TRAINING AND EXPERIENCE WITH BATTERIES AND ONLY IN YAMAHA ELECTRIC VEHICLES. ANY OTHER USE RENDERS THE LIMITED WARRANTIES EXPRESSED HEREIN AND ALL IMPLIED WARRANTIES NULL AND VOID AND SAME ARE HEREBY EXCLUDED.

ALSO EXCLUDED FROM THIS LIMITED WARRANTY ARE ANY AND ALL INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, LOSS OF USE OR REVENUE, LOSS OF TIME, INCONVENIENCE OR ANY OTHER ECONOMIC LOSS.

Some states do not allow limitation on the duration of an implied warranty, exclusions or limitations of incidental or consequential damages. Therefore, the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary state to state.

I have read and agree to the above conditions set forth in the Golf-Car Warranty_____ (Initial)

Approval of change order #1 to add 270 linear feet to shoreline restoration project to address eroding canal banks between Barefoot Circle and the ABM worksite.

Background and Summary Information

On April 23, 2019, the BOT awarded a contract to American Shoreline Restoration, Inc in the amount of \$104,882.00 for the restoration of 3,720 linear feet of golf course lake banks via the installation of geo-tubbing and soil reclamation from the lakes. Due to the continued erosion problem along the banks of the canal between Barefoot Circle and the ABM worksite, staff solicited a change order from the vendor to add geo-tubbing to this waterway. In absence of approval of this change order, staff will continue the periodic time intensive repairs to the northern lake bank (removal of fence, deposit of fill dirt, compaction as possible, sodding and re-erection of fence panels).

Staff believes the approval of this change order is a cost-effective way to improve the safety of the area for maintenance crews and to ensure continued adequate flow from the Golf Course lake during and after periods of heavy rainfall.

Staff recommends the BOT <u>approve American Shoreline Restoration</u>, <u>Inc. change order #1 in the amount of \$8,910.00</u> and instruct staff to transfer the required amount from R&M/Capital Contingency to said account.

RE: lake erosion repair - ABM Maintenance site

Change Order #1

Via email to: ecruz@bbrd.org

American Shoreline Restoration (ASR) agrees to repair a total of 270 linear feet (LF) of shoreline at Barefoot Bay Golf Course, adjacent to the ABM Maintenance site.

The repair will be performed during the same time as the work per Agreement dated March 11, 2019. This additional work will be referred to as "change order # 1".

The total cost is \$33 per LF times 270 = \$8910 due at project completion.

All aspects of the March 11, 2019 Agreement are applicable to this Change Order.

INDEPENDENT CONTRACTOR AGREEMENT

THIS INDEPENDENT CONTRACTOR AGREEMENT ("Agreement") is made and entered into this <u>2.2</u> day of July, 2019, by and between BAREFOOT BAY RECREATION DISTRICT, (hereafter referred to as "BBRD"), whose address is 625 Barefoot Boulevard, Barefoot Bay, Florida 32976 and American Shoreline Restoration, Inc. (hereafter referred to as "Contractor") whose address is 4521 PGA Blvd., Suite 134, Palm Beach Gardens, FL 33418.

RECITALS

WHEREAS, BBRD is a mobile home recreational district in the State of Florida; and

WHEREAS, Contractor is in the profession of erosion control, erosion restoration and shoreline restoration, and is licensed in the State of Florida as a General Contractor; and

WHEREAS, BBRD is desirous (Board of Trustees Agenda Memo attached and specifically incorporated herein as Exhibit "A") of engaging contractor to: lake bank restoration at the Barefoot Bay Golf Course, 1223 Barefoot Blvd., Barefoot Bay, FL 32976; and

WHEREAS, it is determined to be in the mutual advantage of BBRD and Contractor to enter into this Agreement set forth herein.

NOW, THEREFORE, in consideration of the covenants and agreements herein contained, Contractor's specific agreement to the terms hereof, and the monies to be paid hereunder, BBRD agrees to hire Contractor and Contractor agrees to perform the Services for BBRD upon the following terms and conditions:

AGREEMENT

- 1. <u>Recitals</u>. The above recitals are true and correct, form a material part of, and are incorporated into this Agreement.
- 2. <u>Scope of Services</u>. Contractor hereby agrees to perform the following services for BBRD during BBRD's normal business hours and/or any hours as may be mutually agreed upon between BBRD's officers and Contractor:
 - (A) Install 3,720 linear feet of geo-tubing stabilization as detailed in the contractor's bid (Bid is attached and specifically incorporated herein as Exhibit "A");
 - (B) Work to be performed at Barefoot Bay Recreation District Golf Course 1223 Barefoot Blvd., Barefoot Bay, FL 32976;
 - (C) Work to commence no later than May 01, 2020;
 - (D) Site to be restored per bid specifications and cleaned of all debris and adjacent landscaped areas restored to conditions as found prior to start of work; and
 - (E) Secure all permits as required by regulatory agencies.

Contractor specifically agrees to maintain any and all appropriate local, State, and/or Federal licenses necessary to perform work as outlined in the Scope of Services.

- 3. <u>Compensation</u>. BBRD will pay Contractor the sum of \$104,880.00 plus permitting costs as follows:
 - a. \$42,000.00 deposit no later than January 15, 2020
 - \$62,882.00 upon final acceptance by BBRD

Contractor shall invoice BBRD upon completion of each phase listed above and BBRD shall make payment to contractor within 14 days of receipt of invoice.

- 4. Relationship of Parties/Insurance. The parties hereby agree and intend that the relationship of Contractor to BBRD is that of an independent contractor. Contractor shall provide a copy of Contractor's Certificate of Liability, Workers Compensation, and Auto Insurance listing Barefoot Bay Recreation District as an additional insured in regard to Liability Insurance.
- 5. Indemnity. The Contractor shall indemnify and hold harmless BBRD and its officers. agents, and employees from and against all claims, damages, losses, and expenses, including attorney's fees arising out of or resulting from any actions or omissions taken under this Agreement, where such claim, damage, loss, or expense is caused, in whole or in part, by the act or omission of the Contractor, or anyone directly or indirectly employed by the Contractor, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused by or in part by a party indemnified thereunder. As part of this indemnification, Contractor agrees to pay, on behalf of the BBRD, the cost of BBRD's legal defense as may be selected by BBRD for all claims described in this paragraph. Such payment on behalf of BBRD shall be in addition to any and all legal remedies available to BBRD and shall not be considered to be BBRD's exclusive remedy. In agreeing to this provision, BBRD does not intend to waive any defense or limit of sovereign immunity to which it may be entitled under Section 768.28, Florida Statutes or otherwise provided. The parties acknowledge that specific consideration has been exchanged for this provision
- 6. Control of Work. Contractor shall have sole control of the manner and means of performing the Services described in Paragraph 2 herein, and shall complete said Services by Contractor's own means and methods of work. Nothing in this Agreement will allow BBRD to exercise control or direction over the manner, means, or method by which Contractor provides the Services under this Agreement. Although Contractor shall control the method of performing services as provided herein, Contractor shall perform all work in a timely manner. Contractor shall permit BBRD personnel unlimited access to worksite to inspect quality of work and materials being used.
- 7. Warranty. Contractor provides the following warranties:
 - a. Materials:
 - 15 years from date of completion of project.
 - b. Workmanship of installation:
 - 15 years from date of completion of project.

- 8. <u>Waiver</u>. No waiver is enforceable unless in writing and signed by such waiving party, and any waiver shall not be construed as a waiver by any other party or as a waiver of any other or subsequent breach.
- 9. <u>Amendments</u>. This Agreement may not be amended or modified unless by the mutual consent of all of the parties hereto in writing. All amendments or modifications shall be attached to this Agreement and made a part thereof.
- 10. <u>Indemnification:</u> Contractor shall indemnify and hold harmless BBRD and its officers, agents, and employees from and against all claims, damages, losses, and expenses, including attorney's fees arising out of or resulting from any actions or omissions taken under this Agreement, where such claim, damage, loss, or expense is caused, in whole or in part, by the act or omission of Contractor, or anyone directly or indirectly employed by Contractor, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused by or in part by a party indemnified thereunder. As part of this indemnification, Contractor agrees to pay, on behalf of the BBRD, the cost of BBRD's legal defense as may be selected by BBRD for all claims described in this paragraph. Such payment on behalf of BBRD shall be in addition to any and all legal remedies available to BBRD and shall not be considered to be BBRD's exclusive remedy. In agreeing to this provision, BBRD does not intend to waive any defense or limit of sovereign immunity to which it may be entitled under Section 768.28, Florida Statutes or otherwise provided.

BBRD shall indemnify and hold harmless Contractor and its officers, agents, and employees from and against all claims, damages, losses, and expenses, including attorney's fees arising out of or resulting from any actions or omissions taken under this Agreement, where such claim, damage, loss, or expense is caused, in whole or in part, by the act or omission of BBRD, or anyone directly or indirectly employed by BBRD, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused by or in part by a party indemnified thereunder. As part of this indemnification, BBRD agrees to pay, on behalf of Contractor, the cost of Contractor's legal defense as may be selected by Contractor for all claims described in this paragraph. Such payment on behalf of Contractor shall be in addition to any and all legal remedies available to Contractor and shall not be considered to be Contractor's exclusive remedy. BBRD agrees that in no event shall Contractor be liable for any consequential, incidental, indirect, exemplary or special damages, whether in contract or in tort, in any action, in connection with any goods or services provided by Contractor. The parties acknowledge that specific consideration has been exchanged for this provision. This section shall survive the termination of this agreement.

11. Public Records. All documents, maps, drawings, data and worksheets maintained by Contractor for BBRD under this Agreement shall be deemed public records pursuant to Chapter 119, Florida Statutes and shall be maintained as public records by Contractor. Upon request from the BBRD public records custodian, provide BBRD with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost allowable under Florida Law. Contractor agrees to ensure that public records that are confidential and exempt from disclosure are not disclosed except as authorized by law. Contractor agrees that

upon termination of this Agreement, all proprietary interest of BBRD in its business assets, tangible or intangible, including records, files, lists and information which Contractor deals with or develops during the course of this Agreement shall remain the sole and exclusive property of BBRD, and in no event shall Contractor acquire any interest therein. Contractor agrees that in the event of termination of this Agreement, Contractor shall promptly return at no cost to BBRD all public records documents, forms, contracts, lists and completed work or work in progress relating to the affairs of BBRD and any personal property of BBRD in Contractor's possession at the time of termination. Notwithstanding the foregoing, and in lieu of transferring public records back to BBRD at the termination of this Agreement, the Auditor may keep and maintain public records in accordance with Florida Law at the time of termination of this Agreement. Upon the transfer of public records from Auditor to BBRD at the time of termination of this Agreement, as provided for herein, duplicate public records that are exempt or confidential shall be destroyed by Auditor at the time of termination. If Auditor keeps and maintains public records upon termination of this agreement, the contractor shall meet all applicable state statutory requirements for retaining public records. Public records maintained by Auditor in an electronic format, shall be provided to BBRD in a format that is compatible with the information technology systems of BBRD at the time of termination. All title to supplies, records of any type whatsoever, equipment and furnishings shall remain the sole property of BBRD.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 772.664.3141, DawnMyers@bbrd.org, BAREFOOT BAY RECREATION DISTRICT, 625 BAREFOOT BOULEVARD, BAREFOOT BAY, FL 32976

- 12. Governing Law, Venue, and Attorney's Fees. This Agreement shall be governed by the laws of the State of Florida. Any action or legal proceedings to enforce this Agreement or any of its terms, or for indemnification, shall be exclusively brought and prosecuted in an appropriate court of jurisdiction in and for Brevard County, Florida, and the parties to this Agreement consent to the personal jurisdiction and venue of such courts and to the service of process by any manner provided by Florida law. In the event that any legal or equitable action is brought by either party to enforce the terms of this Agreement and/or regarding any work performed pursuant this Agreement, the prevailing party shall be entitled to recover all attorney's fees and costs associated with the bringing such action.
- 13. Assignment and Binding Effect. The rights and obligations of the Contractor under this Agreement are personal. This Agreement may not be assigned or transferred in whole, or in part, by either party without the prior written consent of the other party. This Agreement shall be binding upon and inure for the benefit of the parties hereto and their respective heirs and permitted successors and/or assigns.

- 14. <u>Severability</u>. This Agreement shall be construed to be valid and enforceable to the fullest extent allowed by applicable law. The invalidity or unenforceability of any term, sentence, or provision of this Agreement shall not affect the validity or enforceability of any other term, sentence or provision of this Agreement, which shall remain in full force and effect.
- 15. **Notices.** All notices, requests, demands or other communications required or permitted hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand or mailed registered or certified mail, return receipt requested, and postage prepaid:

Requested Action by BOT

Direction to staff regarding type of lake bank stabilization desired

Background and Summary Information

At the April 12, 2019 BOT meeting, staff requested the award of contract for lake bank stabilization be tabled until the May 10th meeting so a discrepancy could be resolved. Prior to soliciting the additional quotes requested by the BOT (on April 12th), staff contacted St. John's Water Management District to clarify if any of the additional types of stabilization were prohibited. Attached is the email received and excerpt of SJWMD policy. Below is a pertinent excerpt of the e-mail.

"...please see attached the District criteria for pond side slopes in the attached under Section 2.6.1 at the bottom of the page. The criteria requires that slopes steeper than 4:1 be fenced or otherwise restricted from public access, so a vertical retaining wall would fall under this."

Hence, staff requests direction regarding how to proceed in the solicitation of additional information for the May 10, 2019 BOT meeting.

Below in italic is text and a condensed table from the April 12th BOT Meeting agenda memo.

Due to the abandonment of the long-term financing by the current BOT, the FY19 Budget has surplus fund balance to fund additional projects. The Lake Bank Restoration, Phase 6 project was one identified and recommended by staff for funding. The BOT at the January 31, 2019 FY20-24 5yrFM&CIP Workshop agreed by consensus to pursue this project in FY19 at an estimated cost of \$87,000.00. Additionally, at said workshop, Trustee Wheaton requested staff research an optional scope of work (retaining wall around Green #10) to be funded in FY19. Staff solicited the following quotes/estimates

Exhibit A

	Geo-tubing	#10 Retaining wall
American Shoreline Restoration, Inc.		
3,720 linear feet	104,882	e e e e e e e e e e e e e e e e e e e
Anchor Marine Services		B. J. Marin
3,860 linear feet	136,320	and the substitute of the state
Land and Sea Marine (210 ft. of seawall)		\$50,000-\$60,000
Dock Side Builders (210 ft. of seawall)	APPORTURE SERVICIO PORTEGO ANT SE ANTONIO CONTRA LA CONTRA	24,000

(above table condensed from original)

Additionally, Trustee Henderson has identified the following alternates to geo-tubing:

- Lee Composites (fiberglass interlocking seawall)
- Gabon Retaining Walls (monolithic gravity mass structures)

The following options are available to the BOT:

- Award contract for all geo-tubing sections (using additional fund balance above the \$87,000.00)
- Award contract for only a portion of the geo-tubing proposals. The vendors have indicated their
 willingness to honor componential pricing per the quotes. Hence, if the BOT wishes to stay within the
 \$87,000 included in the FY20-24 5yrFM&CIP "FY19 Year-end Estimate," the removal of Hole #14 geotubing from the American Shoreline Restoration, Inc. proposal would suffice.
- Award contract for the seawall on Green #10 and use the balance of the \$87,000.00 to fund an additional section of geo-tubbing, thereby staying within budget.
- Award contract for the seowall on Green #10, and all quoted geo-tubbing by American Shoreline Restoration, Inc. using additional fund balance above the identified \$87,000.
- Table this topic and instructed staff to solicit quotes for alternates identified by Trustee Henderson
- Alternate course of action as directed by the BOT.

Staff request direction from the BOT regarding how to proceed.

RE: lake erosion repair adjacent to holes14, 10 & 12, and, 10 & 17

Bid / Agreement

American Shoreline Restoration (ASR) agrees to repair a total of 3720 linear feet (LF) of shoreline at Barefoot Bay Golf Course. The repair includes 840 LF adjacent to hole 14, 1400 LF adjacent to holes 10 & 12, and 1480 LF adjacent to holes 10 & 17.

The entire project will receive one layer of permanent geo-tube constructed of "404 woven" monofilament polypropylene, with a layer of polyethylene for added UV protection. The green on hole 10 will receive a double layer of "404 woven" permanent geo-tube for approximately 150 LF due to the steep erosion drop-off.

The entire project will receive a second - <u>fully filled</u> - "sacrificial" geo-tube layer that will provide fill material used to create a 4:1 slope above the permanent geo-tube - AND provide excess fill that will be pushed into the water to create a small beach or shallow area (depending on depth) immediately adjacent to the edge of the permanent geo-tube.

The entire installation will conform to the State of Florida Water Management District specifications for "non bulkhead / lake maintenance" geo-tube repair. The project will gain an average of 3 feet of new land when completed.

All existing lakeside drain pipes will be extended under the geo-tube installation with Sch. 40 PVC or double wall ADS piping. Irrigation intake pipes will be incorporated into the geo-tube installation and will be unaffected by the installation.

The cost per linear foot as outlined below, includes the purchase and installation of Bermuda 419 sod, and is the total "turn key" cost to Barefoot Bay Golf Course.

(Barefoot Bay / ASR Bid / Agreement - page 1 of 2)

Exhibit A

Hole # 14 = 840 linear feet times \$27 = \$22,680 Hole # 10 & 12 = 1400 linear feet times \$27 = \$37,800 Hole # 10 & 17 = 1480 linear feet times \$30 = \$44,400 TOTAL 3720 \$104,880

ASR offers interest free payments with a 40% deposit (\$41,952) and the balance due (\$62,928) payable in 48 equal monthly installments of \$1311.

ASR scope of work includes all material, equipment, supplies, labor, sod, and sod installation expense necessary to restore the shoreline according to the descriptions and pictures depicted in the ASR brochure and this Agreement.

ASR warrants all geo-tube installations against defects in material and workmanship, and will repair or replace, at our option, any such defects at no charge, for a period of fifteen (15) years after completion.

Work will progress on weekdays until completed, weather permitting. Project completion rate is approximately 100 LF per day. Start date to be determined.

Contract Renewal
Contract No.: 21100000-15-1
Contract Name: Agriculture and Lawn Equipment

This Amendment ("Amendment"), effective as of July 1, 2017 to the Agriculture and Lawn Equipment Contract No. 21100000-15-1 ("Contract"), between the State of Florida, Department of Management Services ("Department") and Deere & Company ("Contractor") are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the Contract unless otherwise defined herein.

WHEREAS the Department awarded the above referenced Contract to Deere & Company for the provisions of Agriculture and Lawn Equipment; and

WHEREAS the Parties agreed that the Contract may be amended by mutual agreement as provided in section Q. "Renegotiation or Modification" of the Contract; and

WHEREAS the Parties agree to renew the Contract as provided in section 4.15 "Renewal" of Contract No. 21100000-15-1; and

THEREFORE, in consideration of the mutual promises contained below, and other good and valuable consideration, receipt, and sufficiency of which are hereby acknowledged, the Parties agree to the following:

I. Contract Amendment

Section 4.12 "Records Retention" has been renamed to "Document Management", deleted it in its entirety and replaced with the following:

The Contractor must retain sufficient documentation to substantiate claims for payment under the Contract and all other records, electronic files, papers and documents that were made in relation to this Contract. Contractor must retain all documents related to the Contract for five years after expiration of the Contract, or, if longer, the period required by the General Records Schedules maintained by the Florida Department of State available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/.

Section 4.13.1 "Access to Public Records" has been renamed to "Public Records," deleted in its entirety and replaced with the following:

The Department may unilaterally cancel this Contract for refusal by the Contractor to comply with this section by not allowing public access to all documents, papers, letters or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from section 24(a) of Article I of the State Constitution and section 119.07(1), F.S.

Contract Renewal
Contract No.: 21100000-15-1
Contract Name: Agriculture and Lawn Equipment

Solely for the purposes of this section the contract manager is the agency custodian of public records, unless another is designated per (e), below.

If, under a resulting contract or purchase order, the Contractor is providing services and is acting on behalf of a public agency, as provided by section 119.0701, Florida Statutes. The Contractor shall:

- (a) Keep and maintain public records required by the public agency to perform the service;
- (b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within reasonable time and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the contract term and following the completion of the contract if the contractor does not transfer the records to the public agency;
- (d) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency; and
- (e) IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT THE TELEPHONE NUMBER, EMAIL ADDRESS AND MAILING ADDRESS PROVIDED IN THE RESULTING CONTRACT OR PURCHASE ORDER.

Section 4.13.2 "Protection of Trade Secrets or Other Confidential Information" has been renamed to "Protection of Trade Secrets or Confidential Information," deleted in its entirety and replaced with the following:

Contract Renewal
Contract No.: 21100000-15-1
Contract Name: Agriculture and Lawn Equipment

If the Contractor considers any portion of materials made or received in the course of performing the Contract ("contract-related materials") to be trade secret under section 812.081, F.S., or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as "confidential" when submitted to the Department.

If the Department receives a public records request for contract-related materials designated by the Contractor as "confidential," the Department will provide only the portions of the contract-related materials not designated as "confidential." If the requester asserts a right to examine contract-related materials designated as "confidential," the Department will notify the Contractor. The Contractor will be responsible for responding to and resolving all claims for access to contract-related materials it has designated "confidential."

If the Department is served with a request for discovery of contract-related materials designated "confidential," the Department will promptly notify the Contractor about the request. The Contractor will be responsible for filing the appropriate motion or objection in response to the request for discovery. The Department will provide materials designated "confidential" only if the Contractor fails to take appropriate action, within timeframes established by statute and court rule, to protect the materials designated as "confidential" from disclosure.

The Contractor will protect, defend, and indemnify the Department for claims, costs, fines, and attorney's fees arising from or relating to its designation of contract-related materials as "confidential."

Section 4.21 "Scrutinized Company List" has been renamed to "Contractor Certification," deleted it in its entirety and replaced with the following:

If the Contract exceeds \$1,000,000.00 in total, not including renewal years, Contractor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to section 215.473, F.S. Pursuant to section 287.135(5), F.S., Contractor agrees the Department may immediately terminate the Contract for cause if the Contractor is found to have submitted a false certification or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

Section 4.27.3 "Transaction Fee Reports" has been renamed to "Transaction Fees," deleted it in its entirety and replaced with the following:

Contract Renewal
Contract No.: 21100000-15-1
Contract Name: Agriculture and Lawn Equipment

The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(22), Florida Statutes. All payments issued by Customers to registered Vendors for purchases of commodities or contractual services will be assessed Transaction Fees as prescribed by rule 60A-1.031, Florida Administrative Code, or as may otherwise be established by law. Vendors must pay the Transaction Fees and agree to automatic deduction of the Transaction Fees, when automatic deduction becomes available. Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or reporting of transactions will constitute grounds for declaring the Vendor in default and subject the Vendor to exclusion from business with the State of Florida.

Section 4.27.4 "Diversity Reporting" has been deleted in its entirety and replaced with the following:

The State of Florida supports its diverse business community by creating opportunities for woman-, veteran-, and minority-owned small business enterprises to participate in procurements and contracts. The Department encourages supplier diversity through certification of woman-, veteran-, and minority-owned small business enterprises, and provides advocacy, outreach, and networking through regional business events. For additional information, please contact the Office of Supplier Diversity (OSD) at osdinfo@dms.myflorida.com.

Upon request, the Contractor will report to the Department its spend with business enterprises certified by the OSD. These reports must include the time period covered, the name and Federal Employer Identification Number of each business enterprise utilized during the period, commodities and contractual services provided by the business enterprise, and the amount paid to the business enterprise on behalf of each Customer purchasing under the Contract.

Section 4.32 "Cooperation with Inspector General" has been added as follows:

Pursuant to subsection 20.055(5), F.S., Contractor, and any subcontractor to the Contractor, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Contractor shall provide any type of information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor shall retain such records for five years after the expiration

of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/), whichever is longer. The Contractor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

Approved execution of Agreement with Family Pools, Inc.

Background and Summary Information

On September 24, 2019, the BOT authorized award of a contract for pools Construction, Consultation, and Inspection Services to be awarded to Family Pools, Inc.

The following terms of Agreement apply:

\$250.00 per hour per professional hourly billing for positions involved in the provision of consultation and inspection services. One-way travel time from Port St. Lucie to BBRD is billable.

40% overhead/profit rate will be built into construction related proposals. Staff was able to get clarification that "overhead/profit" is all costs above materials and permitting costs.

The draft agreement sent to the vendor is attached. Any changes to the draft will be provided to the BOT prior to the meeting.

Staff recommends the BOT authorize Chairman Klosky to sign the agreement.

INDEPENDENT CONTRACTOR AGREEMENT FOR POOL CONSTRUCTION AND CONSULTATION SERVICES

THIS INDEPENDENT CONTRACTOR	R AGREEMENT ("Agreement") is made and
entered into this day of	, 2019, by and between BAREFOOT BAY
RECREATION DISTRICT , (hereafter referred	to as "BBRD"), whose address is 625 Barefoot
Boulevard, Barefoot Bay, Florida 32976 and FA	MILY POOLS, INC. (hereafter referred to as
"Family Pools") whose address is 873 SW South 1	Macedo Boulevard, Port St. Lucie, FL 34983.

RECITALS

WHEREAS, BBRD is a mobile home recreational district in the State of Florida; and

WHEREAS, Family Pools provides "Pool Construction, Consultation, and Inspection Services" and is licensed in the State of Florida to provide said services; and

WHEREAS, BBRD is desirous of engaging a firm to provide "Pool Construction, Consultation, and Inspection Services;" and

WHEREAS, it is determined to be in the mutual advantage of BBRD and Family Pools to enter into this Agreement set forth herein.

NOW, THEREFORE, in consideration of the covenants and agreements herein contained, the parties agree as follows:

AGREEMENT

- 1. **Recitals.** The above recitals are true and correct, form a material part of, and are incorporated into this Agreement.
- 2. <u>Scope of Services</u>. Family Pools hereby agrees to perform "Pool Construction, Consultation, and Inspection Services" for BBRD as specifically directed by BBRD. Such services shall include, but not be limited to, those services specifically referenced in BBRD Request for Qualifications #2019-04, which is incorporated herein by reference as Exhibit "A."

Family Pools specifically agrees to maintain any and all appropriate local, State, and/or Federal licenses necessary to perform work as outlined in the Scope of Services.

3. <u>Fees for Services</u>. Family Pools will invoice BBRD for work performed at the following rates:

Consultation and Inspection Services: \$250.00 per hour per professional involved in the provision of services.

Construction Projects: Overhead and profit rate of 40%. "Overhead and profit" shall be interpreted to apply to all costs above materials and permitting costs. Construction

projects shall be submitted as separate proposals per job and shall be outside of hourly rate fees billed for consultation and inspection services.

Family Pools may bill travel time when engaging in Consultation and Inspection Services at the set hourly rate for one-way travel from Port St. Lucie to BBRD. Travel time shall not be separately billed as part of any Construction project proposal.

- 4. **Relationship of Parties/Insurance.** The parties hereby agree and intend that the relationship of Family Pools to BBRD is that of an independent contractor. Family Pools shall provide a copy Family Pool's Certificate of Liability, Workers Compensation, and Auto Insurance listing Barefoot Bay Recreation District as an additional insured in regard to Liability Insurance.
- 5. **Indemnification.** Family Pools shall indemnify and hold harmless BBRD and its officers, agents, and employees from and against all claims, damages, losses, and expenses, including attorney's fees arising out of or resulting from any actions or omissions taken under this Agreement, where such claim, damage, loss, or expense is caused, in whole or in part, by the act or omission of Family Pools, or anyone directly or indirectly employed by Family Pools, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused by or in part by a party indemnified thereunder. As part of this indemnification, Family Pools agrees to pay, on behalf of the BBRD, the cost of BBRD's legal defense as may be selected by BBRD for all claims described in this paragraph. Such payment on behalf of BBRD shall be in addition to any and all legal remedies available to BBRD and shall not be considered to be BBRD's exclusive remedy. In agreeing to this provision, BBRD does not intend to waive any defense or limit of sovereign immunity to which it may be entitled under Section 768.28, Florida Statutes or otherwise provided. The parties acknowledge that specific consideration has been exchanged for this provision.

BBRD shall indemnify and hold harmless Family Pools and its officers, agents, and employees from and against all claims, damages, losses, and expenses, including attorney's fees arising out of or resulting from any negligent actions or omissions taken under this Agreement, where such claim, damage, loss, or expense is caused, in whole or in part, by the negligent act or omission of BBRD, or anyone directly or indirectly employed by BBRD, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused by or in part by a party indemnified by BBRD or BBRD's agents. As part of this indemnification, BBRD agrees to pay, on behalf of Family Pools, the cost of Family Pool's legal defense as may be selected by Family Pools for all claims described in this paragraph. Such payment on behalf of Family Pools shall be in addition to any and all legal remedies available to Family Pools and shall not be considered to be Family Pools exclusive remedy. The parties acknowledge that specific consideration has been exchanged for this provision.

6. <u>Insurance</u>. Family Pools shall maintain and provide valid and current Certificates of Insurance (naming BBRD as an additional insured) at the following policy limits:

Workers' Compensation Insurance: statutory benefits, as provided by statute;

Employer's Liability Insurance: \$1,000,000 per occurrence;

Comprehensive or Commercial General Liability Insurance (Including, but not limited to, the following Supplementary Coverages: (i) Contractual Liability to cover liability assumed under this Agreement; (ii) Product and Completed Operations Liability Insurance; (iii) Broad Form Property Damage Liability Insurance; and, (iv) Explosion, Collapse, and Underground Hazards (Deletion of the X,C,U Exclusions), if such exposure exists):

Bodily Injury: \$1,000,000 per occurrence Property Damage: \$1,000,000 per occurrence;

Automobile Liability Insurance:

Bodily Injury: \$1,000,000 per occurrence Property Damage: \$1,000,000 per occurrence

If a Combined Single Limit is provided, the total coverage shall not be less than \$2,000,000 per occurrence.

7. Term, Termination, and Renewal.

- (a) This Agreement shall commence upon the last date of execution by either party (hereinafter, "Effective Date") and will continue through September 30, 2022. Thereafter, this Agreement may be renewed for an unlimited number of three-year terms upon written Agreement of both parties (executed on or before the expiration date of each subsequent term).
- (b) This Agreement may be terminated by either party, with or without cause, upon sixty (60) days prior written notice to the other; provided however, that if Family Pools terminates this Agreement, Family Pools shall, in accordance with the terms and conditions hereof, nevertheless wind up in an orderly fashion projects for BBRD which Family Pools began prior to the date of notice of termination hereunder.
- (c) Upon termination of this Agreement for any reason, Family Pools shall be entitled to receive such compensation for services rendered under the terms of this Agreement, but are unpaid, as of the date Family Pools ceases work under this Agreement. However, in the event that either party terminates this Agreement in advance of the conclusion of any full term, Family Pools shall not be entitled to receive any additional payment beyond those amounts due for services previously provided.

8. Other Agreements.

- (a) No alteration or modification of this Agreement shall be valid unless made in writing and executed by Family Pools and BBRD.
- (b) Family Pools and BBRD mutually represent that, to the best of their knowledge, neither currently has any agreement with, or any other obligation to, any third party that conflicts with the terms of this Agreement. The parties agree that they shall not intentionally and knowingly enter into any such conflicting agreement. BBRD and Family Pools each have the full authority to enter into this Agreement without consent or approval of any third party. Each party has had the opportunity to consult with legal counsel regarding the terms of this Agreement. This Agreement shall not be construed against either party as if they were the drafter of this Agreement.
- (c) This agreement is a non-exclusive Agreement. The parties agree that BBRD shall have the sole authority and right to hire other independent contractors to provide the same and/or similar services as Family Pools under this Agreement at any time.
- 9. Governing Law, Venue, and Attorney's Fees. This Agreement shall be governed by the laws of the State of Florida. Any action or legal proceedings to enforce this Agreement or any of its terms, or for indemnification, shall be exclusively brought and prosecuted in an appropriate court of jurisdiction in and for Brevard County, Florida, and the parties to this Agreement consent to the personal jurisdiction and venue of such courts and to the service of process by any manner provided by Florida law. In the event that any legal or equitable action is brought by either party to enforce the terms of this Agreement, the prevailing party shall be entitled to recover all attorney's fees and costs associated with the bringing such action.
- 10. <u>Notices.</u> All notices, requests, demands or other communications required or permitted hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand or mailed registered or certified mail, return receipt requested, and postage prepaid:

or to such other addresses as either party may have furnished to the other in writing in accordance herewith, except that notices of change of address shall only be effective on receipt.

E-mail correspondence can be used, but will not be considered official correspondence unless recipient acknowledges receipt of the message.

- 11. <u>Consents and Authorizations</u>. By the execution of this Agreement, each party acknowledges and agrees that each such party has the full right, power, legal capacity and authority to enter into this Agreement, and the same constitutes the valid and legally binding agreement of each such party in accordance with the terms, conditions and other provisions contained herein.
- 12. <u>Assignment and Binding Effect</u>. This Agreement may not be assigned or transferred in whole, or in part, by either party without the prior written consent of the other party. This Agreement shall be binding upon and inure for the benefit of the parties hereto and their respective heirs and permitted successors and/or assigns.
- 13. **Severability.** This Agreement shall be construed to be valid and enforceable to the fullest extent allowed by applicable law. The invalidity or unenforceability of any term, sentence, or provision of this Agreement shall not affect the validity or enforceability of any other term, sentence or provision of this Agreement, which shall remain in full force and effect.
- 14. **Public Records.** All documents, maps, drawings, data and worksheets prepared by Family Pools for BBRD under this Agreement shall be deemed public records pursuant to Chapter 119, Florida Statutes and shall be maintained as public records by Family Pools. Family Pools agrees to provide access to such public records on the same terms and conditions that BBRD provides such public records and at a cost that does not exceed that provided for pursuant to Chapter 119, Florida Statutes or otherwise provided by law. Family Pools agrees to ensure that public records that are confidential and exempt from disclosure are not disclosed except as authorized by law. Family Pools agrees that upon termination of this Agreement, all proprietary interest of BBRD in its business assets, tangible or intangible, including records, files, lists and information which Family Pools deals with or develops during the course of this Agreement shall remain the sole and exclusive property of BBRD, and in no event shall Family Pools acquire any interest therein. Family Pools agrees that in the event of termination of this Agreement, Family Pools shall promptly return at no cost to BBRD all public records documents in Family Pools 's possession at the time of Duplicate public records that are exempt or confidential shall be destroyed by Family Pools at the time of termination. Public records maintained by Family Pools in an electronic format, shall be provided to BBRD in a format that is compatible with the information technology systems of BBRD at the time of termination.

Review and Acknowledge the Audit Planning Communications

Background and Summary Information

According to Generally Accepted Government Auditing Standards (GAGAS), our independent auditor, Moore Stephens Lovelace, P.A., is required to communicate certain information with the officials of Barefoot Bay Recreation District during the planning stage of the District's Fiscal Year Ending September 30, 2019 financial statement audit.

Staff has received Fiscal Year 2019 Audit Planning under the guidelines of GAGAS from our independent auditor, Moore Stephens Lovelace, P.A. We have been directed to present the Audit Planning to the Board of Trustees of Barefoot Bay Recreation District. The Audit Planning outlines the Identification of Financial Statement Elements, Audit Objectives, Auditor Responsibilities, Management Responsibilities, General Audit Procedures, Internal Control Audit Procedures, Compliance Audit Procedures, Accounting and Reporting Issues, and Audit Schedule.

Of note, the Auditors anticipate conducting the fieldwork during December and then present the Audit findings to the BOT at one of the March 2020 BOT meetings.

Staff recommends the BOT acknowledge receipt of the Audit Planning Communications.

October 30, 2019

Board of Trustees Barefoot Bay Recreation District Barefoot Bay, Florida

Our professional standards require that we inform you of certain matters related to our audit of Barefoot Bay Recreation District, Florida's (the District) financial statements for the fiscal year ended September 30, 2019. This report is intended to convey those matters to you.

Our audit is designed to express an opinion on the basic financial statements of the District. We have performed an initial assessment of risk areas we consider significant to the risk of material misstatement of the District's financial statements. Based on our assessment, we intend to execute our audit plan using procedures to mitigate those risks.

Communication is an essential part of the audit process. After reviewing our plan, if you have any questions, concerns, or would like us to consider other matters, please contact me at (800) 683-5401 or you can reach me directly on my cell phone at (407) 715-0098.

We are dedicated to delivering the quality service you expect and deserve. We appreciate the opportunity to serve the District.

Accounting and Reporting Standards Impacting Governmental Audits

New Government Accounting Standards Issued

- ❖ GASB 83 Certain Asset Retirement Obligations. This standard will become effective for fiscal year end September 30, 2019. This standard addresses accounting and financial reporting for certain asset retirement obligations (AROs). An ARO is a legally enforceable liability associated with the retirement of a tangible capital asset. This standard also establishes criteria for determining the timing and pattern of recognition of a liability and corresponding deferred outflow of resources for AROs. This standard is not expected to impact the District's financial statements.
- ❖ GASB 84 *Fiduciary Activities*. This standard will become effective for fiscal year end September 30, 2020. This standard establishes criteria for identifying fiduciary activities of state and local governments. The focus of the criteria generally is on (1) whether the government is controlling the assets of the fiduciary activity, and (2) the beneficiaries with whom a fiduciary relationship exists. An activity meeting the criteria should be reported in a fiduciary fund in the basic financial statements. This standard is not expected to impact the District's financial statements.
- ❖ GASB 87 Leases. This standard will become effective for fiscal year end September 30, 2021. This standard changes the accounting and financial reporting for leases by governments by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases. This standard establishes a single model for lease accounting based on the principle that leases are financings of the right to use an underlying asset. Under this standard, a lessee government is required to recognize a lease liability and an intangible right-to-use asset and a lessor government is required to recognize a lease receivable and a deferred inflow of resources. Management is aware of this standard and intends to properly evaluate the impact and ensure that any accounting and reporting impact is properly addressed in the year the standard is required to be implemented.

New Government Accounting Standards Issued (Cont.)

- ❖ GASB 88 Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements. This standard will become effective for fiscal year end September 30, 2019. This standard clarifies which liabilities governments should include in their note disclosures related to debt. This standard requires that all debt disclosures present direct borrowings and direct placements of debt separately from other types of debt. This standard also requires the disclosure of additional essential debt-related information for all types of debt. This standard is not expected to materially impact the District's financial statements.
- ❖ GASB 89 Accounting for Interest C ost Incurred be fore the End of a Construction Period. This standard will become effective for fiscal year end September 30, 2021. This standard establishes accounting requirements for interest cost incurred before the end of a construction period. This standard also reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles. This standard is not expected to materially impact the District's financial statements.
- ❖ GASB 90 Majority Equity Interests An Amendment of GASB Statements No. 14 and No. 61. This standard will become effective for fiscal year end September 30, 2020. This standard will improve the consistency and comparability of reporting a government's majority equity interest in a legally separate organization and to improve the relevance of financial statement information for certain component units. This standard also requires that a component unit in which a government has a 100 percent equity interest account for its assets, deferred outflows of resources, liabilities, and deferred inflows of resources at acquisition value at the date the government acquired a 100 percent equity interest in the component unit. This standard is not expected to impact the District's financial statements.
- ❖ GASB 91 Conduit Debt Obligations. This standard will become effective for fiscal year end September 30, 2022. This standard clarifies the existing definition of a conduit debt obligation, establishes a conduit obligation is not a liability of the issuer, establishes standards for accounting and financial reporting of additional commitments and voluntary commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations, and improving required note disclosures. This standard also addresses arrangements often characterized as leases that are associated with debt obligations. This standard is not expected to impact the District's financial statements.

New Auditing Standards Issued

There are no new auditing standards issued in the current year that would impact the District's audit.

Significant Audit and Financial Reporting Issues Identified

The following is a list of audit areas we consider significant to ensure that we plan our audit to properly address the risk of material misstatement and noncompliance affecting your financial statements. Please review this list. If you have any questions, or believe the list is incomplete, please contact us to ensure that we have properly identified all significant areas.

- ➤ Internal control over financial accounting and reporting
- ➤ Information Technology (IT)
- > Financial statement preparation procedures
- Example 2 Capital assets accounting, including depreciation, project tracking, capital leases, etc.
- ➤ Investment policies and procedures, portfolio management, income allocation, etc.
- > Revenue recognition policies and procedures
- > Debt, including compliance with applicable covenants
- > Payroll processing
- ➤ Net Position classifications
- Budgetary compliance and accountability
- ➤ Compliance with contracts, laws, regulations, and grant agreements

Identification of Financial Statement Elements

We will audit the District's basic financial statements for the year ended September 30, 2019. The basic financial statements include the Statement of Net Position and Governmental Funds Balance Sheets; Statements of Activities and Governmental Funds Revenues, Expenditures and Changes in Fund Balances; and Notes to the Financial Statements.

Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), budgetary comparison schedules, and other postemployment benefit schedules, to accompany the basic financial statements. As part of our engagement, we will apply certain limited procedures to the District's RSI, but it will not be audited. These limited procedures will consist principally of inquiries of management regarding the methods of measurement and presentation, which management is responsible for affirming to us in its representation letter. Unless we encounter problems with the presentation of the RSI or with procedures relating to it, we will disclaim an opinion on it.

Auditor Responsibilities

As your auditors, we are responsible for:

- Expressing opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles (GAAP) and to report on the fairness of the additional information referred to under **Identification of Financial Statement Elements** when considered in relation to the basic financial statements taken as a whole.
- Reporting on internal control related to the financial statements and compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- ➤ Informing you in our reports on internal control and compliance that the reports are intended for the information and use of the District, management, specific legislative or regulatory bodies; and is not intended to be, and should not be, used by anyone other than these specified parties.
- ➤ Informing you in advance of any reasons that would result in us issuing other than unmodified reports on the financial statements.
- Informing you that we may decline to express opinions or to issue a report as a result of this engagement if we are unable to complete the audit or are unable to form, or have not formed, those opinions.
- ➤ Conducting our audit in accordance with U.S. generally accepted auditing standards; the standards for financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; Chapter 10.550, *Rules of the Auditor General*; and other procedures we consider necessary to enable us to express such opinions and to render the required reports.
- ➤ Communicating to you the planned audit schedule. Page 2 of this report documents the timetable agreed upon with management for the September 30, 2019 audit.
- ➤ Communicating audit areas we consider significant to ensure that we plan our audit to properly address the risk of material misstatement to your financial statements. A list of those areas can be found on page 4 of this report.

Auditor Responsibilities (Cont.)

- ➤ Communicating the concept of materiality. The concept of materiality recognizes that some matters, either individually or in the aggregate, are important for the fair presentation of your basic financial statements in conformity with GAAP, while other matters are not important. In performing the audit, based on our professional judgment, we assess matters that, either individually or in the aggregate, could be material to the financial statements. Our consideration of materiality is based on our professional judgment.
- ➤ Informing you that at the completion of the audit we will be requesting certain representations from management at the conclusion of the audit.
- ➤ Informing you regarding some general audit procedures, as well as procedures related to internal controls and compliance. Discussion of those items follows.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the District or to acts by management or employees acting on behalf of the District. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because an audit is designed to provide reasonable but not absolute assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any violations of laws or governmental regulations that comes to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from attorneys representing the District as part of the engagement, and they may bill the District for responding to these inquiries. At the conclusion of our audit, we will also require certain written representations from management about the financial statements and related matters.

<u>Audit Procedures - Internal Controls</u>

Our audit will include obtaining an understanding of the District and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards and *Government Auditing Standards*.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Governance and Management Responsibilities

Those charged with governance and management, except where indicated, are jointly responsible for:

- ➤ The basic financial statements and all accompanying information, as well as all representations contained therein in conformity with GAAP.
- ➤ Making all management decisions and performing all management functions relating to the financial statements and related notes and for accepting full responsibility for such decisions.
- Acknowledging in the management representation letter that it has reviewed and approved the financial statements and related notes prior to their issuance and has accepted responsibility for them.
- ➤ Management has designated the Finance Manager as the responsible party for oversight of its audit.
- Establishing and maintaining internal controls, including monitoring ongoing activities; the selection and application of accounting principles; and the fair presentation in the basic financial statements in conformity with GAAP.
- Making all financial records and related information available to us and for the accuracy and completeness of that information. Adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the basic financial statements.
- The design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the District involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. This responsibility includes informing us of any allegations of fraud, or suspected fraud, affecting the District received in communications from employees, former employees, grantors, regulators, or others.
- ➤ Identifying and ensuring that the District complies with applicable laws, regulations, contracts, agreements, and grants, and for taking timely and appropriate steps to remedy any fraud, illegal acts, violations of contracts or grant agreements, or abuse that we may report.
- Establishing and maintaining a process for tracking the status of audit findings and recommendations.
- ➤ Identifying for us previous audits, other engagements, or studies related to the objectives discussed in the Audit Objectives section. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, other engagements, or studies. Management is also responsible for providing its views on our current findings, conclusions, and recommendations, as well as planned corrective actions.

Auditor General

The following are compliance areas identified by the Auditor General to test on an annual basis if they are applicable and are determined to have a direct and material effect on the financial statements:

- ➤ Determine whether or not corrective actions have been taken to address significant findings and recommendations made in the preceding and second preceding annual financial audit reports.
- Address in the management letter any recommendations to improve financial management, accounting procedures, and internal controls.
- Address violations of provisions of contracts and grant agreements or abuse that has an effect on the financial statements that is less than material but worthy of management's attention.
- ➤ Disclose in the management letter, or in the notes to the financial statements, the name or official title and legal authority for the primary government.
- ➤ Include a statement in the management letter as to whether or not the District has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific conditions met.
- Apply financial condition assessment procedures in connection with our audit.

The following is a compliance area identified by the Auditor General where a separate opinion on compliance is reported:

Review compliance with the provisions of Section 218.415, Florida Statutes, regarding the investment of public funds.

Independence

Moore Stephens Lovelace, P.A. and Moore Stephens Tiller LLC have been defined as a network within an association under the AICPA *Rules of Professional Conduct*. Management has confirmed to us that it is not aware of any prohibited relationship that would impair our independence under the AICPA *Rules of Professional Conduct* between our Firm and Moore Stephens Tiller LLC and its employees. We are also not aware of any such relationships.

General Information

3rd **Annual FY21 Budget Kick-off Town Hall Meeting** — Monday, December 2, 2019 in Bldg. D/E starting at 7pm. This is the meeting you want to attend where you can voice your opinion about how BBRD should develop the FY21-25 Five-Year Financial Model and Capital Improvement Plan which will be reviewed by the BOT on January 30, 2020. Waiting till June (when the BOT adopts the budget) to make suggestions is a popular course of action but it usually is not fruitful. Be bold and do not wait till June to let your voice be heard. This is the meeting where you can ask a question of the BOT or possibly get a response from a Trustee (and/or Trustee-elect) to your comments unlike the public comment section of regularly schedule BOT meetings.

Steward Medical Lease Saga – In a meeting with Mr. Taylor, Acting Sebastian River Medical Center CEO, and Mr. McEachern, Sebastian River Medical Center CFO, I was informed they are no longer interested in leasing the unit at the Shopping Center as they now believe it is too small for their needs. They are interested in a short and long-term presence in BBRD and we discussed option and how they should research them prior to any future presentations to the BOT.
