PURPOSE

PURPOSE

The Barefoot Bay Recreation District Policy Manual has been developed to provide the Board of Trustees and employees of the District with assistance in effectively performing their responsibilities by stating the policies of the District and the Financial Department and the ways and means of accomplishing its goals.

This Policy Manual was established based on the criteria identified by applicable state law and statutes, administrative code and Uniform Accounting System_Manual and recommendations from the District's financial auditors.

The reasons for developing a Policy Manual include:

1. Written policies promote teamwork.
2. Written policies promote clarity, consistency and continuity of performance.
3. Written policies provide useful information for training programs and a means of comparing competent practice to the written approved descriptions of policies.
4. The written manual is a central source of adding, changing or deleting policy.
5. Written policies promote proper delegation of authority.
6. Using a policy manual supports effective time management for supervisors to provide for planning and departmental development functions.
7. Policy manuals save supervisory time spent in answering repetitive questions.
8. Policy manuals serve as a source document for inspection by approval agencies.

The Board of Trustees will modify and adopt changes to the Policy Manual as needed to best serve the operation and intent of the Recreation District and will conduct a full review as needed to address any recommended changes to the entire document.¹ Revised Policy Manuals will replace the outdated policy manuals (if changes are made) in all Departments as soon as possible after adoption. The Department Managers will be responsible for replacing the Policy Manuals and the necessary review and training required by the updates. The Policy Manual will be updated and printed through the Administration Department of the Barefoot Bay Recreation District.

To the extent that these policies reference any specific statute, ordinance, law or rule, the Board specifically intends that these policies shall comport with and/or incorporate any amendments to such statute, ordinance, law, or rule subsequent www.myflorida.com is the website for easy access to Florida Statutes. As the statute(s) change(s), this policy manual will be modified accordingly.

1.0 EMPLOYMENT AND TRAINING

Under special circumstances (key critical positions), the Community Manager may authorize promotion or appointment of a qualified candidate to a position without using the recruitment process. Upon such circumstances a written statement will be placed in the employees file explaining why the normal process was not used.

Within budgetary restraints, the District recognizes the importance of professional continuing education to maintain and grow skills sets of professional positions. Training will be completed in state only. In the event there is a need for out of state training, the Board will approve out of state travel. ²

If there is no response to the demand letter, 10 days from the date of the letter, a lien is recorded on the property. The District sends a copy of the signed and notarized lien to the resident, both by certified mail and by regular mail and the District files the lien with the county. If there is still no response sixty (60) days after the date of recording or one year after the delinquent installment first became due (whichever is later), the overdue account will be sent to the District's attorney for collection.

In cases where a property owner disputes the District's assertion that an assessment payment is delinquent, the District shall reimburse the property owner up to an amount of \$50.00 in bank fee charges incurred by the owner to obtain bank documentation which affirmatively demonstrates that payment of the delinquent assessment was made timely by the owner. Such reimbursement shall be made only after verification of valid payment by the District, and in no instance shall District funds be advanced to an owner for such purpose prior to verification of valid payment.

Exhibit A

2. For purchases of \$1,000.00 to \$19,999.99¹⁹ informal quotes are required from at least two sources. A "No Bid" does not constitute a quote. These quotations should be submitted in writing, and kept on file in the accounts payable office and the requesting department.
3. For purchases in the amount of \$20,000.00 to \$49,999.99²⁰ written, signed bids are required from at least three sources. A "No Bid" does not constitute a bid. These bids should be kept on file in the accounts payable office and the requesting department.

When this exception to competition (a second quote cannot be found in a reasonable time)²² is used, the Community Manager shall notify the Board of Trustees at the next regularly scheduled Board meeting and notate the date, vendor and price on an "Exception to Competition log" as maintained by the District Clerk.²³

An additional \$1,000.00 per month may be pre-approved by the Community Manager as needed. The Finance Manager is authorized by the Community Manager to use a credit card with a maximum monthly limit of \$5,000.00 for purchases when credit accounts or payment by check is not acceptable or efficient. Department Managers will forward receipts for all purchases made by use of the credit card to the Finance Manager or designee. The Finance Manager or designee shall monitor the usage of departmental credit cards. Credit cards shall be stored in a secured location by the Department Managers when not in use.

Purchase of Services From a Goods and Sole Source Provider

Sole source is an award of contract to the only known source for the required goods or services. A sole source purchase cannot be justified on the basis of quality or price, as quality can be a subjective evaluation based on individual opinion, and price considerations must be evaluated by competitive bidding. If there is more than one product or service that will perform essentially the same functions under essentially the same conditions as the requested product or service, a sole source is deemed not to exist.

Some of the factors considered to qualify as a sole source are:

Exhibit A

Barefoot Bay Recreation District Policy Manual GENERAL FINANCIAL POLICIES

1. The stated vendor is the only producer of the product or service, and no commercial substitute is available.
2. The information or data is proprietary.
3. The maintenance or repair requires specialized equipment or expertise, which is available only from the original vendor, or vendor representative.
4. If the District currently has a continuing service contract with the vendor.³²

Sole source items must be justified and contain the following information:

1. How was a determination made, that the goods or services being purchased, are only available from one source.
2. What contacts, (if any), were made in an attempt to identify alternate sources.
3. What is the rationale that the goods or services being purchased cannot be substituted with similar goods or services from other sources.

Awards Quotes/Bids under \$50,000³³

Award recommendations exceeding \$7,500.00³⁴ will be submitted by the Community Manager for approval by the Board of Trustees, unless previously exempted or approved.

Suppliers shall be selected based on total cost, which considers delivery, freight costs, prices, quality, life cycles costs, warranty, services, terms and conditions. Awards to other than the low bidder, shall be documented to show the rationale for rejection (i.e. does not meet specifications, delivery and past performance problems).

Tie Bids

Award of all tie quotes/bids shall be made by the District in accordance with Sec. 287.087, F.S., which allows a firm certified as a Drug-Free Workplace to have preference. In the event that both or neither firm is a Drug-Free Workplace, tie quote/bids may be awarded by lot.

Waiver of Irregularities

The Board of Trustees shall have the authority to waive irregularities in any proposal, and/or bid.

Signatures on Contracts

The Community Manager must execute all contracts for on-going and/or routine purchases of goods and services.

The Board of Trustees must approve and the Chair of the Board must execute contracts that exceed one year (1) in duration, including renewal term or that exceed \$7,500 in value.

Change Orders or Amendments

Change order means changes, due to unanticipated conditions or developments, made to a contract, which do not substantially alter the character of the work contracted for and which do not vary so substantially from the original specifications as to constitute a new undertaking. Such changes must be reasonably and conscientiously viewed as being in fulfillment of the original scope of the contract. Further, such changes when viewed against the background of the work described in the contract and the language used in the specifications, must clearly be directed either to the achievement of a more satisfactory result of the elimination of work not necessary to the satisfactory completion of the contract.

The Community Manager is hereby authorized to approve and initiate work on the following types of change orders determined in his or her judgment to be in the best interest of the public and which do not materially alter the scope of the work contemplated by the initial contract.

All quotes/bids received and accepted will be made available for public inspection ten (10) days after opening or upon recommendation of award, whichever occurs first as per Sec. 119.07 (3) (m), F.S.

Evaluation Committee

An evaluation Committee, identified by the Community Manager prior to issuance of the RFP or RFQ, shall review all responses to the RFP or RFQ. The Board shall be advised of the membership of the committee at the time of the issuance of the RFP or RFQ. ³⁸

Members of the Evaluation Committee shall consist of at least one (1) user department representative, one (1) Board member, and one (1) third-party non-employee resident chosen at the discretion of the Community Manager. The Community Manager and Board Chairman shall serve on the committee as non-voting members. ³⁹

The Committee should consist of an odd number of people to avoid a tie when selecting the awarded vendor. Selection committee meetings are subject to Sunshine Law; and therefore, public notice of the intended meeting of the committee must be posted in advance to allow for the provision of any special accommodation needs of any attendees. Committee members should not conduct, with another voting committee member, any discussion related to the proposals received except during public meetings. A memorandum explaining the evaluation process and committee member responsibilities will be provided to each committee member prior to any meeting.

The user department, in conjunction with the Community Manager shall select evaluation criteria (to include price whenever possible). Such criteria must be stated in the RFP. The user department may also assign a weight to each criterion by its relative importance, with the total weights equal to 100. If used, these weights will be assigned prior to issuance of the solicitation but may or may not be published in the solicitation. If unpublished, the weights will be revealed at the opening of the RFP unless otherwise directed within the RFP. If weights are not assigned, the RFP shall set for the relative importance of the factors in addition to price that will be considered in award. The intent of which is to provide a complete understanding on the part of all competitors of the basis upon which award will be made.

The user department/Community Manager shall issue and receive the RFP proposals. Committee members shall review the received proposals and independently score each proposal for each criterion. Price will be objectively scored, as shown, when applicable.

The lowest priced proposal receives the maximum weighted score for the price criteria. The other proposals should receive a percentage of the weighted score based on the percentage differential between the lowest proposal and the other proposals. All weighted scores are then multiplied by the maximum score available (i.e. 45%) to determine the total percentage awarded.

<u>VENDOR PRICE</u>	<u>% AWARDED</u>	<u>X</u>	<u>WEIGHT</u>	<u>=</u>	<u>WEIGHTED SCORE</u>
A \$20,000	(100 %)	X	45%	=	45
B \$25,000	(80%)	X	45%	=	36
C \$28,000	(71%)	X	45%	=	31

*Vendor B's percentage is $\$20,000/\$25,000 = 80\%$

** Vendor C's percentage is $\$20,000/\$28,000 = 71\%$

NOTE: Weighted Score shall be rounded to nearest whole number price evaluation and calculation may be revised to conform to the needs for each individual RFP selection committee. Each committee member

Exhibit A

Barefoot Bay Recreation District Policy Manual GENERAL FINANCIAL POLICIES

shall then rank each vendor's score. A scoring sheet (Exhibit A) shall be completed by each voting committee member. The rankings are then added for each vendor and the vendor with the lowest sum of collective rankings is recommended for award. A ranking sheet (Exhibit B) compiling the ranking of each proposal shall be completed by the Community Manager and posted with the scoring sheets.

If oral presentations are requested and the vendors short-listed, the original rankings are eliminated and the process begins again. At a minimum, three (3) vendors should be short-listed. A summary of total scores and rankings will be prepared for the vendors after all members of the evaluation committee have reviewed and evaluated the written and, if required, oral presentations. A copy of all evaluation forms and notes completed by each evaluator must be maintained by the Community Manager for review and audit records. The Community Manager will prepare an agenda item for Board approval of the recommended award.

If fewer than three sealed and qualified proposals are received by the Evaluation Committee, by a majority vote the Evaluation Committee may request the Community Manager to seek non-sealed bids for comparative analysis or forward their recommendation for award of contract or (in the case of a RFQ) their recommended ranking order for staff to negotiate a contract to the Board of Trustees for their consideration.⁴⁰

Part 4. Public Records Request Policy

4.0 PURPOSE.¹³⁸

Barefoot Bay Recreation District ("BBRD") is committed to the tenets set forth in Chapter 119, Florida Statutes, governing access to public records, also known as Florida's Public Records Act.

The purpose of this Policy is to provide guidelines and procedures for BBRD staff to assure compliance and uniformity with regard to handling of requests for inspection and copies of public records not exempted by state law.

To the extent that any term is not specifically defined herein, the definitions pursuant to Sec. 119.011, F.S. shall apply to any request for public records submitted to BBRD.

4.1 PUBLIC RECORDS REQUEST PROCEDURE.

A. Intake of Request.

1. Parties requesting to inspect and/or receive copies of public records maintained by BBRD ("Requesting Parties") shall be directed to submit their requests to the BBRD Clerk who shall serve as the BBRD Records Custodian.
2. Upon receipt of a public records request, the BBRD Clerk shall coordinate the response.
3. Each request shall be reviewed carefully by the BBRD Clerk to determine the estimated length of time required to gather the records. All requests shall be satisfied as expeditiously as possible considering the nature and volume of the request.
4. Public records will be made available within a "reasonable period of time" and "under reasonable conditions." Although there is no statutory definition of this time period, a "reasonable period of time" and "reasonable conditions" shall take into account the number of documents sought; the number of locations where the documents are stored; whether the records are maintained electronically or as hard copies; whether the documents must be examined for confidential information or redacted; and whether substantial research will be required to identify, obtain and copy the records requested.
5. The BBRD Clerk must review the documents to determine if exempt/confidential information or material is included in the documents requested. Exempt/confidential information as provided pursuant to the Florida Constitution or Chapter 119, F.S., must be redacted prior to review by, or distribution to, the requesting party.
6. Unless otherwise provided by law, BBRD is not required to create new records in response to a request for information, nor is BBRD required to reformat its records in a particular electronic format, if requested by the requesting party. BBRD will provide a copy of the record in the medium requested, if BBRD maintains the record in that medium. BBRD may also elect to provide a copy of a public record in the requested medium, if not routinely used in BBRD, and charge a reasonable fee in accordance with section 119.07(4), Florida Statutes and as provided herein.

Exhibit A

Exhibit A

PUBLIC RECORDS REQUEST POLICY

B. Notification and Response.

1. When a response to a records request has been completed, the requesting party shall be notified of the availability of the copied records, if any, and the location where the documents will be made available. Notification shall be made by telephone and/or email, if the email address of the requesting party is known. Any email notification sent by the BBRD Clerk shall be stored in an electronic file pertaining to the public records request. If a telephone notification is the only notification provided, the BBRD Clerk shall make an email record of the date and time of the telephonic notification and store the email in an electronic file set up for the public records request.
2. The BBRD Clerk shall collect the required fee as outlined in Paragraph 4.3 of this policy prior to providing requested copies of public records to a requesting party. Upon payment and delivery of such records, the BBRD clerk shall deliver a written receipt for the amount paid. The receipt shall provide a short description of the documents being provided and shall specify the number of hard copy pages, DVD's, CD's, VHS, or audio tapes delivered to the requesting person.
3. In instances where electronic records are requested/provided, a copy of the email with the responsive documents shall be maintained by the BBRD Clerk as evidence of compliance with the request. Any BBRD employee sending a responsive email with documents attached shall copy the BBRD Clerk with the responsive email.
4. The BBRD Clerk or is required to maintain an agency copy of a response to a public records request for a period of one year after the response has been received by the requesting party. General Records Schedule GS I-SL, Item 23, requires a minimum of one year retention for public information requests and responses. In this way, BBRD will have proof of compliance and the ability to re-inspect the response, if questioned.

C. Public Record Inspections.

1. Inspections of Public Records may take place at any time throughout the workday, generally Monday through Friday, 8:00 am to 4:30 pm, except holidays.
2. BBRD must have an employee present to monitor all scheduled records inspections.
3. The BBRD Clerk is responsible for providing safeguards to protect original public records during any scheduled inspection.

4.2 REQUESTS FOR VOLUMINOUS RECORDS REQUIRING EXTENSIVE STAFF TIME/EXTENSIVE INFORMATION TECHNOLOGY RESOURCES.

1. For the purposes of this policy, a "voluminous" request, which requires "extensive" use of clerical or supervisory assistance/information technology resources by BBRD staff for response, is deemed to exist if BBRD staff will be required to expend more than thirty (30) minutes researching, reviewing, gathering, redacting, or copying the requested records.
2. If the nature or volume of public records requested to be inspected or copied pursuant to this policy is such as to require extensive use of information technology resources or extensive clerical or supervisory assistance by BBRD staff, BBRD may charge the actual cost incurred for duplication as provided in Paragraph 4.3 of this policy, as well as a special reasonable service charge based on the cost incurred for extensive use of information technology resources or the labor cost attributable to the clerical and supervisory assistance required to provide the response to the request.
3. In the case of requests for voluminous as described above, the BBRD Clerk should provide the requesting party with a written response providing the following information after coordinating a projected response time and cost with the applicable BBRD staff members who will assist in the preparing the response:
 - a. an estimate of the staff time required to respond to the request;
 - b. the projected cost that will be charged to comply with the request;
 - c. a request for a deposit in the amount of 50% of the projected cost, before BBRD staff will begin preparing the response;
 - d. an offer to allow the requesting party the alternative of inspecting any nonexempt or non-confidential records requested and identifying which specific records, if any, the requesting party would like to have copied.
4. A deposit in the amount of 50% of the estimated charge shall be required before undertaking a response to a request for voluminous public records. All charges shall be invoiced and collected by the BBRD Clerk based upon the number of copies made and the amount of time spent complying with the request in excess of thirty (30) minutes.
5. Charges for extensive staff time will be assessed at the hourly rate of the lowest paid staff person who is qualified to respond to or supervise (where required) a response to the request for public records.
6. Charges for extensive use of information technology resources shall be billed at the actual cost incurred by BBRD for the extensive use of such information technology resources in filling the request for public records.
7. In the event of non-retrieval of records copied as a result of a public records request, any advance deposit may be retained and the requesting party may also be billed for any difference between the deposit and actual costs incurred by BBRD to produce the records. BBRD may require any requesting party who fails to retrieve or pay the charges associated with a request for voluminous public records, as provided herein, to pay the full costs associated with filling any subsequent public records requests in advance of providing any response to such subsequent request.

4.3 COPIES AND FEES.

Those seeking copies of public records will be charged only the actual costs of making copies. However, if the nature or volume of the request requires extensive use of information technology resources or clerical assistance by BBRD staff, BBRD may charge, in addition to actual cost of duplication, an additional special service charge in accordance with Section 119.07(4)(d), Florida Statutes, and Paragraph 4.2 above.

A receipt for the amount of payment must be provided to the person paying for the records.

Those records maintained by BBRD in an electronic information system may transfer the electronic records from that system onto a CD or, in the case of videotaped documents, onto a DVD. Assuming that the electronic information within the system is easily retrievable, the charges for such transfer should be the actual costs of duplication. BBRD may charge for CD disks, if not provided by the requestor. Special charges may be added if the request is extensive enough to require clerical assistance and extensive use of technology resources as provided in Paragraph 4.2 above.

The uniform fee for copies to be charged by BBRD is as follows, unless otherwise provided by law:

Revision Record Page

The Board notes that prior versions of the General Rules Applicable to District Facilities were created/amended by numerous Resolutions. Footnote references which are still applicable have been left in the preceding text as found at the time of last amendment. However, due to the substantial format changes being implemented by Resolution 2009-05, the Article and Section references on the prior revision record page are no longer applicable. The Board also notes that some prior amendments were not reflected by footnotes. The Board further notes that the prior revision record page included an incorrect reference to Resolution 2001-01 where such reference should have been to Resolution 2003-01.
