## 6th Annual *Peek* Reader Appreciation Raffle

Readers are invited to call the Administration Office at 772.664.3141 or email the Office of the District Clerk Administrative Assistant Cindy Mihalick (cindy.mihalick@bbrd.org) to submit their name and phone number to be entered into a drawing for one of 39 free Frangipani (*Plumeria Rubra*) sticks. Contestants must state what they appreciate about BBRD. Deadline to enter is April 22nd. Winners and what they appreciate will be listed in the *Peek* in May.

The difference between a “stick” and a potted plant is the potted plant started off as a stick (which is a cutting from a mature plant) that has been put in a pot and has started to put out roots. Instructions on how to get your “stick” Frangipani to grow will be provided.

For those of you who are wondering why “sticks” are being given away the answer is simple. With the condensed budget preparation period, there was no time for the Community Manager to pot 39 plants this year.

### **New York Club Gathering**

The last gathering of the season will be on Thursday, April 14, 2022, in the picnic area at Building A beginning at 4:30pm. The club will be grilling hamburgers and hot dogs and each member is asked to bring a dish to share (no glass dishes please). Tickets are \$5.00 and are available Dan Murphy at 423.343.2995 or Kathy Murphy at 845.774.6451.

### **19th Hole Kitchen Renovations Coming Soon**

On Friday, April 8th, the BOT awarded contract for renovations of the 19th Hole Kitchen to relocate and expand the size of the cooking area and hood plus the installation of an outside walk-in cooler and freezer. While the kitchen will be closed for a significant part of the project, the bar will remain open with limited service. Details of closures and limited service will be announced in future editions of the *Peek*.

### **Administration Building will be closed** from 11am to 1pm on Friday, April 22nd

The closure will allow all administrative staff to attend the 7th annual Employee Spring Picnic (The Community Manager and Departments Managers provide the food as a thank you to staff for another successful winter season).

### Community Manager's FY23 Budget Review Update

While the Trustees discussed priorities and heard from the public at the last Budget Workshop, the consensus was to defer final decisions till the May 3rd and 5th workshops after the Employee Pay and Benefits Report is received (anticipated in late April). Staff received preliminary information from the outside consultant last week indicating the BBRD Pay and Classification Plan is approximately 20% below average for similar/competing organizations. Given the cap on increasing assessments, 5 more years of \$1/hour minimum wage increases, and 40-year record high inflation, the current and future BOTs will have increasing difficult decisions in developing budgets. While the BOT has approximately \$238,000 in the FY23 Proposed Budget to address employee wages (combination of normal annual increase, state minimum wage increases, and money to address compression of the pay plan), double that amount is actually needed right now to get BBRD to an average pay plan when compared to other employers.

If that amount of money seems large to you, please remember that BBRD's salaries and wages total \$2.5 Million for the 125 employees who work here. And if you think the one-time social membership revenue gives BBRD a lot of money, while the \$630,000 in receipts next year is sizable, it is less than 10% of the total budget of \$7.4 Million. If you want more details please contact me and I can give you the details (or you could read the FY23 WDPB on [www.bbrd.org](http://www.bbrd.org)).
