National Stop on Red Week

The Space Coast Transportation Planning Organization (SCTPO) is taking a stand against red-light running and promoting safe driving habits during National Stop on Red Week, August 7-13, 2022. Created by the Federal Highway Administration, National Stop on Red Week aims to educate drivers about the dangers of red-light running and to help reduce the number and severity of traffic crashes.

"Red-light running causes countless injuries and fatalities every year, with a large number of those deaths being innocent pedestrians, cyclists, and passengers in vehicles hit by the red-light runner," said SCTPO Executive Director, Georganna Gillette. "We are joining forces with the National Coalition for Safer Roads (NCSR) to help prevent these needless deaths. National Stop on Red Week reminds drivers to always stop on

Architectural Review Control Committee Vacancy

Resumes and/or letters of interest are now being accepted for one vacant alternate position. Appointments to the committee will be on the August 23rd meeting agenda. **Two applications has been received so far.**

Persons interested in serving on one or more of the committees should email their resume/letter of interest to District Clerk Brown (sbrown@bbrd.org) or drop off a hard copy at the Administration Building. Please indicate which committee on your paperwork.
