### **Welcoming new Community Manager, Kent Cichon**

Hello Barefoot Bay Residents

My name is Kent Cichon and I am both proud and excited to be your new Community Manager! I thank the Board of Trustees for bringing me here to such a wonderful community and greatly appreciate the warm welcomes I have received from the many residents that I have met. I would also like to give a special thank you to the dedicated hard-working staff of Barefoot Bay.

I was born about a mile from the Daytona International Speedway and grew up in Ormond Beach, Florida. I graduated from the University of Florida with my Bachelor's degree and from the University of Central Florida with my Master of Public Administration degree. I have nearly a decade of private sector work experience in business management and over two decades of public sector work experience in public administration.

After playing and competing in several sports during my life, I am now an avid sports fan, especially for the Florida Gators football team. I have a great appreciation for a wide variety of music and will begin teaching myself how to play the guitar soon. I also enjoy spending time delving into economics and the financial markets.

I look forward to meeting and spending time with all of you, especially during the many great Barefoot Bay special events.

WISHING YOU A BEAUTIFUL BAREFOOT BAY DAY! - *Kent*
