### BBRD New Restrooms: One down, one to Go.

Starting today, the new trailer restroom at the Tennis Courts is open (and porta-potties will soon be removed). The revised site plan work for the beach restrooms is now 75% completed. Once complete, solicitation of bids for installation of the septic tank, drain field, and utilities relocation will commence along with permitting. Hence, the days of porta-potties at the beach are numbered (just do not ask what the number is...we have had enough bad luck on this project and we do not need to be jinxed.).
