Our Community Manager says...

There is an appointed time for everything...

Even though those words were first written over 2,200 years ago, the wisdom of them never fades. As my time comes to a close as BBRD's Community Manager, it is hard to believe how fast the last 8.5 years flew by. The condition of BBRD is not only the result of the efforts of the current BOT and staff but is built upon the foundation built by previous Trustees, residents, and staff. I have always subscribed to the ancient Athenian Oath:

We will never bring disgrace on this our City by an act of dishonesty or cowardice.

We will fight for the ideals and Sacred Things of the City both alone and with many.

We will revere and obey the City's laws, and will do our best to incite a like reverence and respect in those above us who are prone to annul them or set them at naught.

We will strive unceasingly to quicken the public's sense of civic duty.

Thus, in all these ways, we will transmit this City not only, not less, but greater and more beautiful than it was transmitted to us."

Of all the accomplishments I have been a part of, the greatest of these are helping staff grow professionally and improving the quality of life in BBRD for the residents and guests. BBRD will always be a part of me and I will fondly remember my days (and a few nights during hurricanes) within *the perfect place to live, eat, and play*.

Rest assured BBRD has a great team in place with SDS as the management company of 15 years, a quality team of experienced and educated department managers and senior staff, trustees committed to their community, and an engaged group of residents. I sincerely wish the *Peek* readers all the joy and happiness possible going forward. When former Trustee Louise Crouse handed me the reigns of being the *Peek* editor in January 2016, I never imagined that I would have such a long run and a such a fantastic group of readers who provide me feedback (especially when I make a mistake with dates in this week in history!). The *Peek* debuted on June 20, 2011 and although I do not know who eventually will become the third full-time editor, I do know the *Peek* will go on. Sunday afternoons will never be the same for me going forward!
